**Signs of Continuity** Greg Rhodea,2019-12-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus s message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

The Ultimate Evidence Larry Vern Newman,2009-01-01 It is quite an assertion to claim that one is filled with the Spirit of God What does a person offer as proof that this is actually true Pentecostals at the turn of the twentieth century read the Bible debated the issue and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit The primary evidence of Spirit baptism it was concluded was the expression of a charism It was charismatic In The Ultimate Evidence Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted Without discrediting or devaluing speaking in tongues Newman points the reader to the ultimate evidence of Spirit baptism the more excellent way Gathering from historical cultural and biblical sources Dr Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross It is the ethical dimension of the Christian life that is primary In 1 Cor 13 1 Paul wrote If I speak in the tongues of men and of angels but have not love I am only a resounding gong or a clanging cymbal

The Spirit of Truth as Revealed in Law ... John Coutts,1902

Did You Receive the Holy Spirit When You Believed? (Acts 19:2) Bob McArthur,2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the

Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Dont be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way
