Rebellion In Kildare 1790-1803

**Claudia Nelson, Julie-Marie
Strange, Susan B Egenolf**

Rebellion In Kildare 1790-1803:

Rebellion in Kildare, 1790-1803 Liam Chambers, 1998 The period from 1790 to 1803 one of upheaval and turbulence has witnessed a surge in historical interest in the past two decades This study examines the politicisation and rebellion in County Kildare During the 1790s a vocal liberal establishment centered on the Duke of Leinster Catholic and reformist politics militant Defenderism and a large United Irish society involving prominent liberals all of which contributed to the politicisation of the Kildare populace Against this background a faction loyal to the Dublin government attempted to stabilize and secure the county with the increasing support of the administration The 1798 rebellion engulfed Kildare lasting two months and involving thousands of rebels After initial success it evolved into a fugitive war centered on the Bog of Allen where rebels held government forces at bay for weeks During the post rebellion period radicalism persisted at a local level and thousands of Kildare men were prepared to participate in Emmet's rebellion in 1803 In examining Kildare in this period the study seeks to contribute to the wider debate on the forces of radicalism and reaction which polarized Irish society in the 1790s Publisher description

The War of Independence in Kildare James Durney, 2013-07-08 The Kildare IRA was heavily outnumbered by crown forces and had neither the manpower nor weaponry to seriously challenge them With about 300 activists in County Kildare and only about a third of them ready to take to the field at one time they faced nearly 6 000 troops and hundreds of police and Black and Tans However the county was an important axis for intelligence gathering and communications to the south and west and it is here Kildare made its greatest impact The open flat plains of Kildare militated against ambushes while its proximity to the capital also inhibited the Kildare Volunteers Nevertheless there was a strong revolutionary element in the county The book looks at the group of Volunteers who followed the railway track into Dublin to partake in the 1916 Rising and details attacks at Greenhills Maynooth and Barrowhouse The author also examines the Rath internment camp in the Curragh reaction in the county to the Truce and Treaty and the eventual split in the republican movement in the lead up to civil war This comprehensive account will be a valuable addition to literature on this formative period in Ireland's history

In the wake of the great rebellion James Patterson, 2013-07-19 On Monday 19 September 1803 the most significant trial in the history of Ireland took place in Dublin At the dock stood a twenty five year old former Trinity College student and doctor's son His name was Robert Emmet and he was standing trial for heading a rebellion on 23 July 1803 The iconic power of Robert Emmet in Irish history cannot be overstated Emmet looms large in narratives of the past yet the rebellion which he led remains to be fully contextualised Patterson's book repairs this omission and explains the complex process of politicisation and revolutionary activity extending into the 1800s He details the radicalisation of the grass roots their para militarism and engagement in secret societies Drawing on an intriguing range of sources Patterson offers a comprehensive insight into a relatively neglected period of history This work is of particular significance to undergraduate and post graduate students and lecturers of Irish history

Rebellion in Wicklow Joseph Holt, 1998 Published for the first

time this is the account in his own words of one of the most active of all the United Irish military leaders Joseph Holt was about 40 years old at the time of the 1798 rebellion A comfortably off tenant farmer he threw in his lot with the rebels more out of a sense of grievance than for idealistic reasons He came to the fore after the main Wexford battles as captain colonel and general and successfully operated as a guerrilla leader from the shelter of the Wicklow mountains He held out long after the main rebellion had ended before surrendering to the authorities in November 1798 He was deported but eventually returned to Ireland A sanitised version of his memoirs was published in 1838 This new edition is the first full and accurate transcript of the Irish part of his memoirs Publisher description

A Global History of Execution and the Criminal Corpse Richard Ward,2015-09-27 Through studies of beheaded Irish traitors smugglers hung in chains on the English coast suicides subjected to the surgeon s knife in Dresden and the burial of executed Nazi war criminals this volume provides a fresh perspective on the history of capital punishment The chapters Introduction A Global History of Execution and the Criminal Corpse and The Gibbet in the Landscape Locating the Criminal Corpse in Mid Eighteenth Century England are open access under a CC BY 4 0 license

Southern Irish Loyatism, 1912-1949 Brian Hughes,Conor Morrissey,2020 This book brings together new research on loyalism in the 26 counties that would become the Irish Free State It covers a range of topics and experiences including the Third Home Rule crisis in 1912 the revolutionary period partition independence and Irish participation in the British armed and colonial service up to the declaration of the Republic in 1949 The essays gathered here examine who southern Irish loyalists were what loyalism meant to them how they expressed their loyalism their responses to Irish independence and their experiences afterwards The collection offers fresh insights and new perspectives on the Irish Revolution and the early years of southern independence based on original archival research It addresses issues of particular historiographical and political interest during the ongoing Decade of Centenaries including revolutionary violence sectarianism political allegiance and identity and the Irish border but rather than ceasing its coverage in 1922 or 1923 this book like the lives with which it is concerned continues into the first decades of southern Irish independence List of contributors Frank Barry Elaine Callinan Jonathan Cherry Seamus Cullen Ian d Alton Sean Gannon Katherine Magee Alan McCarthy Pat McCarthy Daniel Purcell Joseph Quinn Brian M Walker Fionnuala Walsh Donald Wood

The Emmet Rising in Kildare Seamus Cullen,2004

The Oxford History of the Irish Book, Volume III Raymond Gillespie,Andrew Hadfield,2006-02-02 The Oxford History of the Irish Book is a major new series that charts the development of the book in Ireland from its origins within an early medieval manuscript culture to its current incarnation alongside the rise of digital media in the twenty first century Volume III The Irish Book in English 1550 1800 contains a series of groundbreaking essays that seek to explain the fortunes of printed word from the early Renaissance to the end of the eighteenth century The essays in section one explain the development of print culture in the period from its first incarnation in the small area of the English Pale around Dublin dominated by the interests of the English authorities to the more widespread dispersal of the printing

press at the close of the eighteenth century when provincial presses developed their own character and style either alongside or as a challenge to the dominant intellectual culture Section two explains the crucial developments in the structure and technical innovation of the print trade the role played by private and public collections of books and the evidence of changing reading practices throughout the period The third and longest section explores the impact of the rise of print Essays examine the effect that the printed book had on religious and political life in Ireland providing a case study of the impact of the French Revolution on pamphlets and propaganda in Ireland the transformations illustrated in the history of historical writing as well as in literature and the theatre through the publication of play texts for a wide audience Others explore the impact that print had on the history of science and the production of foreign language books The volume concludes with an authoritative bibliographical essay outlining the sources that exist for the study of the book in early modern Ireland This is an authoritative volume with essays by key scholars that will be the standard guide for many years to come **Palgrave**

Advances in Irish History M. McAuliffe, K. O'Donnell, L. Lane, 2009-04-27 This book provides a much needed historiographical overview of modern Irish History which is often written mainly from a socio political perspective This guide offers a comprehensive account of Irish History in its manifold aspects such as family famine labour institutional women cultural art identity and migration histories Ribbon Societies in Nineteenth-century Ireland and Its Diaspora Kyle Hughes (Lecturer in British history), Donald M. MacRaild, 2018 This is the first full length study of Irish Ribbonism tracing the development of the movement from its origins in the Defender movement of the 1790s to the latter part of the century when the remnants of the Ribbon tradition found solace in a new movement the quasi constitutional affinities of the Ancient Order of Hibernians Placing Ribbonism firmly within Ireland's long tradition of collective action and protest this book shows that owing to its diversity and adaptability it shared similarities but also stood apart from the many rural redresser groups of the period and showed remarkable longevity not matched by its contemporaries The book describes the wider context of Catholic struggles for improved standing explores traditions and networks for association and it describes external impressions Drawing on rich archives in the form of state surveillance records show trial proceedings and press reportage the book shows that Ribbonism was a sophisticated and durable underground network drawing together various strands of the rural and urban Catholic populace in Ireland and Britain Ribbon Societies in Nineteenth Century Ireland and its Diaspora is a fascinating study that demonstrates Ribbonism operated more widely than previous studies have revealed *Ireland and Medicine in the Seventeenth and Eighteenth Centuries* James Kelly, 2016-05-06 The story of early modern medicine with its extremes of scientific brilliance and barbaric practice has long held a fascination for scholars The great discoveries of Harvey and Jenner sit incongruously with the persistence of Galenic theory superstition and blood letting Yet despite continued research into the period as a whole most work has focussed on the metropolitan centres of England Scotland and France ignoring the huge range of national and regional practice This collection aims to go some way to rectifying this situation

providing an exploration of the changes and developments in medicine as practised in Ireland and by Irish physicians studying and working abroad during the seventeenth and eighteenth centuries Bringing together research undertaken into the neglected area of Irish medical and social history across a variety of disciplines including history of medicine Colonial Latin American history Irish and French history it builds upon ground breaking work recently published by several of the contributors thereby augmenting our understanding of the role of medicine within early modern Irish society and its broader scientific and intellectual networks By addressing fundamental issues that reach beyond the medical institutions the collection expands our understanding of Irish medicine and throws new light on medical practices and the broader cultural and social issues of early modern Ireland Europe and Latin America Taking a variety of approaches and sources ranging from the use of epistolary exchange to the study of medical receipt books legislative practice to belief in miracles local professionalization to international networks each essay offers a fascinating insight into a still largely neglected area Furthermore the collection argues for the importance of widening current research to consider the importance and impact of early Irish medical traditions networks and practices and their interaction with related issues such as politics gender economic demand and religious belief

Insurgency and Counterinsurgency in the Nineteenth Century Mark Lawrence, 2020-12-17 Insurgency and Counterinsurgency in the Nineteenth Century examines insurgency and counterinsurgency across the globe in the nineteenth century The volume includes chapters from distinguished and rising historians from Europe North and South America and covers irregular wars in Spain Ireland France Latin America China USA Africa Central Asia and Burma The authors explore links between insurgencies and nationalism including learning curves and emulation in counterinsurgency With a special emphasis on non Western warfare this volume includes case studies such as the Katanga and White Lotus rebellions largely unknown to Western readers The military history of the nineteenth century thus reveals much more than the symmetrical warfare of Napoleon Grant and Moltke This volume shows the commonalities of responses more than their differences and refracts these through themes which crop up repeatedly in different times and places These themes include common problems and solutions the challenge of commanding local intelligence networks public opinion millenarianism magic and religion technology hearts and minds the legal framework of state violence racial stereotypes and patterns of forgetting and remembering guerrilla conflicts The first recent study to examine Western and non Western warfare in equal measure stressing the prevalence of commonalities between guerrilla warfare and counterinsurgency across the globe Insurgency and Counterinsurgency in the Nineteenth Century will be of great interest to scholars of military and strategic studies as well as modern military history It was originally published as a special issue of Small Wars Insurgencies

Footsteps of 'Liberty and Revolt' Mary-Ann Constantine, Dafydd Johnston, 2013-04-15 A collection of essays exploring the impact on Welsh culture of one of the most exciting periods in history the decades surrounding the French Revolution of 1789 Unrespectable Radicals? Paul A. Pickering, 2016-02-24 In

1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets, infidels, pornographers and rogue preachers where powerful satirical and subversive subcultures were developed. This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform. It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary, legal and political implications. This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman. The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison.

British and Irish Religious Orders in Europe, 1560-1800 Cormac Begadon, James E. Kelly, 2022. Demonstrates how far from being peripheral the stable communities of conventual religious in mainland Europe acted as important centres of religious and secular activity in the aftermath of the Protestant Reformation. This collection aims to explore new perspectives on the British and Irish conventual mendicant and monastic movements in mainland Europe and rediscover their roles and wider impact within early modern European Catholicism. Building on recent scholarship, the book addresses a historiographical imbalance which has led to an over emphasis being placed on the role of the Society of Jesus in the development of British and Irish Catholicism following the Protestant Reformation. The stable communities of religious in mainland Europe also acted as important centres of religious and secular activity. This volume explores the ways in which British and Irish conventuals and monastics, both men and women, engaged with the seismic religious and philosophical developments of the early modern period such as the Catholic Reformation and the Enlightenment in mainland Europe as well as important political developments at home, exploring the connections between centres and peripheries. Building on recent movements within the field to decentralise the Catholic Reformation and recognize the international nature of Catholicism, the volume aims to change the perception that the activities of British and Irish religious were peripheral, bringing the islands' experience in line with work on their European confreres and the broader global network of the religious orders.

Celts Bernhard Maier, 2017-11-22. Now in its second edition, this comprehensive history of the Celts draws on archaeological, historical, literary and linguistic evidence to provide a comprehensive and colourful overview from origins to the present. Divided into three parts, the first covers the continental Celts in prehistory and antiquity, complete with accounts of the Celts in Germany, France, Italy, Iberia and Asia Minor. Part Two follows the Celts from the departure of the Romans to the late Middle Ages, including the migrations to and settlements in Ireland, Wales, Scotland and Brittany. This section also includes discussions of the Celtic kingdoms and the significance of Christianisation. Part Three brings the history of the Celts up to the present, covering the assimilation of the Celts within the national cultures of Great Britain, France and

Ireland Included in this consideration are the suppression of Gaelic the declines revivals and survivals of languages and literatures and the histories of Celtic culture The book concludes with a discussion of the recent history of the meaning of Celtic and an examination of the cultural legacy of the Celts in the modern era *De Quincey's Works: Autobiographic sketches, 1790-1803* Thomas De Quincey, 1862 **British Family Life, 1780-1914, Volume 3** Claudia Nelson, Julie-Marie Strange, Susan B Egenolf, 2021-12-24 The five volumes of this collection focus on various aspects of family life Drawing on rare printed sources and archival material this collection will provide a balanced contextualized picture of family life during a period of intense social change It will appeal to scholars of social history gender studies and the long nineteenth century

The Works of Thomas De Quincey: Autobiographic sketches, 1790-1803 Thomas De Quincey, 1862 **Ireland and Empire** Stephen Howe, 2000 Many analyses of Ireland's past and present are couched in colonial terms For some it is the only framework for understanding Ireland Others reject the label This study evaluates and analyzes the situation

Rebellion In Kildare 17901803 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rebellion In Kildare 17901803 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rebellion In Kildare 17901803 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rebellion In Kildare 17901803 free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rebellion In Kildare 17901803. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rebellion In Kildare 17901803 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rebellion In Kildare 17901803 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
