Confessions of a Rebel Angel Timothy Wyllie, 2012-09-28 A rebel angel's observations from her half million years on Earth and her perspective on the spiritual journey of her human charge Explains the hidden motivations behind Lucifer's angelic rebellion 203 000 years ago and watcher Georgia's participation in it Explores the benevolent intentions of the Multiverse both in quarantining our planet to contain the rebellion and in now allowing our return Describes how the coming spiritual transition will be gentle and our future positive More than two hundred millennia ago the high angel Lucifer launched a revolution among the angelic hierarchy which led to the quarantine of 37 planets including our own from the rest of the Multiverse Now after eons of isolation the rebel angels are being redeemed and we are being welcomed back into the benevolent and caring Multiverse with a massive transformation of consciousness and a reconnection to our celestial destiny Writing through Timothy Wyllie rebel angel Georgia describes her half a million years stationed on Earth as a watcher Arriving 500 000 years ago as part of the first angelic expedition to Earth sent here to prepare the indigenous inhabitants for higher consciousness she details the archaic roots of humanity and explains the connections between the 7 dimensions of intelligent life and the chakras as well as how beauty and creativity are vehicles for angelic inspiration Interweaving her story with parallel observations of Wyllie's youth in World War II England and his spiritual journey beginning with the Process Church Georgia explains the motivations

behind Lucifer's uprising and the lasting impact it has had among the angels on Earth and on humanity's natural spiritual development. Revealing that there are more than 90 million rebel angels currently incarnated on Earth, almost all of whom are unaware of their previous celestial lives, Georgia explains how this is their opportunity to personally redeem the past and contribute their particular talents to the world. She calls on all of us, especially these incarnate angels, to wake up to who we truly are and embrace our spiritual heritage as earthly vessels for God's presence. In this way, we can prepare for the imminent transformation of global consciousness and embrace the astonishing and wondrous destiny facing our world.

All the Names in Heaven Larry Isitt, 2002-06-20. All the Names in Heaven lists and highlights more than 2200 names and nearly 250 similes that appear in each book of Milton's epic. Divided into three sections, this volume offers readers a comprehensive overview of the names and similes, including the number and percentages for each type. Isitt catalogs all the names in Paradise Lost, listed book by book as well as chapters devoted exclusively to one name, i.e. the Son, the Father, as well. Tables illustrate the number of similes, the types of similes, speakers who use the similes, and the number of similes that occur in each location, such as Heaven or Hell.

What Happened on the Cross Nick Peros, 2020-08-07. What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross, showing that the Penal Substitution view, common since the 1500s, does not have a biblical basis and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation, and What Happened on the Cross shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation, above all showing clearly that the cross had nothing to do with punishment for sins; our sins were never punished upon the cross; rather, our sins were forgiven. Understanding how salvation was accomplished upon the cross and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice, as well as liberates our hearts towards him.

The Bible Predicts the Mandela Effect Steve Adams. Have you heard of Dead Humanity theory? It says that humanity died on 21 December 2012, exactly as predicted by the Mayans. This might come as a big surprise to you, given that you no doubt believe you are very much alive. But are you? Haven't you noticed that things have been getting seriously weird in the last few years? Things don't seem to be as real as they used to be. We seem to be in some fantasy world, getting more bizarre by the second. People are behaving extremely oddly. Have we all actually become ghosts, and just didn't realize we actually died? Dead Humanity theory says that 21 December 2012 was actually when we were uploaded overnight into a technological Singularity and became part of an amazing simulation, a true Matrix. Our bodies became avatars so realistic we couldn't tell the difference, or we were programmed not to see any difference. We were given a new reality principle, which was to accept the simulation as reality.

and to believe we had always been in this reality when in fact we only entered it a few years ago Our memories were adjusted by the Readjustment Bureau to make everything seem normal In the years leading up to the Death of Humanity many people were subjected to various test experiments to prove the concept They had their consciousness uploaded to the Singularity then back again Since they experienced different things in the Simulation they ended up with conflicting memories This all became known as the Mandela effect Some people in the simulation realized that things had changed dramatically and they came up with the Dead Internet theory which said that the Internet wasn't the same as it used to be It had actually died and been replaced by an Internet controlled by AI algorithms and bots Most content on the Internet was bot generated Most social media updates were by bots We were responding to a bot created world that had less and less need for humans These people hadn't got quite the right theory It wasn't the Internet that had died it was humanity However these people had powerfully intuited that something phenomenally strange was going on They just hadn't realized how strange As Sir Arthur Eddington said Not only is the universe stranger than we imagine it is stranger than we can imagine When in doubt consult the Bible It has all the answers God's answers What people have failed to realize is that the Bible itself predicts the Mandela effect

Essays and Pensées on Milton and Camus Ethan Lewis, 2023-07-28 This book comprises an extensive series of analyses which span the respective oeuvres of these surprisingly paired world literary masters The poet and novelist philosopher though treated separately nevertheless prove complementary book fellows Notably both espouse and practice a vigilant attentiveness the obligation to strive for good by one's lights and to create lest history repeat and on rare occasions a duty to engage in moral contradiction for a higher cause though only after the most scrupulous reflection This book presents the ingenious artistry of both writers and further proves their contemporary relevance as well as giving readers the ability to look at the works of Milton and Camus through a new lens

The Death of Jesus in Matthew Catherine Sider Hamilton, 2017-06-16 In this book Catherine Sider Hamilton introduces a new lens through which to view the death of Jesus in Matthew Using the concept of innocent blood she situates the death of Jesus within a paradigm of purity and pollution one that was central in the Hebrew Scriptures and early Judaism from the Second Temple to the rabbis Hamilton traces the theme of innocent blood in Matthew's narrative in relation to two Jewish traditions of interpretation one in Second Temple literature reflecting on the story of Cain and Abel the other chiefly in rabbinic literature on the blood of Zechariah Innocent blood yields a vision that resists the dichotomies intra muros vs extra muros rejection vs redemption that have characterized the debate a vision in which both judgment and redemption an end of exile may be true Innocent blood offers a new approach not only to the meaning of Jesus' death in Matthew but also to the vexed question of the Gospel's attitude toward contemporary Judaism
