of the Pentecostal movement into the charismatic renewal that continues to this day Later in 1961 God gave Rev Tommy Hicks a vision of the continuation of that revival a worldwide movement in which the Awakening Giant the body of Christ receives spiritual power and authority on such a scale as has not been seen since the book of Acts This book retells these two amazing prophecies in their entirety and also discusses their implications for the world today The revival of God s church continues but it won t be complete until every Spirit filled believer understands his or her unique role in its fulfillment Study these prophecies and ask God to reveal how He would use you to bring the greatest revival in history to completion
