**Privileging the Privileged** Sharada J. Schaffter,2006 The Criminalization of a Woman's Body Clarice

Feinman,2018-10-24 This groundbreaking book addresses the ominous trend of introducing and passing laws and court decisions regulating the actions of women and the control of their bodies One of the few books published on the criminalization of women s bodies this timely book takes a serious look at the effect these laws would have on women and the threat to their autonomy privacy and control their bodily integrity control over reproductive capacities and their constitutional rights From ancient literature to the literature and law of contemporary society a woman s value has often rested on her fulfilling expected roles as wife and mother The lack of respect for women inherent in this predominantly male oriented line of thinking is reinforced in this new trend of legislation and court decisions attempting to regulate women s behavior and reproductive capacity The Criminalization of a Woman s Body thoroughly discusses these special laws governing women s personal choices and the threats these laws and court decisions pose to women s autonomy and constitutional rights Scholars from Israel Italy and the United States provide a multidimensional discussion of the problem facing women in many if not all countries Contributors represent various disciplines including law philosophy medicine political science sociology women s studies and criminal justice Articles analyze sensitive issues surrounding abortion and its impending criminalization in several countries controversial topics on contract motherhood the power of administrative agencies to control and informally criminalize pregnant women and new mothers policies meant to protect the fetus from pregnant women who deviate from medically socially and legally sanctioned behavior which may deter women from seeking any medical care and the destruction of families due to the criminalization of pregnant women and new mothers and the consequent removal of their children and placement into foster care Professors students librarians agency workers dealing with women s issues and women and men in the general public will find this important book a helpful tool in sorting through the complex issues on criminalizing women s bodies **Morbidity and Mortality Weekly Report** ,1998 *Digest of English Case Law* John Mews,1925 *The Smart Woman's Guide to Property Law* Carla Spivack,2020-04-08 The income gap between women and men has gotten lots of attention in the last few decades today women earn seventy nine cents for every dollar men earn But fewer people are aware of the much more serious wealth gap for every dollar in wealth men own women own thirty two cents Thirty two cents Wealth matters Wealth is what gives us a financial safety net when we lose our jobs break up a relationship or divorce we or our dependents become sick or when we are hit by some other financial crisis It enables us to build security to give our children a future and to retire It is passed from generation to generation allowing wealthy families to stay wealthy over time Wealth can generate income whether through investments in the financial markets or real estate or through funding a startup business and more Significant wealth even allows us to influence our world by allowing us to contribute to political campaigns and policy initiatives For these reasons wealth is a better indicator of financial status than income it reveals who is secure and influential and who is not By treating women and men equally without recognizing the gross social and economic advantages that differentiate us the law perpetuates the wealth gap Here

Carla Spivack takes readers through a tour of a woman's life stages and the property laws that may apply and hinder their financial independence. From living together to marriage from divorce to inheritance the circumstances invite unfair treatment that leaves women out in the cold. Understanding how to protect your assets, fight for what is fair and increase financial security is increasingly important as the wage gap continues to flourish. Readers will learn about the laws that work against them and how to protect themselves regardless of their relationship status. For all women of all ages here is your guide to keeping your wealth no matter how your relationship fares.

Receiving Woman: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Receiving Woman : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Receiving Woman : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
