Life Changing Leadership Frank Damazio, 2013-05-10 Discover the keys to unlocking success in life and ministry. Everyone is looking for that edge, the key that will unlock success in life and ministry. The edge is Christ and he has given us keys that will open doors to divine encounters and strategies leading to successful leadership. Amply supported by Scripture and lessons from other successful leaders, this book closely outlines what it takes to be a successful leader in a lukewarm, confused, compromising religious atmosphere. It defines the functions and responsibilities of leadership teams and offers insight into different leadership styles as well as the unique temptations and challenges that face a ministry leader. Leaders will discover how Scriptures establish the necessity of God as the head of church government. They will learn how to choose qualified leaders and learn practical ways to train them. Life Changing Leadership will help strengthen leaders and give them strategies for building and motivating teams by setting and executing team goals that support creativity and faithfulness.

**Servants of the King** Tom Cannon, 2009-12-15 Jesus Christ is the greatest example of servant leadership in the history of the world. We are called to follow His lead. Are you ready to begin the grandest adventure of them all? In Practical Leadership Dr. Tom Cannon will introduce you to the leadership style of Jesus Christ and show you how to successfully emulate His ministry in your daily life. For those who believe servant leadership is for wimps, be assured you are absolutely wrong. Servant leaders are world changers. Men and women who stand strong amid any crisis and through their words, actions, and attitude reveal Christ to a hurting, confused, and often angry world. The world is perishing; they need you to help reveal the love, mercy, grace, and kindness of Jesus Christ to them in a real and personal way. How? Become a servant leader of the King and lead them like Jesus did. Are you up to the challenge? I hope so, because the future of our churches, communities, and nation are on the line.     *Mobilizing Men for One-on-One Ministry* Steve Sonderman, 2010-09 A dynamic new model for men's ministry that goes beyond programs, emphasizing relational ministry where men meet each other's needs, foster growth, and develop leaders.     **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
