ACTON

Rethinking The Russian Revolution

Michael C. Hickey

Rethinking The Russian Revolution:

Rethinking the Russian Revolution Edward Acton, 1990 For its admirers the Russian Revolution is a milestone in human progress for its critics it is a catastrophe of monstrous proportions Edward Acton's stimulating study combines an introduction to the momentous events of 1917 with an analysis of this controversy **Rethinking the Russian Revolution as Historical Divide** Matthias Neumann, Andy Willimott, 2017-11-22 The Russian Revolution of 1917 has often been presented as a complete break with the past with everything which had gone before swept away and all aspects of politics economy and society reformed and made new Recently however historians have increasingly come to question this view discovering that Tsarist Russia was much more entangled in the processes of modernisation and that the new regime contained much more continuity than has previously been acknowledged This book presents new research findings on a range of different aspects of Russian society both showing how there was much change before 1917 and much continuity afterwards and also going beyond this to show that the new Soviet regime established in the 1920s with its vision of the New Soviet Person was in fact based on a complicated mixture of new Soviet thinking and ideas developed before 1917 by a variety of non Bolshevik movements **The Russian Revolution: A Very Short Introduction** S. A. Smith, 2002-02-21 This introduction to the Russian Revolution provides a narrative of the main developments between 1917 and 1936 It sees the process as the result of a backward society which sought modernisation and ended in political tyranny **The Russian Revolution, 1917** Rex A. Wade, 2005-04-21 Rex Wade presents an account of one of the pivotal events of modern history combining his own long study of the revolution with the best of contemporary scholarship Within an overall narrative that provides a clear description of the 1917 revolution he introduces several new approaches on its political history and the complexity of the October Revolution Wade clears away many of the myths and misconceptions that have clouded studies of the period He also gives due space to the social history of the revolution and incorporates people and places too often left out of the story including women national minority peoples and peasantry front soldiers enabling a more complete history to emerge The 2005 second edition of this highly readable book has been thoroughly revised and expanded It will prove invaluable reading to anyone interested in Russian history *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than

simply the creation of a communist state **Critical Companion to the Russian Revolution, 1914-1921** Edward Acton, V. I. Cherniavskii, V. I. Cherniavskii, William G. Rosenberg, 1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted by Book News Inc Portland OR **Russian Revolution of 1917** Sean N. Kalic, Gates M. Brown, 2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia's revolutions and Civil War These documents give readers a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research

Centenary of the Russian Revolution (1917-2017) Andreu Mayayo i Artal, Antoni Segura i Mas, 2019-01-08 This collection of essays provides an historical plural and original analysis of the Russian Revolution to mark its first centenary It focuses on both regional aspects such as the impact of the Revolution in Spain and Latin America and major events ideas and phenomena including the importance of World War I the birth of the Communist International and the definition of revolution and counterrevolution The book will mainly appeal to academic audiences as well as non specialized readers interested in the major issues of the contemporary world It offers new insights into an event that contributed to the shaping of the twentieth century and that is still fundamental to understanding the world of today **The Russian Revolution of 1917 - Memory and Legacy** Carol S. Leonard, Daniel Orlovsky, Jurej Petrov, 2024-07-30 The way in which the Russian Revolution of October 1917 is regarded and commemorated has changed considerably over time and is a contentious subject well demonstrated by the absence of any official commemoration in Russia in 2017 a huge contrast to the very large celebrations which took place

in Soviet times This book which brings together a range of leading historians of the Russian Revolution from both Russia and the West and both younger and older historians explores the changes in the way in which the October 1917 Revolution is commemorated and also examines fundamental questions about what the Russian Revolution indeed what any revolution was anyway Among the issues covered are how Soviet and Western historians diverged in their early assessments of what the Revolution achieved how the period studied by historians has recently extended both much earlier before 1917 and much later afterwards and how views of the Revolution within the Soviet Union changed over time from acceptance of the official Communist Party interpretation to more independent viewpoints Overall the book provides a major reassessment of one of the twentieth century s most important events

The ^ADream that Failed Walter Laqueur,1996-02-15 In *The Dream that Failed* Walter Laqueur hailed by *The New York Times* as one of our most distinguished scholars of modern European history offers an authoritative assessment of the Soviet era from the triumph of Lenin to the fall of Gorbachev In the last three years decades of conventional wisdom about the U S S R have been swept away while a flood of evidence from Russian archives demands new thinking about old assumptions Here Laqueur conducts an inquiry on a grand scale explaining how the Bolsheviks won their struggle for power and captured the fire in a young generation of Russians why the idealism faded and the system collapsed and how western experts could have been so wrong about the Communist system He reflects on the early enthusiasm of foreign observers and Bolshevik revolutionaries for the new Soviet order then takes a piercing look at the totalitarian nature of the regime He demonstrates how Communist society stagnated during the 1960s and 1970s while the economy wobbled to the brink and how Western observers from academic experts to CIA analysts made wildly optimistic estimates of Moscow s economic and political strength But in underscoring the rot and repression he also notes that the Communist state did not necessarily have to fall when it did and examines the many factors that contributed to its collapse Only now in the rubble of this lost empire is it possible to gain a deeper understanding of the Soviet regime its early achievements its crimes and its ultimate disaster In *The Dream that Failed* the result of years of research and reflection Walter Laqueur sheds fresh light on a central episode in our turbulent century

The Global Impact of the Russian Revolution Aaron Retish,Matthew Rendle,2021-05-13 This book explores the global impact of the Russian Revolution arguably the most influential revolution of the modern age It explores how the Revolution influenced political movements on the radical Left and Right across the world and asks whether the Russian Revolution remains relevant today In Part one four leading historians debate whether or not the Russian Revolution s legacy endures today Part two presents examples of how the Revolution inspired political movements across the world from Latin America and East Asia to Western Europe and the Soviet Union The Revolution inspired both sides of the political spectrum from anarchists and leftist radicals who fought for a new socialist reality and dreamed of world revolution to those who on the far Right who tried to stop them Part three an interview with the historian S A Smith gives a personal account of how the Revolution influenced a scholar and his work This

volume shows the complexity of the Russian Revolution in today's political world. The chapters in this book were originally published as a special issue of the journal *Revolutionary Russia*.

The Bloomsbury Handbook of the Russian Revolution Geoffrey Swain, Charlotte Alston, Michael C. Hickey, Boris Kolonitskii, Franziska Schedewie, 2022-12-15 Through 30 interpretative essays *The Bloomsbury Handbook of the Russian Revolution* sees an international team of leading scholars comprehensively examine Russia's revolutionary years. In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century. Split into six sections covering political crises, politicians and parties, social groups, identities, regions and peoples, and civil war, the volume covers the collapse of Tsarism and the February Revolution, the emergence of the Provisional Government, and major historical figures such as Lenin, Kerensky, and the Socialist Revolutionary leader Viktor Chernov. It also explores the events surrounding the Bolshevik seizure of power in October 1917, the first year of Soviet Government until the Bolshevik dictatorship was established, and the impact on Russia of the subsequent civil war. The focus is broader than these issues of high politics, however, since this handbook also considers events in the provinces as well as revolutionary Petrograd, and examines the social impact of the revolution in terms of class, gender, age, and culture.

The Russian Revolution Ronald Kowalski, 2005-08-09 The collapse of the Soviet Union in 1991 has provided fresh perspectives from which to view the Revolution, out of which it grew. *The Russian Revolution 1917-1921* by Ronald Kowalski reviews the ever-changing debate on the nature of the Russian Revolution. This collection of documents and sources includes newspapers, memoirs, and literature commentary, and background information of each source, a narrative of the major events of the period, new material made available since the policy of glasnost, a re-examination of World War One and the Revolution, focus on thematic issues such as the actions of peasants and workers. For students of European history, this will provide interesting and informative reading on this major event in Russia's turbulent past.

[The Origins of the Russian Revolution, 1861-1917](#) Alan Wood, 2004-06 A concise introduction to the Russian Revolution and its origins, dating back to the emancipation of the Russian peasant serfs in 1861.

Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15 *Historical Dictionary of the Russian Revolution* focuses on the leading individuals, ideas, political parties, and main events that were central to the transformation of Russia during the revolution. The time period runs from January 1917 through to the Treaty of Brest-Litovsk that took Russia out of the First World War in March 1918. It covers the main events, ideas, people, and parties, and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power, the first six months of Leninist rule, and the Treaty of Brest-Litovsk that ended Russia's involvement in the First World War. *Historical Dictionary of the Russian Revolution* contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on the revolutions, the First World War, political parties, ideologies, and individuals, and the main events that defined the course of the Russian Revolution. This book is an excellent resource for

students researchers and anyone wanting to know more about the Russian Revolution **The Russian Revolution, 1900-1927** Robert Service, 2009-06-02 This popular concise and highly readable study discusses the key themes and debates about the Russian Revolution Robert Service's lively analysis examines state and society under the Romanovs from 1900 The February and October Revolutions of 1917 The final years of the Romanov dynasty and the start of the Soviet order Comparisons with political social and economic trends elsewhere in the world The extent to which the later development of the USSR was conditioned by the October Revolution Clear and incisive the fourth edition has been thoroughly revised and updated in the light of the latest research and features a new scene setting Introduction and maps Service's text remains the essential starting point for anyone studying this tumultuous period in the history of Russia and the world in the twentieth century *The "Russian" Civil Wars, 1916-1926* Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

Rethinking Revolutionary Change in Europe Bailey Stone, 2020-02-17 Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone's synthesis marks a critical advance in our understanding of revolution

Competing Voices from the Russian Revolution Michael C. Hickey, 2010-12-21 This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution How better to understand history than through the words of those who lived it *Competing Voices from the Russian Revolution* Fighting Words presents documents that underscore the extraordinary richness of public discussion

about key events and issues during the 1917 Russian Revolution one of the pivotal events in modern history Carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which Russians understood the events unfolding around them Focusing on public rhetoric and debate in Russia from the outbreak of World War I in 1914 through the dissolution of the Constituent Assembly in January 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals

Lenin and the Russian Revolution Steve Phillips, 2000 A study of Lenin and the Russian Revolution It is designed to fulfil the AS and A Level specifications in place from September 2000 The AS section deals with narrative and explanation of the topic The A2 section reflects the different demands of the higher level examination

Rethinking The Russian Revolution Introduction

Rethinking The Russian Revolution Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rethinking The Russian Revolution Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rethinking The Russian Revolution : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rethinking The Russian Revolution : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rethinking The Russian Revolution Offers a diverse range of free eBooks across various genres. Rethinking The Russian Revolution Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rethinking The Russian Revolution Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rethinking The Russian Revolution, especially related to Rethinking The Russian Revolution, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rethinking The Russian Revolution, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rethinking The Russian Revolution books or magazines might include. Look for these in online stores or libraries. Remember that while Rethinking The Russian Revolution, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rethinking The Russian Revolution eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rethinking The Russian Revolution full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rethinking The Russian Revolution eBooks, including some popular titles.

FAQs About Rethinking The Russian Revolution Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking The Russian Revolution is one of the best book in our library for free trial. We provide copy of Rethinking The Russian Revolution in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking The Russian Revolution. Where to download Rethinking The Russian Revolution online for free? Are you looking for Rethinking The Russian Revolution PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rethinking The Russian Revolution. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rethinking The Russian Revolution are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rethinking The Russian Revolution. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rethinking The Russian Revolution To get started finding Rethinking The Russian Revolution, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rethinking The Russian Revolution So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Rethinking The Russian Revolution. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rethinking The Russian Revolution, but end up in harmful downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rethinking The Russian Revolution is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rethinking The Russian Revolution is universally compatible with any devices to read.
