Seizing The Moments Paper:

Seize the Moment-Besher't Abraham N. Fenster, Ph.D.,2009-04-06 Seizing the moment at the attosecond of time is when it is meant to be The author relates to how scientific theories can be integrated into an overarching explanation of how the macro workings of the infinite universe are intertwined with the micro activities of an individual s activities in the physical world and how this can be blended with the unseen world of spirituality of the universe as coexisting parallel intertwined worlds Science and spirituality are not in opposition to one another but complement each other and provide a more revealing explanation to our fundamental questions of is it meant to be or is it meant to be Besher t In the process of trying to determine the complex concepts implied by meant to be the author explores how one can have a predetermined existence and make free will decisions at the same time Detailing some of the author s own Besher t life experiences he ultimately concludes that one must recognize the spirituality teachings of Kabbalah and current scientific hypothesis of the Unified Theory to understand this complex question of how does free will have a role in predetermination

Just Don't Seize the Day, Seize the Moment Michael J. Onoroto,2017-03-13 I wrote my book partially because I ve had a great life and I ve also have seen the other side of the fence There were times in the life when I ve found myself in poor health broke and homeless I ve traveled down some rough roads but I had to come to a realization that I was partially to blame for my own mistakes and I had to dig deep within my own soul and dig myself out of my own problems One of my biggest battles I ve ever fought was when I was severely injured w Seize the Moment , *Seize the Moment* Michael L. Brown,2024-01-02 Revival is dependent on how much we allow the Holy Spirit to move After reading this book you will have the confidence to share the good news of what the Holy Spirit is doing in our world with everyone who will listen You will no longer sit on the sidelines but rather you will partner with the Holy Spirit to do all that He has asked you to do Respected theologian and Bible scholar Michael L Brown PhD saw firsthand the impact of the long running Brownsville Revival on the church and the nation He believes another powerful move of God is on the horizon and he doesn t want believers to miss or squander that moment In *Seize the Moment* Brown lays out twenty five proven ways readers can cultivate and sustain revival so it becomes more than an emotional experience and changes their lives communities and nations With insight gleaned from years of experience Brown challenges readers to make Jesus and the cross central reach the lost never downplay the importance of holiness steer clear of doctrinal weirdness keep the main thing the main thing and more For those who want to be a part of the next great move of God *Revival Rising* is essential reading It will show readers how to embrace revival with wisdom and discernment and avoid the pitfalls that can sabotage a move of God safeguard the purity of revival and cultivate an environment where God s presence dwells unhindered Christians have been praying fasting and longing for revival for years This practical and inspirational book will help them be ready for it when it comes If readers apply Brown s wisdom with the Spirit s help instead of messing up a move of God they will enjoy the fruit of revival for many years to come **Women Who Seize the Moment**

Angela Priestley, 2014-03-01 Great careers are improvised There are women who wait and women who don't Author Angela Priestley once fell into the former camp I waited for things to happen to me rather than making them happen myself It wasn't a matter of being lazy or unambitious but rather of simply believing the success I wanted and the things I desired from my career would simply arrive for me Women who Seize the Moment addresses the common issues that many women face in their careers In our society it is not uncommon for people to dislike their job but still work extremely hard There is an assumption that we will get that raise eventually we will get promoted eventually I will get my dream job eventually Women who Seize the Moment reveals 11 steps women should take to stop waiting for these turning points and make them happen Coming up with excuses is easy waiting to finish a diploma waiting for the perfect job opening waiting until you're 25 30 35 waiting to get that industry experience However embracing all opportunities is what will turn your career around Turning points are so important in shaping a woman's career Women still have so many challenges to overcome in order to achieve the success they want you don't want to also be your own enemy Society has certainly come a long way however managing the competing interests of caring responsibilities with paid work conscious and unconscious bias in the office and battling a male based hierarchy of leadership style still exists in many industries In Women who Seize the Moment Angela shares stories from women who've made the most of career turning points those turning points they have created themselves and those that were beyond their control They're the women who didn't wait to get the career they wanted and still don't wait to get the success they desire Seize the Moment, Share the Message Roberta Kuhne, 2006-06 Primarily for women this book sensitively addresses Christians' fears of not having the right personality spiritual gifts or circumstances to share the Gospel Helps readers tap into God-given gifts talents and witness to others *Seize the Moment* Richard Nixon, 2013-01-08 What is most striking about Mr Nixon's charge to seize the moment nearly all of which is sensible and sound is the continuity of his counsel The New York Times In Moscow Khrushchev arrogantly predicted to me Your grandchildren will live under communism I responded Your grandchildren will live in freedom At the time I was sure he was wrong but I was not sure I was right As a result of the new Soviet revolution I proved to be right Khrushchev's grandchildren now live in freedom In this brilliantly timed book Richard Nixon defines the challenges and opportunities facing America as the world's sole superpower Only American leadership he contends can guide the turbulent post Soviet Union world toward freedom and prosperity and make the 21st century an American century Forcefully dismissing the three prevailing post Cold War myths about America that history has ended with the defeat of communism that military power had become irrelevant and that America is a declining power Nixon charts the course America must take in the future to seize this moment in history **Public Papers of the Presidents of the United States, George W.
