

Reality

I held an egg, then realized,

how fragile life must be.

To see the life of a baby chick,

taken away so easily.

Here it is in my hand,

a simple crack away.

A baby chick, could have been sitting

here this sunny July day.

Oh well, back to breakfast.

Reality Poems:

Reality Poems Isabella George, 2016-09-06 Reality Poems 2016 is the revised edition of Isabella George's first e-book Reality Poems of the Modern Day 2014. The title has been shortened but content increased. In this revision the poems are presented as more intense in depth and reveal an enriched ever evolving awareness and determination to address issues more explicitly without trepidation or regard to criticism. Reality Poems is a body of work that is now a collection of 70 short stories and poems of controversial issues relevant to modern culture. Each poem is a short story that creates mood and movement in a rhythmic lyrical contempo cadence aptly called Versery Rhymes. Some poems are written in an urban vernacular. Many stories in the collection of political and social issues are not usually topics of discourse in traditional poetry. These stories in atomic words are a clear and concise commentary on controversial issues not usually considered to be poetic. A range of poignant topics in the collection includes Credit card entrapment drug trafficking interracial lovers 9 11 conspiracy and other theories the horrors of factory farming death row psychotic episodes cigarette smoking Lucifer Prince of the Air strippers the blues ghosts Frankenfood baptism the death of one's mother civil rights struggle of the 60's sea level rise Miami and the Everglades smoking weed imagining the New World Order aging cougars. Less poignant topics include Teenage love crushes forgetfulness boys and their frogs Barbie dolls fashionistas Hot Wheels puppies parakeets heartbreak Kool Aid the Brazilian Samba gremlins island living and many other topics of life. Isabella George, 2014-06-04 Is a politically and socially courageous eclectic collection of short stories and poems of contemporary predicaments and issues that often escape mainstream sensibility. Each poem is a compelling short story versified in a style of poetry I have tagged as Versery Rhymes which is contempo lyrical verse with a bit of urban vernacular dialogue. A range of poignant topics in this collection pertain to credit card entrapment drug trafficking lesbian lovers prostitution factory farming death row psychotic episodes cigarette smoking smoking weed the Prince of the air the blues ghosts etc the list goes on. A bit less poignant topics are of teen age love affairs boys and frogs the rain Barbie dolls fashionistas hot wheels puppy's parakeets baptism death forgetfulness and much much more this just names a few. As Langston Hughes penned Poetry is the human soul entire Squeezed like a lemon or a lime Drop by drop into atomic words. The reality of truth in atomic words that are direct commentary on issues is what this work is about. [Poems of Reality](#)

Tony Gorman, 2014-01-31 The Pebble I am a pebble dropped into the water Spreading my ripples to all those around Each little wave bringing hope to the needy Easing their worries bringing smiles not a frown Spreading and rippling to far distant boundaries Drawing in help with its tidal display And they too will drop pebbles creating more ripples Lending a hand to the needy as they go day to day The lesson from this is to help one another And don't be afraid to spread yourself around And be like the pebble causing all of those ripples As those that are dormant are the ones on the ground I hope my poems were like the pebble and caused ripples of peace and joy in your life as you turned each page Many Thanks to those who have bought

experiences or delineating their dreams of traveling outside the inner quarters and indeed sometimes far away from the inner quarters With its promise of adventure and fulfillment and above all a broadening of one's intellectual and emotional horizons travel was an important and until now understudied theme of late imperial women's poetry Field Guide to Reality and Other Poems Lee Robertson,2009-12-21 Field Guide to Reality is the tale of a year in the life of an artist living in the backwoods of the Ozark hills The day to day life of the forest the remembrance of things past and the poignance of the present are all here *Realist Poetics in American Culture, 1866-1900* Elizabeth Renker,2018-05-25 The terms poetry and realism have a complex and often oppositional relationship in American literary histories of the postbellum period The core narrative holds that realism the major literary movement of the era developed apace in prose fiction while poetry stuck in a hopelessly idealist late Romantic mode languished and stagnated Poetry is almost entirely absent from scholarship on American literary realism except as the emblem of realism's opposite a desiccated genteel twilight of the poets *Realist Poetics in American Culture 1866 1900* refutes the familiar narrative of postbellum poetics as a scene of failure and it recovers the active and variegated practices of a diverse array of realist poets across print culture The triumph of the twilight tale in the twentieth century obscured minimized and flattened the many poetic discourses of the age including but not limited to a significant body of realist poems currently missing from US literary histories Excavating an extensive archive of realist poems the volume offers a significant revision to the genre exclusive story of realism and by extension to the very foundations of postbellum American literary history dating back to the earliest stages of the discipline Reality Poetry Christopher Gelson,2006-12 Reality poems are 100% real life They take you on a journey through life's personal tragedies and triumphs This book of Reality Poetry allows you to walk with the writer through a range of life's seasons You will laugh you will cry you will find sadness you will find joy You may feel loss you may find hope You will find nothing but what happens in real life These poems will take you on a journey through life's different seasons through unique rhythmic expression and beautiful imagery **Poets of Reality** Joseph Hillis Miller,1992 Conceptions of Reality in Modern American Poetry L. God is frightened to wander around I have seen him tip toe across the stars and stroll around in the sky like he owned them And command the lightning where to strike His powers of wonderment cause hysterical raptures of ecstasy He can transport a man s mind from reality into oblivion His frenzied mind teeters on the brink of infinity his thinking is so complex he had to invent new words to explain them He can force the trumpets of the seventh heavenly plague to blast before their appointed time and confuse the armies in heaven to where they do not know whose command to follow Lightning and voices and thunders exist only by his permission He commands the powers in heaven the angels fall at his feet the sun no longer sheds light and the moon turns to blood and the stars fall from the sky Who is this The Almighty The Only Begotten or the Third in Command no though some think so this is the author Ron McIntyre *Figures of Reality* Roger Cardinal,2025-05-01 *Figures of Reality* 1981 may be described as a polemic against those who feel poetry to be remote from normal life an abstruse and empty game The author argues from a contrary perspective shared by many poets in the Romantic and Surrealist tradition in which poetry is viewed as being vitally related to our awareness of reality This penetrating discourse on the roots of poetry in the imagination suggests that the fascination of an illusory image lies precisely in our consciousness of its deflection from reality Poets can take hold of and manipulate these moments they are adept in the construction of unreality The deliberate cultivation of such states of awareness has been a preoccupation of many poets and literary theorists among them Coleridge De Quincy and Rimbaud Roger Cardinal s commentaries on the writing of these men as well as other texts drawn from nineteenth and twentieth century European poetry argues that poems have meaning for us to the extent that we recognise the relationship of the figure of speech on the page to the figure of reality as shaped by our perception of the world around us In this way the book uniquely develops an original and subtle theory of the role of imagination in poetry **The Higher Life. Reality Poems Introduction

In today's digital age, the availability of Reality Poems books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reality Poems books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reality Poems books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Reality Poems versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reality Poems books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reality Poems books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reality Poems books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reality Poems books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reality Poems books and manuals for download and embark on your journey of knowledge?
