

A woman with blonde hair, wearing a white long-sleeved top and a white skirt, stands on a sandy beach at night. She is holding a small, glowing object in her hands, and a bright, ethereal light emanates from them. The background features a large, full moon in a dark blue sky, with dark, jagged rock formations or cliffs behind her. The overall atmosphere is mystical and serene.

importance of providing ministry specifically targeting teenagers today **Generation Hex** Dillon Burroughs, Marla Alupoai, 2008 Wicca is America's fastest growing religion. By the year 2012 it's projected to be the third largest religion in the United States. In *Generation Hex* Marla Alupoai and Dillon Burroughs explore the history, culture, and practices of Wicca. As part of their research they interviewed travelers to historic Salem, Massachusetts; consulted practitioners of leading neopagan conferences in the Pacific Northwest and Canada; and dialogued with several current and former adherents of Wicca and other forms of witchcraft to evaluate the past and present of this growing spiritual tradition. The result is a compelling account that will inform and equip Christians, especially parents, to understand Wiccan and New Age teachings. Readers will have confidence to explain this belief system to others and to communicate the gospel to those caught up in this practice. *Generation Hex* identifies with the spiritual hunger of a generation seeking truth, authenticity, and hope in a fragmented world. It's perfect for personal study or as a gift for anyone interested or involved in Wicca. *The Fight of Your Life* Jeffrey Dean, 2009-02-17 Christian parents today feel replaced as the primary influence in their teen's lives; undermined at school; invaded by the web; and in the dark about what's really going on. Truth is, says teen expert Jeffrey Dean, parents don't know the half of it. In *The Fight of Your Life* Dean offers a frank, solutions-oriented plan for parents who want to protect their teens from dangerous choices and guide them toward God's best, and are ready to fight to make it happen. First, Dean gives parents a shocking but invaluable inside view of what teens are up against. Then he helps parents discover their irreplaceable role in their kids' success. Along the way he tackles hot-button issues: sex, partying, porn, cheating, and eating disorders, and coaches parents on how to protect and grow a healthy relationship with their teens. Packed with hope and solid Bible teaching, *The Fight of Your Life* gives parents the tools they need to help their teens discover their exciting futures as passionate Christ followers and positive world-changing adults. *Wicca* Ethan Doyle White, 2015-10-01 The past century has borne witness to a growing interest in the belief systems of ancient Europe, with an array of contemporary Pagan groups claiming to revive these old ways for the needs of the modern world. By far the largest and best known of these Paganisms has been Wicca, a new religious movement that can now count hundreds of thousands of adherents worldwide. Emerging from the occult milieu of mid-twentieth-century Britain, Wicca was first presented as the survival of an ancient pre-Christian Witch Cult, whose participants assembled in covens to venerate their Horned God and Mother Goddess, to celebrate seasonal festivities, and to cast spells by the light of the full moon. Spreading to North America, where it diversified under the impact of environmentalism, feminism, and the 1960s counter culture, Wicca came to be presented as a Goddess-centred nature religion, in which form it was popularised by a number of best-selling authors and fictional television shows. Today Wicca is a maturing religious movement, replete with its own distinct world view, unique culture, and internal divisions. This book represents the first published academic introduction to be exclusively devoted to this fascinating faith, exploring how this Witches' Craft developed, what its participants believe and practice, and what the Wiccan community actually looks like. In doing so, it sweeps

away widely held misconceptions and offers a comprehensive overview of this religion in all of its varied forms Drawing upon the work of historians anthropologists sociologists and scholars of religious studies as well as the writings of Wiccans themselves it provides an original synthesis that will be invaluable for anyone seeking to learn about the blossoming religion of modern Pagan Witchcraft
