Excerpt from *Reasons for Faith* In This Nineteenth Century During the last nine years as President of a College the writer has held a Lectureship of Psychology and Christian Evidences for the instruction of a Senior Class From an extensive annual course he has selected this small volume Without enfeebling the argument he has sought to transfer it from the confined air of the recitation room to the wider auditory of the Great Public About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Reasons to Reason* Nancy A. Almodovar, 2021-07-22 Apologetics What is that Isn't that for theologians and pastors These are the rebuttals one might receive when encouraging Christians to learn and engage in apologetics the defense of the Christian faith This book isn't about apologetics per se Instead it reviews the many benefits for Christians engaging in apologetics and learning about it Dr Almodovar reviews what aspects of the field helped strengthen her own faith and brought excitement in bringing the good news of the forgiveness of sins through Jesus Christ as she spoke with those who aren't Christians Over the past years Dr Almodovar has actively engaged in encouraging Christians to actually do apologetics and many have come back to her saying it not only helped them answer the questions of non believers but strengthened their own faith knowing now the great amount of evidence there is for the Christian religion If you've never engaged in defending the faith now is the time to learn how it will benefit you in your walk with Christ and perhaps excite you to dig a little deeper so you too can answer their questions about Jesus his life death and resurrection for the forgiveness of all our sins **Reasons for Faith** K. Scott Oliphint, 2006 Sets forth a Christian approach to thinking philosophically Identifies the Christian position as the consistent cogent and reasonable one offering solutions to the problems posed **Reasons We Believe (Foreword by John MacArthur)** Nathan Busenitz, 2008-07-22 *Reasons We Believe* will reinforce your personal faith and will provide you with a clear concise evangelistic tool to help you share that faith with others In an age of cynics and skeptics Christianity is constantly under attack Believers need resources that defend the veracity of their faith They are searching for clear concise and credible answers to both doubts of their own and objections from their unbelieving friends Nathan Busenitz provides such resources to believers *Reasons We Believe* confirms and strengthens the faith of believers by demonstrating the

reliability of the twofold authority on which Christianity rests the Word of God and the person of Jesus Christ Reasons builds a biblical foundation for the authority of the Bible and then shows how extra biblical evidence corresponds with and thereby attests to what the Bible claims This study seeks to reinforce the faith of Christians while also providing them with a straightforward evangelistic tool for reaching non Christians

Reasons for Faith ,2007 **Does Faith Need Reasons?** Frank Ballard,1912 *101 Good Reasons to Believe* James D. Sideras,2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two ways First it presents the case for Christianity in a friendly scholarly prose which enables readers to plainly understand each reason to believe Second these reasons are concisely structured so that within minutes readers can quickly examine each argument in light of the evidence presented 101 Good Reasons to Believe is essential reading for theists who wish to strengthen their faith in God and for nontheists who desire to critically investigate the truth claims of the Bible This book includes topics such as astronomical evidence for the existence of God evidence for creation and intelligent design refutation of Darwinian evolution the historicity of Jesus why there is human suffering if God exists the accuracy of the Bible and evidence for heaven and hell The 101 reasons presented make thought provoking and compelling reading for scholars and non scholars alike

Reasons to Believe Scott Hahn,2007-05-08 This book unravels mysteries corrects misunderstandings and offers thoughtful straightforward responses to common objections about the Catholic faith Bestselling author Scott Hahn a convert to Catholicism has experienced the doubts that so often drive discussions about God and the Church In the years before his conversion he was first a nonbeliever and then an anti Catholic clergyman In REASONS TO BELIEVE he explains the how and why of the Catholic faith drawing from Scripture his own struggles and those of other converts as well as from everyday life and even natural science Hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that God exists But He doesn t merely exist He is someone and He has a personality a personal style that is discernible and knowable Hahn leads readers to see that God created the universe with a purpose and a form a form that can be found in the Book of Genesis and that is there when we view the natural world through a microscope through a telescope or through our contact lenses At the heart of the book is Hahn s examination of the ten keys to the kingdom the characteristics of the Church clearly evident in the Scriptures As the story of creation discloses the world is a house that has a Father a palace where the king is really present God created the cosmos to be a kingdom and that kingdom is the universal Church fully revealed by Jesus Christ
