Goethe's Faust Jane K. Brown,1986 In this book Jane K Brown offers an original reading of Goethe s complex masterpiece in the context of European Romanticism Looking at the two parts of Faust in sequence she views the second part as an elaboration of what was implicit in the first and she clarifies the patterns of thought and organization underlying the play In Faust she argues Goethe not only situates German culture within the wider European literary tradition but also demonstrates that all literature is by its nature allusive that it exists only as part of a tradition **The Real Witches' Garden** Kate West,2004 A guide to the outdoor world and nature based spirituality for real witches everywhere Kate West explains how to set up your own sacred space in the garden and how to grow herbs for use in spells and remedies The Real Witches Garden is a practical guide to witchcraft in the garden whether you have 20 acres or a window box Contents Nature based spirituality Witchcraft by another name How the garden fits into your life and your Craft The garden as a sacred space for working ritual The elemental garden earth air fire water and spirit The garden as a medicine store herbs and herbal remedies The smallest of gardens window boxes pots and containers Plant associations a list of plants relating to various aspects of the Craft Planting and tending by the natural cycles the lunar calendar and the wheel of the year
