Why Men Marry Harold Schmitt,2006-08 *Why Men Marry* is written to address multiple reasons for men embracing the institution of marriage It is my opinion that many real life motives are not discussed or simply written off as trivial For example a man may marry to find out if love really exists The male becomes exasperated by revolving door relationships that simply demand more and more material expectations for continued involvement Exploring personal motives for marriage can produce a lifetime of growth accomplishment and personal satisfaction to the individual who is willing to invest time and energy into future rewards Marriage for convenience hinders the prospect of mutual satisfaction and the betterment of our society Better marriages will bring a healthier society It is my belief that reading concise episodes of individual lives will open a new world of discovery about yourself If you can appreciate uncovering fifty reasons why men entertain marriage then *Why Men Marry* will be a book you will want to read and give to a friend for discussion Each story can be quickly read to uncover the understanding of the male s mind for undertaking the mystery of marriage The book is designed to be read while having morning coffee or enjoying a break at the office Food for thought is what I used as a diet for this book Are you hungry for new ideas about marriage

21 Reasons why Marriage Matters William Joseph Doherty,2009

Kierkegaard and the Crisis of Faith George Pattison,2013-11-07 The standing of the Danish philosopher and religious thinker S ren Kierkegaard has gone up in recent years Yet because he regarded communication as being as much about self concealment as about self revelation he can still seem a forbidding and difficult figure The deliberate ambiguity of Kierkegaard in which he set out to repel as much as to attract his readers is here explored by George Pattison who gives full attention to the scandalous element of the philosopher s work and does not shy away from his ambivalent attitudes towards sexuality the body marriage and the family This book is unlike other nontechnical introductions to Kierkegaard in that it does not seek to promote one part of Kierkegaard s writings over others but offers rather a perspective on his life and output as a whole That Kierkegaard grappled in his own age with many of the problems which beset our own and frequently offered fascinating responses to those problems is a major

incentive to examine his thought today By placing Kierkegaard in the context of a crisis of faith and making valuable connections between events in the philosopher's life and the development of his thinking the author of this timely readable and attractively written study has produced a book which should be of interest to a wide nonspecialist readership

Spiritual Trilogy Stephen W. Hiemstra, 2018-02-16 This trilogy combines three books published previously *A Christian Guide to Spirituality* *Life in Tension* and *Called Along the Way* Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Key words for this book include Beatitudes Christianity spirituality memoir Christian memoir Jesus Bible devotion spiritual growth and faith Other books by T2Pneuma Publishers LLC include *A Christian Guide to Spirituality* 2014 *Una Gu a Cristiana a la Espiritualidad* 2015 *My Travel Through Life* 2016 *Oraciones* 2016 *Prayers* 2016 *Life in Tension* 2016 *Prayers of a Life in Tension* 2016 *Called Along the Way* 2017 See T2Pneuma.com for more details What people are saying Stephen provides a helpful accessible guide using the classic catechetical structure of the Apostles Creed the Lord's Prayer and the Ten Commandments David A Currie Gordon Conwell Theological Seminary In reference to *A Christian Guide to Spirituality* We live in a fallen world It leads to life in tension and sometimes a life full of stress Stephen Hiemstra takes us on a needed tour of the kind of character it takes to face such a life Darrell L Bock Dallas Theological Seminary In reference to *Life in Tension* Have you ever wondered if the church in America is mortally wounded Is God really dead as the infamous 1966 Time magazine cover reported This memoir offers evidence to the contrary Aaron Gordon Pastor In reference to *Called Along the Way* *The Medical Critic and Guide* William Josephus Robinson, 1923

The Moral Defense of Homosexuality Chris Meyers,2015-05-14 Chris Meyers takes the reader on a careful rational sustained criticism of arguments about the immorality of homosexuality Meyers refutes anti gay arguments by showing that they are based on unreasonable or demonstrably false ideas about the nature of morality Working through the morality arguments against homosexuality Meyers shows how the nature of morality demands impartial overriding reasons to act He argues that morality is not grounded in visceral feelings of disgust commands from the scriptures or mysterious Platonic essences In clear convincing discussion Meyers examines morality to promote the moral logic of granting rights to all people no matter their sexual orientation

Public Reason and

Political Community Andrew Lister, 2013-10-24 Public Reason and Political Community defends the liberal ideal of public reason against its critics but as a form of moral compromise for the sake of civic friendship rather than as a consequence of respect for persons as moral agents At the heart of the principle of public justification is an idealized unanimity requirement which can be framed in at least two different ways Is it our reasons for political decisions that have to be unanimously acceptable to qualified points of view otherwise we exclude them from deliberation or is it coercive state action that must be unanimously acceptable otherwise we default to not having a common rule or policy on the issue at hand Andrew Lister explores the anti perfectionist dilemma that results from this ambiguity He defends the reasons model on grounds of the value of political community and applies it to recent debates about marriage Health and Disease in Relation to Marriage and the Married State Hermann Senator, 1929 *Migration Studies* Avijit Mistri, MD SELIM REJA, Bhaswati Das, 2025-05-30 This book is an essential toolkit for students and early researchers of population studies and demography geography economics development studies political science sociology anthropology and gender studies The volume Presents in depth coverage of basic concepts Includes empirical data case studies and references for further reading Covers critical aspects of migration studies ranging from the theoretical to contemporary issues and policies The book will be of interest to scholars students researchers or anyone interested in migration and diasporic studies development studies the politics of migration immigration policy social anthropology economics and sociology **The Low Achiever in Mathematics** Donald D.
