Rebellious Love:

Rebellious Love Maura Seger, 1987-08-01 When the lands of Verony Langford's family are granted to Curran and Arcy he struggles to overcome her hatred of him and win her love

The Dream Team Ronald Wilson, 2012-10-01 Do you have a dream in you that challenges you on a daily basis to be birthed? Well, you will be very surprised to see whom God will choose to help press that dream into manifestation. This writing is dedicated to every believer as a tool to help affirm the God-inspired dream you feel within the heart of your spirit. Its purpose is to bring you into a broader perspective of the people God allows to accompany you on your journey of life while pursuing your purpose. It will quickly become frustrating if we have and keep a narrow perspective concerning whom God has designed to help us reach our dreams in life. We dedicate this writing to the leader as well as the dream God has planted in your heart. Sometimes we are capable of questioning the fact of the cause of people flowing in and out of our lives. God is a strategist and he will never make a mistake. There is none good but God. We cannot separate good from God, so we must trust that whatever he permits in our lives, it has to be for our good. There is a purpose of the current flow of people in your life today. Upon reading, we pray the material shared will help broaden your perspective and purpose of life.

Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres, the subject has received surprisingly little attention in academic studies of contemporary drama. *Love in Contemporary British Drama* reflects the appeal of love as a topic and driving force in dramatic works with in-depth analyses of eight pivotal plays from the past three decades. Following an interdisciplinary and historical approach, the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays. Special emphasis is put on narratives of love's compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present. Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love, the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned.

Ruhaniyat Swati Masurkar, 2018-02-20 *Ruhaniyat* Swati's debut collection of poems is an attempt to reach out to readers across the world. This contemporary approach to writing is straight from the heart and aims at freeing the soul for the journey ahead. It is a tribute to all those who consider their life as a blessing from the Almighty and who look within and not outward for answers whenever they are faced with challenges. It is a caravan that embraces every traveler and ensures they reach their destination whilst enjoying their journey.

Alexandra Carolly Erickson, 2024-07-02 Alexandra's story is heartbreaking, and this New York Times bestselling author excels in the details in this biography of the last Russian Empress. Chicago Tribune. Taking advantage of material unavailable until the fall of the Soviet Union, Erickson portrays Alexandra's

story as a closely observed enthrallingly documented progressive psychological retreat from reality The lives of the Romanovs were full of color and drama but the personal life of Alexandra has remained enigmatic Under Erickson s masterful scrutiny the full dimensions of the Empresses singular psychology are revealed her childhood bereavement her long struggle to attain her romantic goal of marriage to Nicholas the anguish of her pathological shyness her struggles with her in laws her false pregnancy her increasing eccentricities and loss of self as she became more preoccupied with matters of faith and her increasing dependence on a series of occult mentors the most notorious of whom was Rasputin With meticulous care long practiced skill and generous imagination Erickson crafts a character who lives and breathes Entertaining One of the book s strengths is its emphasis on the private life of the court Publishers Weekly Carrolly Erickson is one of the most accomplished and successful historical biographers writing in English London Times Literary Supplement **Rebellious Love** B.
