

Hence, viper thoughts, that coil around my
mind, Reality's dark dream! I turn from you,
and listen to the wind.

Samuel Taylor Coleridge, *Dejection: An Ode*

Realitys Dark Dream Dejection In Coleridge

Beverly Fields

Reality's Dark Dream Dejection In Coleridge:

Reality's Dark Dream Beverly Fields, 1947 **Reality's Dark Dream** Beverly F. Fields, 1970 **Coleridge's "Dejection"** Stephen Maxfield Parrish, 2019-06-30 This book offers a history of Coleridge's great Dejection poems and presents the earliest manuscripts and earliest printed versions of these poems along with the only known manuscript of another poem of Coleridge's *The Day Dream*. In his introduction Stephen Parrish traces the early development of the Dejection poems from their genesis in Coleridge's unhappy personal situation through the circumstances of their composition and revision. Reading texts of the recently discovered version of *Letter* and *The Day Dream* are presented here for the first time together with reading texts of a transitional version of *Letter* the October 1802 and 1817 published versions of *Dejection* and the only version of *The Day Dream* published by Coleridge. The volume also contains photographs and transcripts of the principal manuscripts. Where appropriate a record of variants is provided in the form of an apparatus. **Reality's dark dream ; dejection in Coleridge** Beverly Frankel Fields, 1967 *Coleridge's Dejection Ode* J.C.C. Mays, 2019-01-22 Coleridge's *Dejection Ode* completes J.C.C. Mays' analysis of Coleridge's poetry following Coleridge's *Ancient Mariner* (Palgrave 2016) and Coleridge's *Experimental Poetics* (Palgrave 2013). *Dejection: An Ode* stands alone in Coleridge's oeuvre. Written at a time of personal crisis, it reaches far back and deeply into his thinking in an attempt to find a poetic solution to ideas and problems he had mulled over for a long time. Mays reveals how the poem also marks the opening of the second half of Coleridge's career as both poet and thinker. In three central chapters Mays examines the new style that evolved in the process of writing the Ode: the technical means of metrics, rhyme and grammar, language and allusion and symbol and structure. He recounts the complex, sometimes controversial, critical history of the Ode and suggests an editorial solution to the problem created by the Letter to Sara Hutchinson. He re-evaluates the position of Wordsworth in the poem. *apropos* the political statement it makes, clarifies the distinction between the views on Imagination expressed and those contained in *Biographia Literaria* and traces the links of the concept *dejection* as it underpins Coleridge's late poems. *Coleridge and the Daemonic Imagination* G. Leadbetter, 2011-04-11 Through politics, religion and his relationship with Wordsworth, the book builds to a new interpretation of the poems where Coleridge's daemonic imagination produces its myths: *The Ancient Mariner*, *Kubla Khan* and *Christabel*. Re-reading the origins of Romanticism, Leadbetter reveals a Coleridge at once more familiar and more strange. **Coleridge the Moralist** Laurence S. Lockridge, 2019-06-30 This rigorously argued yet deftly written book defines and analyzes Coleridge's moral vision as it reveals itself in his life, thought and poetry. Based on the entire corpus of his writings, it includes much unpublished or previously unanalyzed primary source material such as the late notebooks and the *Opus Maximum* manuscript. Mr. Lockridge considers Coleridge to be one of the great British moralists and he argues that much of his work is characterized by an uncommon density of thought and an imaginative assimilation of theory to practice. Tracing Coleridge's evolution as a moralist, he treats with close attention Coleridge's writings on such subjects as freedom

will duty self realization pleasure suffering dread and evil By bringing together related fragments he has given coherent structure to the moral thought of a major Romantic writer **Reality's Dark Dream** Beverly Frankel Fields,1965

Coleridge's Spiritual Language Tim Fulford,1991-10-13 **Coleridge and the Concept of Nature** Raimonda Modiano,1985-08-12 Coleridge and the Psychology of Romanticism D. Vallins,2016-06-07 In addition to being the leading philosopher of English Romanticism and one of its greatest poets Coleridge explores the dynamics of consciousness and mental functioning more extensively than any of his contemporaries This book compares his psychological theories with his diverse exemplifications of Romanticism s self reflexive quest for transcendence showing how he continually highlights the circular and mutual influence of ideas and emotions underlying Romantic idealism and the cult of the sublime **Coleridge and Hinduism** Antonella Riem Natale,2023-06-08 This book extensively investigates Samuel Taylor Coleridge s profound ties with the Oriental Tales he read throughout his life from a philosophical poetical and metaphysical point of view It is the only comprehensive and dedicated study on how Hindu works in particular Charles Wilkins s first translation of the Bhagavadg t into English 1785 influenced Coleridge s poetic imagination affecting all his writings his poetry above all In analysing Coleridge s quest for what he calls the One life the author s wish is that readers may find some joyance in reading this book and feel inspired to go deeper into the an hata n da the unstruck sound of the heart fully enjoying the subtle inner resonances of Coleridge s poetic word *Ruined Eden of the Present* Gary Richard Thompson, Virgil Llewellyn Lokke,1981 A recurrent idea in Darrel Abel s criticism of the works of Hawthorne gives this volume its title The idea of a fallen world and its potential for partial redemption through art and the art of criticism is a theme that weaves in and out of the sixteen essays The volume as a whole displays an explicit and implicit concern with critical approaches and reflects an awareness of the fictiveness of critical resolutions in a world in which boundaries are constantly under challenge for example those which divide textuality from contextuality This collection of essays explores the problems the practical critic and teacher has had to face in the shifts in taste assumptions and methodology in the moves from moral and historical criticism to the New Criticism and to the newer linguistic and semiotic criticism **Coleridge and the Idea of Friendship, 1789-1804** Gurion Taussig,2002 This book analyzes Coleridge s male friendships during the 1790s It shows the poet s experience of relationship is structured by and contributes to contemporary debate about friendship Examination of Coleridge s epistolary relations with Poole Southey Lamb Lloyd Thelwall Wordsworth and Godwin demonstrates that each friendship negotiates issues of relationship discussed throughout English culture of this period **Coleridge's Ancient Mariner and Select Poems** Samuel Taylor Coleridge,2022-09-16 In Coleridge s Ancient Mariner and Select Poems Samuel Taylor Coleridge delves into the depths of human experience through the lens of Romanticism merging vivid imagery with rich symbolism The centerpiece The Rime of the Ancient Mariner unfolds a haunting tale of guilt redemption and the sublime wonders of nature all enveloped in a lyrical form that captivates the reader s senses Coleridge s masterful use of meter rhyme and alliteration furthers the

poem's enchanting quality establishing it as a cornerstone of English literature and a profound inquiry into the relationship between humanity and the natural world. This collection also includes select poems that illustrate his explorations of imagination and spirituality offering insights into the human condition that remain relevant through the ages. Samuel Taylor Coleridge, a key figure of the Romantic movement, was deeply influenced by his philosophical inquiries and interest in the supernatural. His diverse intellectual pursuits ranging from poetics to theology shaped his poetic voice and thematic choices prompting him to reflect on the intricacies of existence and the complexities of the mind. Coleridge's own encounters with nature as well as his struggles with personal demons lend an authenticity to the emotional landscape of his work. This collection is essential for readers seeking to engage with the transformative power of poetry. Coleridge invites us to explore the intricate dance between imagination and reality making it a vital read for anyone interested in understanding the evolution of literary thought and the deep psychological textures of Romantic poetry. Dive into his world and you will emerge with a renewed appreciation for the beauty and terror of the human experience. **Wordsworth and Coleridge** Gene W. Ruoff, 1989. This work is an intensive exploration of six early texts of three icons of English speaking culture: William Wordsworth's *Ode to Intimations of Immortality from Recollections of Early Childhood* and *Resolution and Independence* and Samuel Taylor Coleridge's *Dejection: An Ode*. Almost two centuries of cultural codification have firmly established these poems as canonical works necessary for an understanding of their authors of their age and of poetry. **Coleridge and German Philosophy** Paul Hamilton, 2007-05-01. Samuel Taylor Coleridge frequently bridged the gap between British and European Romantic thought. This study sets Coleridge's mode of thinking within a German Romantic philosophical context as the place where his ideas can naturally extend themselves, stretch and find speculations of comparable ambition. It argues that Coleridge found his philosophical adventures in the dominant idiom of his times exciting and as imaginatively engaging as poetry. Paul Hamilton situates major themes in Coleridge's prose and poetic writings in relation to his passion for German philosophy. He argues that Coleridge's infectious attachment to German post-Kantian philosophy was due to its symmetries with the structure of his Christian belief. Coleridge is read as an excited and winning expositor of this philosophy's power to articulate an absolute grounding of reality. Its comprehensiveness, however, rendered redundant further theological description undermining the faith it had seemed to support. Thus arose Coleridge's anxious disguising of his German plagiarisms, aspersions cast on German originality and his claims to have already experienced their insights within his own religious sensibility or in the writings of Anglican divines and neo-Platonists. This book recovers the extent to which his ideas call to be expanded within German philosophical debate. **The Damnation of Newton** Frederick Burwick, 2012-05-10. No detailed description available for *The Damnation of Newton*. *Delicate Subjects* Julie Ellison, 2018-07-05. No detailed description available for *Delicate Subjects*. **The Long and Winding Road from Blake to the Beatles** M. Schneider, 2008-06-23. This book traces the musical and cultural achievements of this contemporary musical phenomenon to

its origin in the Romantic revolution of the 1790 s in England when traditional concepts of literature politics education and social relationships were challenged as they were in the 1960 s

Reviewing **Realitys Dark Dream Dejection In Coleridge**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
