Real Worlds Of Canadian Politics:

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada Political Communication in Canada Alex Marland, Thierry Giasson, Tamara A. Small, 2014-09-21 Changes in technology and media consumption are transforming the way people communicate about politics Are they also changing the way politicians communicate to the public Political Communication in Canada examines the way political parties politicians interest groups the media and citizens are using new tactics tools and channels to disseminate information and also investigates the implications of these changes Drawing on recent examples contributors review such things as the branding of the New Democratic Party how Stephen Harper's image is managed and politicians use of Twitter They also discuss the evolving role of political journalism including media coverage of politics and how Canadians use the Internet for political discussions In an era when political communication from political marketing to citizen journalism is of vital importance to the workings of government this timely volume provides insight into the future of Canadian democracy *Principles of Justice and Real-World Climate Politics* Sarah Kenahan, Corey Katz, 2021-11-26 There is a major divide between the work of normative theorists and concrete climate action or inaction politics and policies In this volume authors tackle the strained relationships between principles of justice and climate politics by responding to real world climate politics and policies offering proposals and analyses that take concerns of feasibility seriously and identifying immediate justice and feasibility concerns with recent proposals for climate action Contributors look at questions of feasibility as they relate to specific international institutions like the IPCC and UNFCCC and widely discussed principles of climate justice including backward looking principles like polluter pays and forward looking principles like ability to pay Others explore the feasibility hurdles and justice concerns that challenge popular mitigation proposals These international and interdisciplinary contributors re think the ways the principles of climate justice should be applied speaking to students research scholars activists and policymakers *Canada in the World* Richard Albert, David R. Cameron, 2017-11-02 In this volume marking the Sesquicentennial of Confederation in Canada leading scholars and jurists discuss the evolution of the Canadian Constitution since the British North America Act 1867 the role of the Supreme Court in interpreting the Constitution as a living tree capable of application to new legal issues and the growing influence of both the Constitution with its entrenched Charter of Rights and Freedoms and the decisions of the Court on other constitutional courts dealing with a wide range of issues pertaining to human rights and democratic government The contributors assess

how the Canadian Constitution accommodates the cultural diversity of the country's territories and peoples while ensuring the universal applicability of its provisions the role of the Court in interpreting and applying the Constitution and the growing global influence of the Constitution and decisions of the Court on legislatures and courts in other countries The United States and Canada Paul J. Quirk, 2019 The United States and Canada share the longest border in the world maintain one of the closest alliances and are notably similar in many ways Yet the two countries also have important differences including sharply contrasting political institutions In The United States and Canada Paul J Quirk has gathered a distinguished cast of contributors to present an integrated comparative examination of the political systems of the United States and Canada with special attention to the effects of political institutions and their interaction with political values geographic and demographic factors and other influences The volume explores the differences between the American presidential or separation of powers system and the Canadian parliamentary system focusing on electoral and party systems executive leadership and the legislative process bureaucratic influence and federalism It proceeds to examine patterns of governance in a wide range of issue areas economic policy climate change policy healthcare policy civil rights integration and immigration and abortion and gay rights A sweeping comparative account this volume serves as an authoritative guide for anyone interested in why the two countries differ and where they might be headed **The Real Worlds of Canadian Politics** Robert Malcolm Campbell, Leslie Alexander Pal, Michael Howlett, 2004 an absolutely first class addition to the literature and an incomparable teaching aid John Meisel Queen's University **The Politics of Abortion in the United States and Canada** Raymond Tatalovich, 1997 Tatalovich political science Loyola U continues his studies on moral conflicts in public policy by examining the differences and similarities by which Canadian and US governments political parties and activists have addressed the issue of abortion He discusses the history of the conflict since the 1950s judicial activism and legislative responses public opinion party politics and elections and federalism and the implementation problem Having proposed models of a politicized America and depoliticized Canada he concludes by comparing social convergence and institutional divergence Paper edition 418 7 21 95 Annotation copyrighted by Book News Inc Portland OR Politics and Ideology in Canada Michael Ornstein, Michael Stevenson, 2003-02-18 Winner of the Harold Adams Innis Prize Politics and Ideology in Canada examines a period of crucial historical change in Canada beginning in the mid 1970s when the crisis of the Keynesian welfare state precipitated a transition to a new political order based on the progressive downsizing of state involvement in the economy and society Using class and ideology as key concepts Michael Ornstein and Michael Stevenson examine this transition in terms of the nature of hegemony and hegemonic crisis and the conditions of political order and instability These concepts guide the interpretation of three large surveys of representative samples of the Canadian public and two unique elite surveys conducted between 1975 and 1981 The surveys cover an exceptionally broad spectrum of political issues including social programs civil and economic rights economic policy foreign ownership labour relations and language issues and sovereignty

A wide ranging analysis of public and elite attitudes reveals a hegemonic order through the early 1980s built around public support for the institutions of the Canadian welfare state But there was also widespread public alienation from politics Public opinion was quite strongly linked to class but not to party politics Regional variation in political ideology on a broad range of issues was less pronounced than differences between Quebec and English Canada Much deeper ideological divisions separated the elites with a dramatic polarization between corporate and labour respondents State elites fell between these two though generally more favourable to capital The responses of the business elites reveal the ideological roots of the Mulroney years in support for cuts in social programs free trade privatization and deregulation *The Government Taketh Away* Leslie A. Pal,R. Kent Weaver,2003-04-01 Democratic government is about making choices Sometimes those choices involve the distribution of benefits At other times they involve the imposition of some type of loss a program cut increased taxes or new regulatory standards Citizens will resist such impositions if they can or will try to punish governments at election time The dynamics of loss imposition are therefore a universal if unpleasant element of democratic governance The *Government Taketh Away* examines the repercussions of unpopular government decisions in Canada and the United States the two great democratic nations of North America Pal Weaver and their contributors compare the capacities of the U S presidential system and the Canadian Westminster system to impose different types of losses symbolic losses gun control and abortion geographically concentrated losses military base closings and nuclear waste disposal geographically dispersed losses cuts to pensions and to health care and losses imposed on business telecommunications deregulation and tobacco control Theory holds that Westminster style systems should all things being equal have a comparative advantage in loss imposition because they concentrate power and authority though this can make it easier to pin blame on politicians too The empirical findings of the cases in this book paint a more complex picture Westminster systems do appear to have some robust abilities to impose losses and US institutions provide more opportunities for loss avoiders to resist government policy in some sectors But in most sectors outcomes in the two countries are strikingly similar *The Government Taketh Away* is essential for the scholar and students of public policy or comparative policy It is also an important book for the average citizen who wants to know more about the complexities of living in a democratic society where the government can give but how it can also sometimes painfully taketh away Canadian Defence Industry in the New Global Environment Alistair D. Edgar,David G. Haglund,1995-05-01 Alistair Edgar and David Haglund examine changes in the international demand for defence products in the post Cold War era review the reorganization and rationalization of the supply side of the international defence market through various government policy initiatives and corporate strategies and discuss the ways in which the Canadian government and defence producers have attempted to cope with this new and uncertain international environment They also explore the international and domestic contexts military economic and political within which defence industries operate Edgar and Haglund s analysis draws on extensive interviews with political and industry leaders military

personnel and government officials from Canada the United States the United Kingdom France Belgium the Netherlands Norway Denmark Spain and Germany This timely study of the domestic American and other NATO defence markets will interest scholars and students of Canadian defence policy Canadian foreign policy and Canadian external relations and public servants politicians and personnel in the industry

Real-world data and real-world evidence in regulatory decision making Council for International Organizations of Medical Sciences,2024-05-29 In recent years many medicines regulatory agencies have expressed increased willingness to consider real world evidence RWE that derives from the review and or analysis of real world data RWD to support claims of efficacy or effectiveness as well as of safety This increased willingness is changing the regulatory environment in which RWE is generated and used This consensus report aims to describe the potential use of RWE for decision making RWD and data sources key scientific considerations in the generation of RWE and ethical and governance issues in using RWD The intended audience for this report includes medicinal product regulators healthcare payers health care and medicinal products industries researchers bioethicists patients and health care professionals This report was developed to inform discussions about the use of RWD and RWE for regulatory and health care decision making including decisions to make a product available for use authorisation to cover the costs of its use reimbursement and to use a product for a particular patient clinical use This report reflects the opinions of the Council for International Organizations of Medical Sciences CIOMS Working Group XIII on Real world data and real world evidence in regulatory decision making and it was finalised after considering comments received during a public consultation <https://doi.org/10.56759/kfxh6213>

Queerly Canadian, Second Edition Scott Rayter,Laine Halpern Zisman,2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada s leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada **FEATURES** Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers [Canada and the New World Economic Order](#) Thomas James Wesson,2007 [Provinces](#) Christopher Dunn,2006-08-01 Provinces is both a study of Canadian provincial government and a review of comparative politics As such it represents a long overdue return to

the comparative tradition with its emphasis on subject specific studies across the country The chapters in this revised edition of *Provinces each of which has been written for the book by a leading scholar* are arranged according to four major sections political life institutions public administration and public policy making the book highly suitable for those interested in areas beyond provincial politics At the same time the adopted comparative approach reveals a wealth of insight into Canadian politics at the beginning of the new millennium This new edition covers some of the vital concerns of our time a disquiet about the quality of democracy concern about women s place in provincial societies interest in the nature and potential of governance in the north unease on the question of the fiscal imbalance between all orders of government a sensitivity to the needs of cities and communities assessment of the retrenchment of the state and consideration of the policy futures influenced by the changing demography of the provinces *Special Combined Price Provinces second edition* may be ordered together with *The Provincial State in Canada Politics in the Provinces and Territories* at a special discounted price In order to secure the package price the following ISBN must be used when ordering 978 1 55402 587 9 **The Oxford Handbook of Canadian Politics** John Courtney, John Childs Courtney, David Smith, 2010-04-29 The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy

Strategies of Public Engagement David Gillies, 1997-10-10 Development organizations need to reaffirm the Canadian consensus that international co operation works and persuade the public and politicians that sustainable development is the key to human security and international order The way to achieve this contributors argue is by demonstrating effectiveness and by systematically documenting evaluating and disseminating development successes through reasoned policy dialogue and strategic public engagement *Strategies of Public Engagement* makes a valuable contribution to the search for new ways to enhance the relevance and value of development organizations in the twenty first century It will be of interest to readers concerned with NGOs Canadian development assistance and north south relations **City Form and Everyday Life** Jon Caulfield, 1994-01-01 Drawing on a series of in depth interviews among a segment of Toronto s inner city middle class population Caulfield argues that the seeds of gentrification have included patterns of critical social practice and that the gentrified landscape is highly paradoxical **The Canadian Environment in Political Context, Second Edition** Andrea Olive, 2019-08-20 The Canadian Environment in Political Context uses a non technical approach to introduce environmental politics to undergraduate readers The second edition features expanded chapters on wildlife water pollution land and energy Beginning with a brief synopsis of environmental quality across Canada the text moves on to examine political institutions and policymaking the history of environmentalism in Canada and other crucial issues including Indigenous peoples and the

environment as well as Canada's North Enhanced with case studies key words and a comprehensive glossary Olive's book addresses the major environmental concerns and challenges that Canada faces in the twenty first century

Women and Politics around the World Joyce Gelb, Marian Lief Palley, 2009-03-30 A unique two volume examination of the progress women have made in achieving political equality Women and Politics around the World addresses both transnational and gender related issues as well as specific conditions in more than 20 countries Women and Politics around the World A Comparative History and Survey is an exploration of the role of women in political systems worldwide as well as an examination of how government actions in various countries have an impact on the lives of the female population Women and Politics around the World divides its coverage into two volumes The first looks at such crucial issues facing women today as health policy civil rights and education comparing conditions around the world The second volume profiles 22 different countries representing a broad range of governments economies and cultures Each profile looks at the history and current state of women's political and economic participation in a particular country and includes an in depth look at a representative policy The result is a resource unlike any other one that gives students researchers and other interested readers a fresh new way of investigating a truly global issue

Canadian Parties in Transition, Third Edition Alain G. Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book

Real Worlds Of Canadian Politics Introduction

In today's digital age, the availability of Real Worlds Of Canadian Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Real Worlds Of Canadian Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Real Worlds Of Canadian Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Real Worlds Of Canadian Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Real Worlds Of Canadian Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Real Worlds Of Canadian Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Real Worlds Of Canadian Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Real Worlds Of Canadian Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Real Worlds Of Canadian Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Real Worlds Of Canadian Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Real Worlds Of Canadian Politics is one of the best book in our library for free trial. We provide copy of Real Worlds Of Canadian Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Real Worlds Of Canadian Politics. Where to download Real Worlds Of Canadian Politics online for free? Are you looking for Real Worlds Of Canadian Politics PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Real Worlds Of Canadian Politics. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you

save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Real Worlds Of Canadian Politics are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Real Worlds Of Canadian Politics. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Real Worlds Of Canadian Politics To get started finding Real Worlds Of Canadian Politics, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Real Worlds Of Canadian Politics So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Real Worlds Of Canadian Politics. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Real Worlds Of Canadian Politics, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Real Worlds Of Canadian Politics is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Real Worlds Of Canadian Politics is universally compatible with any devices to read.
