

KEVIN TOOLIS

REBEL HEARTS

"The rebel heart is as romantic as it is violent, and Toolis has captured its pulse in prose that often approaches poetry."

—*The San Francisco Chronicle*

Journeys Within the
IRA's Soul

Rebel Hearts Journeys Within The Iras

C. Drake

Rebel Hearts Journeys Within The Iras:

Rebel Hearts Kevin Toolis, 2015-07-07 For ten years Kevin Toolis investigated the lives of the IRA soldiers who wage a secret battle against the British State His journeys took him from the back kitchens of Belfast where men joked while making two thousand pound bombs to prisons for interviews with men serving life sentences and to the graveyards where mourners weep Each chapter explores a world where history faith and human savagery determine life and death At once moving and harrowing **Rebel Hearts** is the most authoritative and insightful book ever written on the IRA **Why Humans Fight** Siniša Malešević, 2022-10-06 Male evi offers a novel sociological answer to the age old question Why do humans fight Instead of focusing on the motivations of solitary individuals he emphasises the centrality of the social and historical contexts that make fighting possible He argues that fighting is not an individual attribute but a social phenomenon shaped by one s relationships with other people Drawing on recent scholarship across a variety of academic disciplines as well as his own interviews with the former combatants Male evi shows that one s willingness to fight is a contextual phenomenon shaped by specific ideological and organisational logic This book explores the role biology psychology economics ideology and coercion play in one s experience of fighting emphasising the cultural and historical variability of combativeness By drawing from numerous historical and contemporary examples from all over the world Male evi demonstrates how social pugnacity is a relational and contextual phenomenon that possesses autonomous features **Hunger Strike** Thomas Hennessey, 2013-11-11 xx

Terror Attack Brighton Kieran Hughes, 2014-10-30 The Brighton bombing in 1984 was the most audacious terrorist attack ever on the British Government Certainly it was the most ambitious since the Gunpowder plot of 1605 The Provisional I R A detonated a bomb at the Grand Hotel on 12th October 1984 Most of the Government were staying at the hotel at the time The Conservative party was holding its annual conference in the town Five people were killed in the explosion and more than thirty were injured It came very close to wiping out most of the Government including the Prime Minister Margaret Thatcher The I R A s Patrick Magee had booked into the Grand Hotel under the false name of Roy Walsh about a month before He planted a bomb with a long delay timer hidden under a bath in one of the rooms He was given eight life sentences for the crime but released from prison in 1999 under the Good Friday Agreement He served just fourteen years behind bars It was one of two IRA bombs aimed directly at the collective Government of the day The other was in February 1991 when at the height of the Gulf War security alert the I R A fired a mortar bomb directly at Downing Street The War Cabinet was in session to discuss the threat from Saddam Hussein The bomb was only yards from hitting the Prime Minister and his senior colleagues The Grand Hotel bombing and the Downing Street bombing were different to the IRA s other attacks They were aimed directly at the heart of the democratically elected Government of the day particularly the Prime Minister and Cabinet Other IRA bombings either caused greater loss of life resulted in more injuries or were of a far greater financial cost For example attacks at Omagh in 1998 killed twenty eight the explosion in the City in London in 1993 cost one billion pounds and

the Manchester Shopping Centre bomb in 1996 saw two hundred people hurt Devastating as these attacks were it can be argued that they were aimed at getting attention disrupting democracy costing the country money and bullying their way to the political decision making process *Brits* Peter Taylor,2014-05-29 The third part of the trilogy documenting modern day Northern Ireland by the author of *Provos* and *Loyalists* In the final part of his trilogy exploring The Troubles in Northern Ireland Peter Taylor talks to undercover agents of the British state and reveals for the first time the hidden secrets of the war they waged against the IRA for thirty years *PROVOS* and *LOYALISTS* told the story of the conflict from the point of view of the Republicans and Loyalists now the story with all its tragic twists and turns is told from the British perspective For the first time undercover soldiers Special Branch officers and a top MI6 agent step out of the shadows and along with the Whitehall mandarins who helped shape policy from Westminster tell their stories PRAISE FOR PETER TAYLOR Only a journalist of Peter Taylor's standing could have persuaded people from all sides in the conflict to cooperate in such a manner The result was a first rate piece of journalism It was also first rate history Guardian *Say Nothing* Patrick Radden Keefe,2020-02-25 NEW YORK TIMES BESTSELLER NOW AN FX LIMITED SERIES STREAMING ON HULU NATIONAL BOOK CRITICS CIRCLE AWARD WINNER From the author of *Empire of Pain* a stunning intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions One of The New York Times's 20 Best Books of the 21st Century A Kirkus Reviews Best Nonfiction Book of the Century A Los Angeles Times Best Nonfiction Book of the Last 30 Years Masked intruders dragged Jean McConville a 38 year old widow and mother of 10 from her Belfast home in 1972 In this meticulously reported book as finely paced as a novel Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland Interviewing people on both sides of the conflict he transforms the tragic damage and waste of the era into a searing utterly gripping saga New York Times Book Review Reads like a novel Keefe is a master of narrative nonfiction An incredible story Rolling Stone A Best Book of the Year The New York Times The Washington Post The Wall Street Journal TIME NPR and more Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as The Troubles Everyone in the neighborhood knew the IRA was responsible But in a climate of fear and paranoia no one would speak of it In 2003 five years after an accord brought an uneasy peace to Northern Ireland a set of human bones was discovered on a beach McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress with so many kids she had always kept it handy for diapers or ripped clothes Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war a war whose consequences have never been reckoned with The brutal violence seared not only people like the McConville children but also IRA members embittered by a peace that fell far short of the goal of a united Ireland and left them wondering whether the killings they committed were not justified acts of war but simple murders From radical and impetuous IRA terrorists such as Dolours Price who when she was barely

out of her teens was already planting bombs in London and targeting informers for execution to the ferocious I R A mastermind known as The Dark to the spy games and dirty schemes of the British Army to Gerry Adams who negotiated the peace but betrayed his hardcore comrades by denying his I R A past Say Nothing conjures a world of passion betrayal vengeance and anguish *Agents of Influence* Aaron Edwards,2021-04-09 Recruited by British Intelligence to infiltrate the IRA and Sinn F in during the height of the Northern Ireland Troubles they were agents of influence With codenames like INFLICTION STAKEKNIFE 3007 and CAROL these spies played a pivotal role in the fight against Irish republicanism Now for the first time some of these agents have emerged from the shadows to tell their compelling stories *Agents of Influence* takes you behind the scenes of the secret intelligence war which helped bring the IRA s armed struggle to an end Historian Aaron Edwards the critically acclaimed author of *UVF Behind the Mask* explains how the IRA was penetrated by British agents with explosive new revelations about the hidden agendas of prominent republicans like Martin McGuinness and Freddie Scappaticci and lesser known ones like Joe Haughey and John Joe Magee Bringing to light recently declassified TOP SECRET documents and the firsthand testimonies of agents and their handlers Edwards reveals how British Intelligence gained extraordinary access to the IRA s inner circle and manipulated them into engaging with the peace process With new insights into the spy masters behind the scenes their strategies and tactics and Britain s international intelligence network in Northern Ireland Europe and beyond *Agents of Influence* offers a rare and shocking glimpse into the clandestine world of secret agents British intelligence strategy and the betrayal at the heart of militant Irish republicanism during the vicious decades of the Troubles *Times of Troubles* Andrew Sanders,2012-05-02 How The Troubles in Ulster defined the Scottish and British military experience post WW2 **'The Age-Old Struggle'** Jack Hepworth,2021-09-15 This is a wide ranging analysis of the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Engaging a vast array of hitherto unused primary sources alongside original and re used oral history interviews *The Age Old Struggle* draws upon the words and writings of more than 250 Irish republicans This book scrutinises the movement s historical and contemporary complexity the variety of influences within Irish republicanism and divergent republican responses at pivotal moments in the conflict Yet it also assesses the centripetal forces which connected republican organisations through decades of struggle Across five thematic chapters *The Age Old Struggle* offers new insights into republicanism s multi layered interactions with the global 68 tactical and strategic change revolutionary socialism feminism and religion Drawing on political periodicals ephemera and interviews with activists throughout the ranks of several republican groups the book roots its analysis in republicanism s temporal and spatial complexity It contends that the cultural significance of place interactions with class and revolutionary politics and shifting intra movement networks are essential to understanding the movement s dynamics since 1969 *Provisional Irish Republican Army and the Morality of Terrorism* Timothy Shanahan,2008-12-18 Is terrorism ever morally justified How should historical and cultural factors be taken into

account in judging the morality of terrorist acts What are the ethical limits of state counter terrorism For three decades the Provisional Irish Republican Army waged an armed struggle against what it considered to be the British occupation of Northern Ireland To its supporters the IRA was the legitimate army of Ireland fighting to force a British withdrawal as a prelude to the reunification of the Irish nation To its enemies the IRA was an illegal fanatical terrorist organization whose members were criminals willing to sacrifice innocent lives in pursuit of its ideological obsession At the centre of the conflict were the then unconventional tactics employed by the IRA including sectarian killings political assassinations and bombings that devastated urban centres tactics that have become increasingly commonplace in the post 9 11 world This book is the first detailed philosophical examination of the morality of the IRA's violent campaign and of the British government's attempts to end it Written in clear accessible prose it is essential reading for anyone wishing to acquire a deeper understanding of one of the paradigmatic conflicts of the late 20th century

Armed Struggle Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes *Black and Green* Brian Dooley, 1998 An excellent book Irish Voice New York Ties between political activists in Black America and Ireland span several centuries from the days of the slave trade to the close links between Frederick Douglass and Daniel O'Connell and between Marcus Garvey and Eamon de Valera This timely book traces those historic links and examines how the struggle for black civil rights in America in the 1960s helped shape the campaign against discrimination in Northern Ireland The author includes interviews with key figures such as Angela Davis Bernadette McAliskey and Eamonn McCann *Informal Criminal Justice* Dermot Feenan, 2018-02-06 This title was first published in 2002 This volume explores conceptual debates and provides contemporary research in the field of informal criminal justice including chapters on paramilitary punishment and post cease fire restorative justice schemes in Northern Ireland post apartheid vigilantism in South Africa and informal crime management in England

Bandit Country Toby Harnden, 2024-04-18 A NEW EDITION OF ONE OF THE MOST CELEBRATED BOOKS ON THE TROUBLES Branded as Bandit Country by the British government South Armagh was the heartland of the Provisional IRA It was the rebel Irish stronghold where Thomas Slab Murphy reigned supreme bomb attacks on England were planned and the

SAS tracked the IRA snipers who hunted British soldiers In this acclaimed and remarkable book originally published in 1999 Toby Harnden winner of the Orwell Prize brings to bear his skills as a fearless journalist inspired investigator and gifted historian threatened with imprisonment for protecting his sources in Northern Ireland but undeterred He draws on secret documents and unsparing interviews with key protagonists on both sides to produce perhaps the most compelling and essential account of the IRA and the Troubles

Rules for Rebels Max Abrahms,2018-09-04 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there s a science to victory in militant history But even rebels must follow rules

Bloody Sunday Ian Hearn,2021-12-15 Fifty years on a compelling new perspective on one of the most violent and controversial events of The Troubles in Northern Ireland

Terrorist Informers in Northern Ireland Samantha Newbery,2024-10-21 By using informers to provide intelligence on terrorism the security and intelligence agencies who handle them gain knowledge of their offences Charges may then be brought against them provided evidence supports this course of action But if imprisoned an informer no longer has access to the time sensitive potentially life saving intelligence they once had There is therefore a tension between continuing to use an informer to provide intelligence on terrorism and upholding the law This tension is at the heart of this book *Terrorist Informers in Northern Ireland* analyses prominent terrorist informers such as Agent Stakeknife and lesser known examples who collectively were active throughout Northern Ireland from the 1970s to the present It looks at both those involved with republican groups and with loyalist groups and also those working for the police the armed forces and MI5 Valuable pieces of the puzzle are unearthed in sources such as court judgments official reports and in interviews conducted by the author The book also analyses the way successive governments the police the armed forces and MI5 have addressed the regulation of terrorist informers involvement in criminality as well as allegations of collusion between informers on one hand and the security and intelligence agencies on the other Accordingly the book also assesses the varied retrospective investigations into the use of terrorist informers and therefore the competing needs for secrecy and transparency As Samantha Newbery s research here shows although there is a tension between intelligence and the law this can be successfully navigated

Historical Dictionary of Ireland Frank A. Bilezikian,2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously

that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland

To Serve the Enemy Shane Darcy, 2019-09-26 A constant yet oftentimes concealed practice in war has been the use of informers and collaborators by parties to an armed conflict Despite the prevalence of such activity and the serious and at times fatal consequences that befall those who collaborate with an enemy international law applicable in times of armed conflict does not squarely address the phenomenon The recruitment use and treatment of informers and other collaborators is addressed only partially and at times indirectly by international humanitarian law In this book Shane Darcy examines the development and application of the relevant rules and principles of the laws of armed conflict in relation to collaboration With a primary focus on international humanitarian law as may be applicable to various forms of collaboration the book also offers an assessment of the relevance of international human rights law

Terrorists' Target Selection C. Drake, 1998-08-26 The author examines the factors which influence terrorists target selection In particular he looks at the influence of the ideologies strategies and tactics of terrorist groups and describes how these are restricted by the terrorists resources by protective and anti terrorist measures by the society within which the terrorists operate and by the nature of the terrorists and their supporters He concludes that terrorists target selection is often both explicable and logical

The book delves into Rebel Hearts Journeys Within The Iras. Rebel Hearts Journeys Within The Iras is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Rebel Hearts Journeys Within The Iras, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Rebel Hearts Journeys Within The Iras
- Chapter 2: Essential Elements of Rebel Hearts Journeys Within The Iras
- Chapter 3: Rebel Hearts Journeys Within The Iras in Everyday Life
- Chapter 4: Rebel Hearts Journeys Within The Iras in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Rebel Hearts Journeys Within The Iras. The first chapter will explore what Rebel Hearts Journeys Within The Iras is, why Rebel Hearts Journeys Within The Iras is vital, and how to effectively learn about Rebel Hearts Journeys Within The Iras.

3. In chapter 2, the author will delve into the foundational concepts of Rebel Hearts Journeys Within The Iras. The second chapter will elucidate the essential principles that need to be understood to grasp Rebel Hearts Journeys Within The Iras in its entirety.

4. In chapter 3, the author will examine the practical applications of Rebel Hearts Journeys Within The Iras in daily life. This chapter will showcase real-world examples of how Rebel Hearts Journeys Within The Iras can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Rebel Hearts Journeys Within The Iras in specific contexts. This chapter will explore how Rebel Hearts Journeys Within The Iras is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, the author will draw a conclusion about Rebel Hearts Journeys Within The Iras. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Rebel Hearts Journeys Within The Iras.

Rebel Hearts Journeys Within The Iras Introduction

In today's digital age, the availability of Rebel Hearts Journeys Within The Iras books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rebel Hearts Journeys Within The Iras books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rebel Hearts Journeys

Within The Iras books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rebel Hearts Journeys Within The Iras versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rebel Hearts Journeys Within The Iras books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rebel Hearts Journeys Within The Iras books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rebel Hearts Journeys Within The Iras books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rebel Hearts Journeys Within The Iras books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rebel Hearts Journeys Within The Iras books and manuals for download and embark on

your journey of knowledge?

FAQs About Rebel Hearts Journeys Within The Iras Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
