Shaffer, 2002 This new volume looks at Fantastic Currencies money modes media **Rebecca's Reveries** Marnie L. Pehrson, 2004-01-01 Rebecca Marchant had led a sheltered life until she found herself inexplicably drawn to the home of her father's youth Surrounded by the historical landscape of the Chickamauga Battlefield in Georgia Rebecca finds herself plagued by haunting dreams and vivid visions of Civil War events As Rebecca walks a mile in another girl's moccasins through her visions and dreams she learns about compassion forgiveness temptation and the power of true love *Pure Passion* Cheryl Holt, 2019-09-10 Pure Passion is a collection of two sensational regency romance novels from The Queen of Romance bestselling author Cheryl Holt Love Lessons Abigail Weston is a resolute spinster at twenty five but is nonetheless determined to see her cherished younger sister wed to a man of Quality But Abigail's lack of experience with the opposite sex means that she cannot allay her sister's fears about the marriage bed unless she takes bold steps to learn what the intimacy between a man and woman entails Yet the one man in London qualified to teach her awakens temptation Abigail never anticipated James Stevens is wealthy dissolute and wholeheartedly bored by London society But Abigail's request for a verbal explanation of the pleasures of the flesh is mildly surprising and he experiences a powerful reaction to her innocence and beauty A sexual dalliance between them may bring untold carnal bliss but anything more would ruin Abigail forever For the first time in his life James suspects that mere physical intimacy pales in the face of true love Total Surrender Lady Sarah Compton has traveled to a country house gala for one last moment of grace and beauty after the last of her family possessions have been gambled away by her brother But she is unaware that the occasion is actually a notorious trysting event where members of the aristocracy can indulge in their every sensual fantasy and erotic whim Nor does she realize that the striking man who has stolen into her bedroom is none other than Michael Stevens a rake and the bastard son of an earl who gives and takes his pleasures boldly Michael Stevens relishes his reputation as London's most notorious seducer But he has no idea what to make of the auburn haired beauty he's nearly mistaken for a new conquest When the lady refuses to heed Michael's warning to leave the house for her own protection a powerful attraction grows and soon he longs to tutor the very proper Lady Sarah Compton in the art of passion *Eroding the Language of Freedom* Farah Ali, 2017-09-18 Let down by the uncertainties of memory language and their own family units the characters in Harold Pinter's plays endure persistent struggles to establish their own identities Eroding the Language of Freedom re-examines how identity is shaped in these plays arguing that the characters' failure to function as active members of society speaks volumes to Pinter's ideological preoccupation with society's own inadequacies Pinter described himself as addressing the state of the world through his plays and in the linguistic games emotional balancing acts and recurring scenarios through which he put his characters readers and audiences can see how he perceived that world *Under the Gallows of Zoto's Brothers* Zbigniew Białas, 2001

New Chronicles of Rebecca Kate Douglas Smith Wiggin, 2023-08-12 In *New Chronicles of Rebecca* Kate Douglas Smith Wiggin extends the beloved adventures of Rebecca Randall the spirited and imaginative girl from the earlier work *Rebecca of Sunnybrook Farm*. Written in a rich lyrical style that blends whimsical humor with poignant reflections, this sequel invites readers into the pastoral landscape of New England where Rebecca's unyielding optimism and creativity come to life. Wiggin weaves a tapestry of episodic narratives that reflect themes of childhood friendship and community, shedding light on the transition from girlhood to young adulthood against the backdrop of societal expectations during the late 19th century. Kate Douglas Smith Wiggin, a prominent author and educational reformer, was deeply influenced by her own experiences as a teacher and her passion for children's literature. Having founded a training school for kindergarten teachers, Wiggin was dedicated to exploring the inner lives of children, and her affinity for storytelling was nurtured by her upbringing in a tight-knit family-oriented environment. Her ability to capture the essence of childhood wonder and challenge through relatable characters is evident throughout the narrative. Readers who cherish tales steeped in nostalgia and gentle humor will find *New Chronicles of Rebecca* an enchanting addition to American literature. Wiggin's insights into the complexities of growing up resonate across generations, making this work a must-read for anyone who appreciates the interplay of joy and hardship in the journey toward maturity.
