Rebuilt Green Erin Kellogg, Bettina Von Hagen, Eugénie Frerichs, 2003 **The Green Building Revolution** Jerry Yudelson, 2010-04-16 The green building revolution is happening right now This book is its chronicle and its manifesto Written by industry insider Jerry Yudelson The Green Building Revolution introduces readers to the basics of green building and to the projects and people that are advancing this movement With interviews and case studies it does more than simply report on the revolution it shows readers why and how to start thinking about designing building and operating high performance environmentally aware LEED certified buildings on conventional budgets Evolving quietly for more than a decade the green building movement has found its voice Its principles of human centered environmentally sensitive development have reached a critical mass of architects engineers builders developers professionals in government and consumers Green buildings are showing us how we can have healthier indoor environments that use far less energy and water than conventional buildings do The federal government eighteen states and nearly fifty U S cities already require new public buildings to meet green standards According to Yudelson this is just the beginning The Green Building Revolution describes the many revolutions that are taking place today in commercial buildings schools universities public buildings health care institutions housing property management and neighborhood design In a clear highly readable style Yudelson outlines the broader journey to sustainability influenced by the green building revolution and provides a solid business case for accelerating this trend Illustrated with more than 50 photos tables and charts and filled with timely information The Green Building Revolution is the definitive description of a major movement that s poised to transform our world

Sustainable Preservation Jean Carroon, 2011-02-15 Sustainable Preservation takes a nuanced look at the hundreds of choices that adaptive reuse requires architects to make from ingenious ways to redeploy existing structural elements to time honored techniques for natural ventilation to creation of wetlands that restore a site s natural biological functions In addition Sustainable Preservation presents 50 case studies of projects schools houses offices stores museums and government buildings that set new standards for holistic approaches to adaptive reuse and sustainability The author covers design issues from building location to lighting systems renewable power options stormwater handling and building envelope protection and integrity The book also reviews operational issues including materials choices for low lifetime maintenance green housekeeping and indoor air quality **Pragmatic Sustainability** Steven A. Moore, 2016-07-04 This second edition of Pragmatic Sustainability proposes a pragmatic discursive and pluralistic approach to thinking about sustainability Rather than suggesting a single solution to the problem of how to live sustainably this collection discusses broader approaches to social and environmental change Eight continuing authors and seven new ones adjust their dispositions toward rapidly changing and still unsustainable conditions forging agreements and disagreements on five overlapping themes the Grounds for Sustainability the critique of Technological Culture the need to conceive of Sustainability in Place in Cities finally asking

how should we reimagine the fraught relationship between Civil Society Industry and Regulation Editor Steven A Moore asks how a set of ideas now more than a century old remains relevant A partial answer can be found in reconstructing the very modern ideas confronted by those who came to call themselves Pragmatists at the beginning of the twentieth century evolution ecology and design Moore argues that we have yet to develop dispositions in theory and practice that critically integrate these ideas into sustainable development In sum this new edition provides a fresh and hopeful look at the wicked problems deliberated by almost anyone engaged in adapting to the always changing conditions of the built world **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Engineering News and American Contract Journal** ,1905 **Engineering News** ,1906 **Developing Civic Engagement in Urban Public Art Programs** Jessica L.
