The Pyrotechnic Insanitarium Mark Dery, 2007-12-01 A wide

ranging collection of essays on millennial American culture that marshals a vast pop vocabulary with easy wit The New York Times Book Review From the far left to the far right on talk radio and the op ed page more and more Americans believe that the social fabric is unraveling Celebrity worship and media frenzy suicidal cultists and heavily armed secessionists modern life seems to have become a pyrotechnic insanitarium Mark Dery says borrowing a turn of the century name for Coney Island Dery elucidates the meaning to our madness deconstructing American culture from mainstream forces like Disney and Nike to fringe phenomena like the Unabomber and alien invaders Our millennial angst he argues is a product of a pervasive cultural anxiety a combination of the social and economic upheaval wrought by global capitalism and the paranoia fanned by media sensationalism The Pyrotechnic Insanitarium is a theme park ride through the extremes of American culture of which The Atlantic has written Mark Dery confirms once again what writers and thinkers as disparate as Nathanael West Fyodor Dostoyevsky Sigmund Freud and Oliver Sacks have already shown us the best place to explore the human condition is at its outer margins its pathological extremes Dery is the kind of critic who just might give conspiracy theory a good name Wired

Awareness Bound and Unbound David Loy, 2009-07-02 Essays from the singular experience of Buddhist social critic and philosopher David R Loy on classic and contemporary concerns *Cultural Economy* Paul du Gay, Michael Pryke, 2002-01-31 Phrases such as corporate culture market culture and the knowledge economy have now become familiar clarion calls in the world of work They are calls that have echoed through organizations and markets Clearly something is happening to the ways markets and organizations are being represented and intervened in and this signals a need to reassess their very constitution In particular the once clean divide that placed the economy dealt with mainly by economists on one side and culture addressed chiefly by those in anthropology sociology and the other cultural sciences on the other can no longer hold This volume presents the work of an international group of academics from a range of disciplines including sociology media and cultural studies social anthropology and geography all of whom are involved not only in thinking culture into the economy but thinking culture and economy together **The Fabric of Mobile Services** Shoshana Loeb, Benjamin Falchuk, Thimios Panagos, 2011-09-20 What is the future of mobile services In order for mobile services to achieve the scale scope and agility required to keep them relevant and successful a number of fundamental technical and business challenges need to be addressed The Fabric of Mobile Services provides readers with a solid understanding of the subject covering short and long term considerations and future trends that will shape this technological evolution Beginning with an introduction that brings readers up to speed on the mobile services environment the book covers The business of mobile services Mobile user location as a service enabler Simplicity and user experience The always on infrastructure challenge Underpinnings of mobile opportunism Design patterns for mobile services Advanced services of today and tomorrow Complemented with case studies and end of chapter summaries that help facilitate readers comprehension The Fabric of Mobile Services is essential reading for researchers engineers software engineers students and anyone working in the mobile services industry
