

REBEL BRASS

The Confederate Command System

by FRANK VANDIVER

Introduction by
T. HARRY WILLIAMS

LOUISIANA STATE UNIVERSITY PRESS

Rebel Brass The Confederate Command Syst

J. Cutler Andrews

Rebel Brass The Confederate Command Syst:

Rebel Brass Frank E. Vandiver, 1969 Paperbound reprint of a slim work first published in 1956 and cited in BCL3 The author describes the Confederate high command and analyzes the figures who dominated the system finding that it was the nature of the southern character and culture that spelled doom for the Confederate cause Annotation copyright by Book News Inc Portland OR *Rebel Brass* Frank Everson Vandiver, 1956 **Rebel Brass. The Confederate Command System, Etc. [With Plates, Including Portraits.].** Frank Everson Vandiver, 1956 *A Companion to the U.S. Civil War, 2 Volume Set* Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory Civil War Day by Day E.B. Long, 2012-06-06 In all the vast collection of books on the American Civil War there is no book like this one says Bruce Catton Never before has such a stunning body of facts dealing with the war been gathered together in one place and presented in a coherent useful day by day narrative And never before have statistics revealed human suffering of such heroic and tragic magnitude The text begins in November 1860 and ends with the conclusion of hostilities in May 1865 and the start of reconstruction It is designed to furnish the reader not only with information but to tell a story Here in addition to the momentous events that are a familiar part of our history the daily entries recount innumerable lesser military actions as well as some of the other activities and thoughts of men great and unknown engaged in America s most costly war May 5 1864 a private in the Army of Northern Virginia writes at the beginning of the Battle of the Wilderness It is a beautiful spring day on which all this bloody work is being done May 6 1864 Gen Lee rides among his men and is shouted to the rear by his protective troops April 30 1864 Joe David five year old son of the Confederate President dies after a fall from the high veranda of the White House in Richmond April 14 1865 President Lincoln s busy day includes a Cabinet meeting where he tells of his recurring dream of a ship moving with great rapidity toward a dark and indefinite shore that night Mr Lincoln attends a performance of a trifling comedy at Ford s Theatre Our American Cousin **John Jones Pettus, Mississippi fire-eater** Robert W. Dubay, 1975 A Mexican View of America in the 1860s Matías Romero, 1991 This book compiled and translated from the writings of Matias Romero Mexican charge and minister during the 1860 67 period offers the insightful commentaries of a foreign diplomat who resided in the United States during the secession crisis the Civil War and reconstruction The Life and Wars of Gideon J. Pillow Nathaniel Cheairs Hughes, Roy P. Stonesifer, 1993 Commonly portrayed in Civil War literature as a bungling general who disgraced himself at Fort Donelson Gideon Johnson Pillow 1806 78 is one of the most controversial military figures of nineteenth century America In this first full length biography **Why**

The North Won The Civil War David Herbert Donald, 2015-11-06 WHY THE SOUTH LOST What led to the downfall of the Confederacy The distinguished professors of history represented in this volume examine the following crucial factors in the South's defeat ECONOMIC RICHARD N. CURRENT of the University of Wisconsin attributes the victory of the North to fundamental economic superiority so great that the civilian resources of the South were dissipated under the conditions of war MILITARY T. HARRY WILLIAMS of Louisiana State University cites the deficiencies of Confederate strategy and military leadership evaluating the influence on both sides of Baron Jomini a 19th century strategist who stressed position warfare and a rapid tactical offensive DIPLOMATIC NORMAN A. GRAERNE of the University of Illinois holds that the basic reason England and France decided not to intervene on the side of the South was simply that to have done so would have violated the general principle of non intervention to which they were committed SOCIAL DAVID DONALD of Columbia University offers the intriguing thesis that an excess of Southern democracy killed the Confederacy From the ordinary man in the ranks to Jefferson Davis himself too much emphasis was placed on individual freedom and not enough on military discipline POLITICAL DAVID M. POTTER of Stanford University suggests that the deficiencies of President Davis as a civil and military leader turned the balance and that the South suffered from the lack of a second well organized political party to force its leadership into competence

America's Civil War Brian Holden Reid, 2009-12-02 Civil War historian Reid examines in depth the operational military history during the first three years of America's Civil War In particular he focuses on generalship command decisions strategy and tactics as well as the experiences of ordinary soldiers

South Reports the Civil War J. Cutler Andrews, 2015-03-08 For the newspaper profession the problems confronted in reporting the Civil War were as catalytic as the war itself was for American society Many of the problems encountered in reporting later wars were present in the Civil War but they were new problems then communications transportation Federal confiscation of printing presses censorship military personalities and after mid 1863 how to tell a proud people that it was losing the war Professor Andrews author of *The North Reports the Civil War* 1955 now turns his attention to the South He shows that Southern war reporting at its best was comparable in quality to that of the leading Northern war correspondents that the reporting of news by the Southern press was an essential ingredient not simply of journalism but also of the Confederate propaganda effort and that the South's newsmen contributed to the revolution of a profession an industry and a form of human communication Originally published in 1970 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Civil War Bookshelf Robert Wooster, 2005-06 The Civil War continues to capture the public's imagination as evidenced by the popularity of the Ken Burns documentary The

Civil War and recent bestsellers like Charles Frazier's *Cold Mountain* **The Civil War Centennial Handbook** William H. Price, 2022-08-10 William H Price's *The Civil War Centennial Handbook* is an intricate examination of one of America's most tumultuous periods the Civil War Beyond the well trodden paths of battle narratives and campaign studies this work delves into the vibrant mosaic of lesser known facts and colorful fragments that reveal the war's human aspect and the incredible industrial effort behind the Union's armament production The book's structure a compendium of anecdotal history visual documentation and detailed appendices brings together a collection of rare anecdotes graphical content from the National Archives and the Library of Congress and meticulous reference materials offering both scholars and enthusiasts a unique perspective on the war that shaped the nation Its literary style nestled in the didactic tradition with scholarly precision enriches the historical context and enhances our understanding of the era's complexity and the war's omnipresent influence on American legacy William H Price's intellectual dedication to Civil War studies is evident throughout his masterful curation of the *The Civil War Centennial Handbook* The author influenced by the centennial reflection on the conflict has meticulously assembled a work that serves as both a memorial and a guide for contemporary and future scholars Price's scholarly pursuit likely driven by a deep seated reverence for history's lessons and a commitment to educational dissemination has resulted in a book that not only informs but also pays homage to the intricate tapestry of wartime experiences and ingenuity This narrative journey is an embodiment of the author's endeavor to construct a palpable connection to the era's trials and triumphs through an extensive array of sources Recommended for history buffs academics and the general reader with an interest in the American Civil War *The Civil War Centennial Handbook* by William H Price offers a distinctive and deeply researched perspective on an epoch defining conflict The book is especially valuable for those seeking to expand their understanding beyond major events to include the myriad elements that defined the war's true breadth Through Price's meticulous research and evocative presentation this handbook emerges as an indispensable resource inviting readers not only to learn about but to viscerally experience through a treasure trove of historical artifacts the indelible mark left by the Civil War on America's national identity **Jefferson Davis's Generals** G. S. Boritt, 2000 The relationships between Confederate President Jefferson Davis and five key generals during the Civil War are examined [The Yankee Plague](#) Lorien Foote, 2016-10-05 During the winter of 1864 more than 3 000 Federal prisoners of war escaped from Confederate prison camps into South Carolina and North Carolina often with the aid of local slaves Their flight created in the words of contemporary observers a Yankee plague heralding a grim end to the Confederate cause In this fascinating look at Union soldiers flight for freedom in the last months of the Civil War Lorien Foote reveals new connections between the collapse of the Confederate prison system the large scale escape of Union soldiers and the full unraveling of the Confederate States of America By this point in the war the Confederacy was reeling from prison overpopulation a crumbling military violence from internal enemies and slavery's breakdown The fugitive Federals moving across the countryside in mass numbers Foote

argues accelerated the collapse as slaves and deserters decided the presence of these men presented an opportune moment for escalated resistance Blending rich analysis with an engaging narrative Foote uses these ragged Union escapees as a lens with which to assess the dying Confederate States providing a new window into the South's ultimate defeat [Special Bibliography Series](#) ,1957 *American Military History* Daniel K. Blewett,2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums **Leaders of the American Civil War** Charles F. Ritter,Jon L. Wakelyn,2014-01-27 Provides an overview of the careers of the great military leaders and the critical political leaders of the American Civil War Entries consider the leader's character and pre war experience their contributions to the war effort and the war's impact on the rest of their lives An assessment of their historical treatment puts their long term reputations on the line and results in a thorough revision of some leaders a call for further study of others and a reaffirmation of the accomplishments of the greatest leaders **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend,US Army Military History Institute,1982 *Robert E. Lee* David J. Eicher,2002 Robert E Lee offers both a succinct biography and the definitive collection of nearly 350 photographs important paintings original engravings artifacts and significant documents pertaining to the Confederate general Although the Civil War years are emphasized Lee's early years the Mexican War and the postwar years in Lexington are amply explored

Getting the books **Rebel Brass The Confederate Command Syst** now is not type of challenging means. You could not lonely going considering books deposit or library or borrowing from your associates to approach them. This is an categorically easy means to specifically acquire guide by on-line. This online statement Rebel Brass The Confederate Command Syst can be one of the options to accompany you past having other time.

It will not waste your time. receive me, the e-book will very space you extra issue to read. Just invest little epoch to approach this on-line statement **Rebel Brass The Confederate Command Syst** as well as evaluation them wherever you are now.
