## **Reasons Disciples:**

Three Reasons why I Am a Baptist J. M. Pendleton, 1903      The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts      **Reason and Religion** Herman Philipse, 2022-04-28 Religion is relevant to all of us whether we are believers or not This book concerns two interrelated topics First how probable is God s existence Should we not conclude that all divinities are human inventions Second what are the mental and social functions of endorsing religious beliefs The answers to these questions are interdependent If a religious belief were true the fact that humans hold it might be explained by describing how its truth was discovered If all religious beliefs are false a different explanation is required In this provocative book Herman Philipse combines philosophical investigations concerning the truth of religious convictions with empirical research on the origins and functions of religious beliefs Numerous topics are discussed such as the historical genesis of monotheisms out of polytheisms how to explain Saul s conversion to Jesus and whether any apologetic strategy of Christian philosophers is convincing Universal atheism is the final conclusion      **5 Marks of a Biblical Disciple C.** Matthew McMahon, 2018-12-28 A biblical disciple is not merely aware of the teachings of Jesus Christ or God s prescription for being a follower of his word It is one who holds certain distinguishable marks who has been supernaturally changed by God s grace and submits to the will of Jesus Christ in the power of the Spirit A disciple is implanted with a new spiritual principle in the heart demonstrating a life of self denial yielding to the Lord Jesus Christ who bought them with his own blood In the midst of the body of Christ the church a disciple has 5 non negotiable qualities as outlined in the word of God Gospel

Love which is the badge of the Christian Gospel Interest which glorifies God through Christ in truth and the power of the Spirit to be used to expand the kingdom of God Gospel Consolation which exercises a consoling spirit between believers Gospel Encouragement which is to encourage one another in the faith while it is still called today And Gospel Fellowship which brings together disciples under the commonness of covenanted blessings both with God and with other believers in a local church People devoid of these biblical disciplines who do not hold and exemplify these five marks as Scripture outlines them are spiritually destitute of supernatural grace and the basic Spirit filled function of walking with Jesus Christ in newness of life

*Why Men Go Back* Charles W. Conn, 2008-01-29 This book presents an honest and penetrating look at the defection of the church members The author shows how all men are in danger of defection when their lives are not firmly founded in the solid rock Jesus Christ

*The Middle Length Discourses of the Buddha* Bodhi, 1995-11-09 The 152 discourses that form this major collection combine a rich variety of contextual settings with a deep comprehensive assortment of teachings A companion volume to *The Long Discourses of the Buddha* 1995 winner of Choice Magazine's Outstanding Academic Book Award

**The God Who Comforts** Douglas D. Webster, 2016-01-07 The God Who Comforts is a spiritual reading of Jesus upper room discipleship sermon What started out as a Passover meal became an inspiring and spiraling manifesto of comfort and challenge Jesus propels the conversation forward into our hearts and minds When Jesus got up off his knees and resumed his place of authority he framed this strategic discourse in the Truth that cannot be packaged as a consumer product or programmed to fit the secular mind Four distinct comings shape Jesus sermon in the upper room his final coming the Parousia his gift of the Spirit the Paraclete his death and resurrection the Passion and his abiding fellowship the Presence These four comings are the ways in which Jesus draws near to his disciples reassuring them that they are not alone Throughout this conversation we are in the company of the eleven hearing Jesus speak to us as he spoke to them This discourse continues to reset twenty one centuries of discipleship according to the revelation of Jesus Christ

**Mark** Robert Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review

**The Middle Length Discourses of the Buddha**, 2005-06-10 This book offers a complete translation of the Majjhima Nikaya or Middle Length Discourses of the Buddha one of the major collections of texts in the Pali Canon the authorized scriptures of Theravada Buddhism This collection among the oldest records of the historical

Buddha's original teachings consist of 152 suttas or discourses of middle length distinguished as such from the longer and shorter suttas of the other collections. The Majjhima Nikaya might be concisely described as the Buddhist scripture that combines the richest variety of contextual settings with the deepest and most comprehensive assortment of teachings. These teachings, which range from basic ethics to instructions in meditation and liberating insight, unfold in a fascinating procession of scenarios that show the Buddha in living dialogue with people from many different strata of ancient Indian society: with kings and princes, priests and ascetics, simple villagers and erudite philosophers. Replete with drama, reasoned argument and illuminating parable and simile, these discourses exhibit the Buddha in the full glory of his resplendent wisdom, majestic sublimity and compassionate humanity. The translation is based on an original draft translation left by the English scholar monk Bhikkhu Nanamoli, which has been edited and revised by the American monk Bhikkhu Bodhi, who provides a long introduction and helpful explanatory notes. Combining lucidity of expression with accuracy, this translation enables the Buddha to speak across twenty-five centuries in language that addresses the most pressing concerns of the contemporary reader seeking clarification of the timeless issues of truth, value and the proper conduct of life. Winner of the 1995 Choice Magazine Outstanding Academic Book Award and the Tricycle Prize for Excellence in Buddhist Publishing for Dharma Discourse.

**Church Together** Daniel C. Dickard, 2022-01-13 Church Together is a Christian leadership book designed to give pastors, church leaders and church members a working plan to overcome the greatest underlying threat to the church today: individualism. Through five relationships of surrender, which correlate to the five core values of the Church of We, Part One examines the three rotten fruits of individualism within the Church of Me: consumerism, pragmatism and the extremes of legalism and liberalism, and how to spot each of these problems. Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We. Church Together, for this reason, gives churches a manageable plan to defy the individualistic spirit of the age as they become the Church of We in the Age of Me.

Kuruvilla, 2012-02-24 Mark A Theological Commentary for Preachers engages hermeneutics for preaching, employing theological exegesis that enables the preacher to utilize all the narrative units of Mark to craft effective sermons. This commentary unpacks the crucial link between Scripture and application: the theology of each preaching text. The Gospel of Mark is therefore divided into twenty-five narrative units, with the theological focus of each clearly delineated. The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the book, progressively developing the theological trajectory of Mark's theme of discipleship and enabling the expositor to discover valid application for sermons. While the primary goal of the commentary is to take the preacher from text to theology, it also aids in the advance from theology to sermon by providing tips for preaching and two possible sermon outlines for each of the twenty-five units of the Gospel. The unique approach of this work results in a theology for preaching commentary that

promises to be useful for anyone teaching through Mark's Gospel with an emphasis on application      **Steps of a Disciple**  
 Steve Husting, 2018-01-20 Throughout the Gospel of Mark we find Jesus teaching His disciples how to live for Him Those teachings are ours as well that we too may learn to walk in the steps of Jesus I've applied my experience in writing hundreds of devotionals to draw out of this precious gospel over 220 lessons on how to live a life that pleases God I hold up my failures and difficulties to the light of the Word of God and show you how to rise above your own weaknesses by the love and power of God Let Jesus teach you how to surrender to Him for His victory in life is yours as well Chances are you have yet to experience a richly featured God who can handle the complexities that life throws our way Step by step let the gospel of Mark add more pieces of the puzzle to form a picture of Jesus that is rich and satisfying It's time to go beyond platitudes to a richly featured faith in the living God and Savior      *Matthew* David L. Turner, 2008-04-15 An expert on Jewish backgrounds offers a substantial commentary on Matthew in the latest addition to the Baker Exegetical Commentary on the New Testament series      **Revolutionary Churches in Revolutionary Seasons:** Dagmawi M. Wube, 2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government      The Millennial Harbinger ... , 1839

**The Making of a Disciple** Edward W. Watson, Martin M. Culy, 2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In The Making of a Disciple Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and

experience the fullness of joy that Jesus offers      **Disciple Beyond Mediocrity** Brian Byrne,2020-08-27 Disciple Beyond Mediocrity addresses the problem of mediocrity found in many churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr Byrne s examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr Byrne explores the seven characteristics of being a disciple based on the Lord s own words Denying oneself taking up his cross following the Lord forsaking attachments to all he has abiding in His word bearing much fruit and loving one another Central to his study of the life of a disciple are the twin spiritual skills living by faith and living in the Spirit with the subject that is central to both being able to hear what the Spirit is saying to the churches Dr Byrne then presents his readers with a step by step instruction on how to live by faith and includes a memorable parable that reflects his own relationship with the Lord the Garden of My Heart The final part of the book takes a leap into the future with Dr Byrne exploring four events in the life of a disciple in the end of days being caught up to meet the Lord in the air and being transformed in a brief moment of time into His immortal image giving account at the judgment seat the marriage of the bride of Christ with the Lord and the return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years The book concludes with an examination of the destiny of the Lord s disciples in the New Jerusalem that descends to the earth at the end of time There can be no doubt that Dr Byrne knows what he is writing about Each chapter bears the distinctive stamp of personal knowledge and experience This book should be required reading for all Christians for those who lead churches and for those who train leaders in colleges and universities round the world      **The great apostacy demonstrated in an exposé of anti-Christian doctrines, by a Scripture student [D.C. Morales y Durán,2024-03-31 The Majjhima Nik ya abbreviated MN or Collection of the Buddha s Intermediate Discourses is a collection of 152 discourses in the P li canon The word intermediate refers to the length of each individual discourse It contains a wide variety of teachings presented as narratives between the Buddha and a wide range of his contemporaries The collection parallels the Madhyam gama MA of the Sarv stiv da school which survives as a translation in the Chinese canon The Collection of the Buddha s Intermediate Discourses is the best known collection among the four Nik yas containing original suttas This popularity may be due to the fact that it mixes biographical anecdotes with very superficial doctrinal content as opposed to the Sa yutta Nik ya This Intermediate Collection contains scattered and undisguised apocryphal suttas of petty intentionality introduced very late which detracts from its luster and credibility However it is interesting to note the value of the biographical references for the sake of contextualizing the Buddha in the world in which he lived This first sub collection called The First Fifty contains fifty suttas and is divided into five chapters the Chapter on the Root of All Things the

Chapter on the Roar of the Lion the Chapter on Similes the Chapter on Pairs and the Minor Chapter on Pairs We can highlight in this subcollection the suttas MN 4 Fear and Awe MN 26 The Noble Quest and MN 36 Great Discourse with Saccaka which refer to the way in which the Buddha became enlightened as well as autobiographical indications about his origin who he was and the reasons why he forbade being called by his name Also relevant are MN 10 The Four Instructions of Practice MN 16 Mental Obstructions and MN 17 The Thickness of the Jungle On the spurious side MN 20 How to Stop Thinking which exposes a false technique and also highlights the suttas MN43 and MN 44 which are anachronistic catechisms that seem to be made to explain doctrine in the form of questions and answers
