In a rapidly changing world the ways in which economic forces affect both personal and global change can be difficult to track particularly in the arts This collection of twenty new essays explores both obscure and famous plays dealing with economic issues Beginning with the Industrial Revolution the text moves from Marx s theories to Wall Street speculation nineteenth century immigration issues the excesses of the Gilded Age and the 1920s the Great Depression World War II and millennial economic challenges Chicano-Chicana Americana Anthony Macías, 2023-02-07 *Chicano Chicana Americana* is a cultural history of Mexican Americans in film television and theater Through biographical sketches of performers such as Anthony Quinn Katy Jurado Robert Beltran and Lupe Ontiveros this work asserts Mexican Americans proper place in the national narratives of our collective imaginary Conveying a multicentered polycultural America this book shows us intriguing performers in bit parts who steal the scene and redefine what it means to be American Each biographical chapter analyzes an underappreciated actor revealing their artistic contributions to U S common culture Their long shot careers tell a tale of players taking action with agency and fighting for screen time and equal opportunity despite disadvantages and differential treatment in Hollywood These dynamic and complex individuals altered cinematic representations and audience expectations by surpassing stereotypes The book explores American national character by showing how ethnic Mexicans attained social and cultural status through fair open competition without a radical realignment of political or economic structures Their creative achievements demanded dignity and earned respect Anthony Mac as argues that these performances demonstrated a pop culture pluralism that subtly changed mainstream America transforming it from the mythological past of the Wild West to the speculative future of science fiction **Odisea nº 6: Revista de estudios ingleses** José Ramón Ibáñez Ibáñez, 2015-11-10 *Revista de Estudios Ingleses* es un anuario dirigido y gestionado por miembros del Departamento de

Filóloga Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa literatura en lengua inglesa didáctica del inglés traducción inglés para fines específicos y otros igualmente vinculados a los estudios ingleses

How Documentaries Went Mainstream Nora Stone, 2023 Since the 1960s documentary films have moved closer to the mainstream thanks to the popularity of rockumentaries association with the independent film movement support from public and cable television and the rise of streaming video services Documentary films have become reliable earners at the U S box office and ubiquitous on streaming platforms while historically they existed on the margins of mainstream media How do we explain the growing commercialization of documentary films and the conditions that fueled their transformation The growing commercialization of documentary film has not gone unnoticed but it has not been sufficiently explained Streaming and the growing interest in reality TV are usually offered as initial explanations whenever a documentary enters the cultural conversation or breaks a box office record but neither of those causes grapple with the overlapping causal mechanisms that commercialized documentary film How Documentaries Went Mainstream provides a more comprehensive and meaningful periodization of the commercialization of documentary film Although the commercial ascension of documentary films might seem meteoric it is the culmination of decades long efforts that have developed and fortified the audience for documentary features Author Nora Stone refines rough explanations of these efforts through a robust synoptic history of the market for documentary films using knowledge of film economics and the norms of industry discourse to tell a richer story This periodization will allow scholars to compare the commercialization of documentary film with other genres Drawing on archival documents industry trade journals and popular press and interviews with filmmakers and film distributors Stone illuminates how documentary features have become more plentiful popular and profitable than ever before

My Own Directions Sheldon Epps, 2022-09-27 Life in the theatre is often a rollercoaster ride with all the excitement and occasional anguish that come with the highs and lows The author's journey in the American theatre has been amplified by his experience as a Black man who has frequently been one of the few the first or even the only His directing career has been full of rewards and opportunities as well as huge challenges and frustrations along with the anger that has come from being chased by race for so many years Much of the author's experience comes from two decades artistic director of Pasadena Playhouse one of the oldest and well known theatres in America and for a time early in his career one of the whitest This is the story of how the author came into leadership at Pasadena Playhouse after a successful career directing on

Broadway in London and all over the world It relates how the theatre was radically changed and reignited by his leadership including his insistence on making diversity a priority onstage and off This is the very personal story of a person who wanted his race to be recognized but never used as a reason to be less than fully respected In many ways this memoir tells the story of what people of color in America must face repeatedly to make their lives matter **Gender Meets Genre in Postwar**

Cinemas Christine Gledhill, 2012-01-19 This remarkable collection challenges traditional ways of thinking about the relationship between genre and gender understanding their meeting as a mutually transformative encounter Responding to postmodernist conceptions of genre and post feminist theories of gender and sexuality these essays move beyond the limits of representation Testing new thinking about genre gender and sexuality against closely analyzed films they explore generic convention as means of putting into play what our culture makes of us while finding in genre s repetitions infinite possibilities of cross generic cross gender cross sex permutation At the same time the aesthetic and emotional dimensions of gender and sexuality come into view as elements fuelling the dramatic worlds of film genres producing in the encounter new gendered perceptions affects and effects Drawing on the intensifying transnational context of film production and on postcolonial thinking this volume includes essays that explore the transformational transactions between gender and genre as world circulating Hollywood generic practices intersect with and are stimulated by American independent European Indian and Hong Kong cinemas Such revised concepts of genre and gender question taken for granted relationships between authorship and genre between centre and periphery between feminism and generic filmmaking and the supposed gendering of genres filmmakers and their audiences Contributors are Ira Bhaskar Xiangyang Chen Steven Cohan Luke Collins Pam Cook Lucy Fischer Jane Gaines Christine Gledhill Derek Kane Meddock E Ann Kaplan Samiha Matin Katie Model E Deidre Pribram Vicente Rodriguez Ortega Adam Segal Chris Straayer Yvonne Tasker and Deborah Thomas *Race in American Film* Daniel Bernardi, Michael Green, 2017-07-07 This expansive three volume set investigates racial representation in film providing an authoritative cross section of the most racially significant films actors directors and movements in American cinematic history Hollywood has always reflected current American cultural norms and ideas As such film provides a window into attitudes about race and ethnicity over the last century This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject examining aspects of race and ethnicity in American film through the historical context themes and people involved This three volume set highlights the most important films and artists of the era identifying films actors or characterizations that were considered racist were tremendously popular or hugely influential attempted to be progressive or some combination thereof Readers will not only learn basic information about each subject but also be able to contextualize it culturally historically and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity and grasp how the subject is perceived now through the lens of history **Plato and Popcorn** William G. is nothing like seeing a good movie one that is enjoyable both in itself and for the thought processes it stimulates From *The Usual Suspects* and *When Harry Met Sally* to *Gandhi* and *The Color Purple* this handbook functions as a guide to watching and reflecting upon 75 great films The author a philosophy instructor presents a text designed to lead readers through a series of intellectual gymnastics to help strengthen critical thinking abilities and to inspire exciting and philosophical thoughts and discussions Civil Disobedience Death Fate and Determinism War Sexism and Women s Issues Gay Rights The Greatest Happiness Principle Anxiety and Inauthenticity and The Holocaust are examples of the 18 different categories into which the films are divided Each chapter includes the author s introductory comments to be read prior to watching movies along with a section of Questions to Ponder to be considered afterward Photographs of many movie scenes are included throughout the text Instructors considering this book for use in a course may request an examination copy here

Benefiting by Design Arlene E. Edwards, Chemba Raghavan, Kim Marie Vaz, 2009-01-14 The presence of women of color within the practical applications of social science research findings is severely limited since spaces where and when women of color enter the arenas of research methodology research question and intervention design and knowledge generation is often that of the other Benefitting by Design addresses this limitation It does so by locating the experience and knowledge of women of color as its central theme with sections of the text referring to emerging trends that attend to the need for greater representation of women of color in research and academic settings A key theme is the dislodging of currently accepted positions for the experience of women of color as marginalized and subsumed under normative modes of examination to central positions in areas of social science research and clinical practice This is in response to the typical assumption of the need to fix women of color be it based on their immigration status sexual orientation race culture class or spiritual practice Benefitting By Design attends to the salient contexts of the lives of women of color from an emic perspective by providing models for addressing the limitations that result from exclusion and strategies for centering the experiential knowledge of women of color in social science research and practice that is designed for their benefit *I Want It Now* Donna

Bee-Gates, 2015-07-14 In today s world of mega stores and unbridled materialism people are spending more money than ever in an attempt to find fulfillment in themselves and children are no exception In her compelling and inspiring exploration of kids and consumerism Donna Bee Gates helps us all understand how a culture of instant gratification influences spending habits and erodes self worth She argues that placating kids with material rewards is detrimental to social and psychological development Similarly she reveals that kids often seek out material goods as emotional compensation and fall prey to corporate strategies that lure them in as loyal consumers at an early age Bee Gates brings together cutting edge research and interviews to show that a healthy childhood sometimes means a simpler one one that values good communication and interaction with peers and family She highlights strategies to counter materialism and foster stronger identities in our children as they navigate a complex world and discusses ways that we can help build self awareness in children and

encourage skills that will help them become adults with strong character and integrity Lady Bird Rob Stone,2022-11-17 Examining the ideas philosophies and strategies that inform and enable a young woman's self determination for a new century this is a detailed insightful study of Greta Gerwig's much loved influential and critically acclaimed film Drawing on Transcendentalism French feminist thought Californian art and the work of iconic American essayist Joan Didion Rob Stone approaches Lady Bird as a film about young women's self determination in relation to other women and waves of feminist history Structured to emulate the evolving conscience and emerging consciousness of the film's eponymous protagonist this new volume in the Cinema and Youth Cultures series provides an incisive portrait of a particular American youth subculture struggling to assert its identity between the shock of 9 11 in 2001 and the global financial crisis of 2008 It also sensitively examines tensions between Gerwig and Lady Bird and between Lady Bird being set in 2002 and made in 2017 Written by an expert on American independent cinema and the dynamics of World Cinema this volume explores strategies of self

determination that ignite in the friction between mothers and daughters and culminate in considerations of how the film's form and aesthetics lead to reflections on its philosophy and politics Situating Lady Bird in the genre of youth movies and feminist film practice and culture this book is ideal for students and researchers looking at wider dialogues and discourses about feminism philosophy gender genre and American independent filmmaking Virginity on Screen Caroline Madden,2024-09-06 Virginity a major adolescent rite of passage has been explored in the coming of age film genre for many decades This book examines the evolution of teen movies over the past 40 years posing crucial questions about how film shapes our cultural understanding of virginity By surveying more than 30 mainstream and independent coming of age films from the 1980s to the present it considers what types of first time sexual experiences are represented on screen how they are different for men and women and whether they are subverting or reinforcing gender stereotypes Drawing from notable teen movies such as Dirty Dancing 1987 American Pie 1999 Real Women Have Curves 2002 Lady Bird 2017 and Plan B 2021 the book identifies a progressive shift toward more sex positive and feminist representations of first time sexual experiences on screen Each chapter studies how the political climate sex education policies and cultural norms specific to each era impact the film's release and its teenage audience **Cinematic Sociology** Jean-Anne Sutherland,Kathryn Feltey,2012-04-17

Cinematic Sociology is a one of a kind resource that helps students recognize and critique sociological concepts as they appear in blockbuster Hollywood films In addition it provides pedagogy for instructors who use film in their classes In this engaging text the authors take readers beyond watching movies and demonstrate how to read films sociologically In the process students are exposed to major substantive areas of sociology and encouraged to critically think about their social world The book's 27 essays from expert scholars in sociology and cultural studies explore the ways social life is presented distorted magnified or politicized in popular film *Changed for Good* Stacy Wolf,2011-07-28 In this lively book Stacy Wolf illuminates the women of American musical theater performers creators and characters from the start of the cold war to the

present day creating a new feminist history of the genre Moving from decade to decade Wolf highlights the assumptions that circulated about gender and sexuality at the time and then looks at the leading musicals stressing the aspects of the plays that relate to women The musicals discussed here are among the most beloved in the canon West Side Story Guys Dolls Cabaret and many others with special emphasis on Wicked
