Shambach,2011-07-28 This powerful book of miracle testimonies will set your faith on fire Miracles Eyewitnesses to the Miraculous is a history book of sorts It is a history book of the amazing work of God through R W Schambachs ministry for more than fifty years As your read these exciting true stories of Gods miracle power in action your faith will be strengthened and your spirit encouraged You will know that you believe in a God Who is bigger than any situation or circumstances you face You will share in the excitement of an eyewitness view of Gods power at work Brother Schambach is a powerful storyteller and you will feel as if you wre really there with him These miracle stories are vivid and alive Also included is a faith building section entitled The Miracles of Christ You will read these testimonies What Mohammed couldnt do Its never too late A hospital in Newark Seventeen deaf mutes healed Fortune tellers nightmare A mother helps her son break out of prison The back rent blues R W battles the devil The man who was spared form the electric chair The greatest miracle of all and many more *Good-Vs-Evil* Anastacia Burrell,2018-12-29 God is there to save you from harm The devil can t take no more then you can t ever have in life on what you can have is yours in life who stands by the great waterfalls of life stands for ups and downs everything is meant for a reason because you wonder why your life is so block from others because something maybe missing in order to put common sense together which was unsaid and done that needs to be done so you cherish the memory of that day of your life every stone you can ever take and every breath in your body give it to god and glory and take a deep breath and praise God Trials must be mistaken because whatever you do or whatever you did it must be something or what you did needs to be fixed and prepared of a dislike compare to or a distance A distance is a challenge of course or a state of mind What people do for a living is the unit of life It s the bad things that you do that makes trials go wrong and bad rather then right One way it is or another and one way it doesn t What you do or what you don t do you pick up the pieces of the puzzles and get it right on time on the dot and line and you take a piece of the pie what you like and dislike and show and prove the way you want it You talk about the good old times and sometimes it s about the wrong times of your life and the things you did in the past whether it be good or bad in your wildest dream life You take that and swipe your shoulders off The greater it is the badder it maybe It can be fixable that same day or a couple of days a head Trouble don t last always and not for long That s how it works and what should be done and you take it and fix everything that has been broken You stand forward to that and be strong and have strength and whatever that needs to be done and whatever that it is you can t do you don t have to do it or put up with it Be yourself and do all that you can do as possible and that s all you can do You cannot please everyone because it s gonna have a passing moment when you can do something or not and you will be tired of it It also includes fatal attraction breaking relationships tragedies boo thangs lover and friends blessings curses magic spells cast of spells Buddhism voodoo and many more **Receive Your Miracle Now** Bob Sawvelle,2017-04-11 I encourage anyone who wants to have a better grounding in the biblical historical and theological basis

for believing in the continuation of the gifts especially gift of healing to make this a part of his or her library This book is not milk it is meat Randy Clark Jesus brought people into direct contact with the power and authority of God Every healing and miracle revealed the glory of God and the reality of His kingdom Jesus gave the disciples authority to proclaim the gospel of the kingdom to heal the sick and to deliver the oppressed Receive Your Miracle Now presents a strong argument for the legitimacy of a Christian healing ministry in today's church By studying key passages of Scripture in both the Old and New Testaments examining the thread of healing throughout church history and presenting a theological basis for healing and deliverance ministry Bob Sawvelle demonstrates that through the healing gifts Jesus is still glorified the sick are still healed the oppressed are still freed and God's kingdom advances in the earth as it ever has

Blessings and Miracles Stephen Mugabo, 2020-02-25 Blessings and Miracles in the perspective of a relationship with God and His divine intervention in our lives we learn how different factors contribute consequently to the quality of life we live The actions choices and attitudes we have and express every day affect how the blessings and miracles accomplish their purpose in our lives Blessings and Miracles have been and are still a medium for God to work in our lives God performs miracles for us to believe that Jesus is the Christ the Son of God and through having faith in Him we experience eternal life by the power of His Name John 20:30-31 Blessings are in most cases conditional and received through a process A blessing can also be a resource a resource is a source of supply or support and it is again an available means or productive factor required to accomplish a given activity Therefore blessings are supposed to help us achieve the purpose of our life in this world It is the Father's good pleasure to have a relationship with you to bless you to heal you and give you a complete restoration A miracle is applicable in a crisis or in a problem that we can avoid or that is unavoidable While with God's blessings we can avoid a position that would put us in a crisis in the first place when we apply godly principles take the right actions and have the right choices God wants us to live a life full of blessings Barak Having a relationship with Him living by His principles having the right character and living by His Word for our welfare

God Can Turn It Around for You Apostle Joseph Ajao, 2011-11 [Hyper Biblical](#) Duke

Jeyaraj,2024-07-10 Well it is not simply enough to merely pray against hell populating false teaching We must do more We must contend for the faith once for all delivered for the saints Jude 3 We must open our mouths and uncork our pens to warn about savage wolves which will come among you the local church believers not sparing the flock Acts 20 29 Spread virally thanks to the social media modern cultic false teachings such as 1 Hyper Grace No judgement for believers post Cross 2 Hyper Supernaturalism It is always God s will to heal me here and now Believers in Jesus need not die if they chose to and 3 Hyper Love Everyone is already saved but they just don t know it yet You will stop existing in hell or will eventually come to heaven from there have locust swarmed churches in South Indian cities and beyond In this book the incensed author argues vehemently from the Bible to show how much these scripture twisting half truth full of diabolical teachings have majorly deviated from the whole counsel of God The author offers these five loaves and two fish unto the Lord Perhaps the Lord use it for the restoration of the gangrene of false teaching infested Body of Christ back to sound doctrinal health this book also includes a section where there is an antidote against false teaching Those embracing these false teachings must be warned to steer clear of this book as it would greatly infuriate them calling a spade a spade without putting blade using illustrations from the world of Cricket The author s prayer is that the Holy Spirit could possibly cajole and convince such blood bought precious believers through these peppery pages to swiftly abandon these eternity shipwrecking doctrines and wholly embrace biblical balanced sound doctrine
