Historical Dictionary of the Friends (Quakers) Margery Post Abbott, 2011-12 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Bonnie Raitt and James Michener Quakers have left a lasting imprint on American life This multifaceted book is a concise history of the Religious Society of Friends an introduction to its beliefs and practices and a vivid picture of the culture and controversies of the Friends today The book opens with lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings that illuminate basic Quaker concepts and theology and reflect the group s diversity in the wake of the sectarian splintering of the nineteenth century Yet the book also examines commonalities among American Friends that demonstrate a fundamental unity within the religion their commitments to worship the ministry of all believers decision making based on seeking spiritual consensus rather than voting a simple lifestyle and education Thomas Hamm shows that Quaker culture encompasses a rich tradition of practice even as believers continue to debate a number of central questions Is Quakerism necessarily Christian Where should religious authority reside Is the self sacred How does one transmit faith to children How do gender and sexuality shape religious belief and behavior Hamm s analysis of these debates reveals a vital religion that prizes both unity and diversity

Quaker Religious Thought ,2003 **A Convergent Model of Renewal** C. Wess Daniels,2015-02-20 A Convergent Model of Renewal addresses a perceived crisis for faith traditions How do we continue to value tradition while allowing for innovative and contextual expressions of faith to emerge How do we foster deeper participation and decentralization of power rather than entrenched institutionalism Drawing on insights from contemporary philosophy contextual theology and participatory culture C Wess Daniels calls for a revitalization of faith traditions In A Convergent Model of Renewal he proposes a model that holds together both tradition and innovation in ways that foster participatory change This convergent model of renewal is then applied to two case studies based in the Quaker tradition one from the early part of the tradition and the second from an innovative community today The model however is capable of being implemented and adapted by communities with various faith backgrounds

The Growth and Development of Quaker Testimony, 1652-1661 and 1960-1994 Gerard Guiton,2005 Examines the historical underpinnings of contemporary Quaker approaches to conflict in Third World settings This study specifically investigates the South African Quakerism under apartheid between the Sharpeville atrocity 1960 and the South African all party elections 1994
