The Sesame Effect Charlotte F. Cole,June H. Lee,2016-03-10 The Sesame Effect details the wide ranging work of Sesame Workshop and its productions across the world With an emphasis on impact and evidence from research on projects in low and middle income countries the book tells the stories behind the development of an international family of Muppet characters created for the locally produced adaptations of Sesame Street Each chapter highlights the educational message of international co productions and presents the cultural context of each project Readers will understand the specific needs of children living in a given locale as well as gain insight into the educational drivers of each project These projects often deal with difficult issues from race relations in the United States to HIV AIDS education in South Africa to building respect across cultural divides in the Middle East Readers will see how local productions have helped build a new mindset that values the importance of early childhood education and how Sesame Street promotes a brighter future by building children s academic skills encouraging healthy habits and by fostering attitudes that counter negative stereotypes and create appreciation of and respect for others The Sesame Effect shows how when magnified across the millions of children touched by the various international programs Sesame Workshop and its projects are making a difference around the world **Can Big Bird Fight**

core curriculum with the signature charm and fun of the Muppets from Sesame Street The Publishers' Trade List Annual, 1992 Having Fun with God Martika Whyly, 2014-03 More than anything Martika Whyly wanted to know God And being born into the Catholic faith is where she was introduced to God and learned how to pray Growing up in a loving family her single mother remarried an abusive man When Martika prayed to God for help her prayers were quickly answered but at the cost of her mother's life Then her grandma died from an asthma attack Her grandpa died soon after and then her uncle was killed in a car accident In addition to that her father died from AIDS As each one passes away a part of her dies as well Wanting to join them she is denied and becomes reckless and doubtful that God even exists *2012 Camp Directors' Trip Guide* , Camp Directors Trip Guide is the only guide that helps camp directors counselors and recreational center directors plan day overnight and travel trips for campers *Raymond Williams on Television (Routledge Revivals)* Raymond Williams, 2013-05-13 First Published in 1989 this work is based around a monthly TV column which Raymond Williams wrote for The Listener between 1968 and 1972 Those were the years of the Prague Spring of anti Vietnam war demonstrations of fighting in Cambodia and Northern Ireland of hope for McGovern in the United States and attacks on the Wilson Labour Government in Britain In The Listener articles Williams comments on all of these events providing a rare glimpse not only into the events of his daily life but also into the continuing development of a personal sociology of culture The articles also discuss such television forms as detective series science programmes and sports travelogue education gardening and children's programming The book also includes Williams key lecture Drama in a Dramatised Society which sets a framework for his analysis a London Review of Books piece on the Falklands Malvinas adventure as a tele war and an interview with Williams on television and teaching Cited by The Guardian as The foremost political thinker of his generation Williams writing amounts to a primer on ways of watching television and of critiquing its profound social and political impact **A Life in Smoke** Julia Hansen, 2006-11-07 I accepted the certainty of my untimely death with gallows humor and a calculator I'd read somewhere that each cigarette you smoke knocks seven minutes off your time on the planet To amuse myself I did the math 153 000 cigarettes two years of my life up in smoke Julia Hansen first lit up at nineteen Twenty years later she was editing books about health and smoking a pack or two a day She denied her son fast food but smoked in the house and curtailed his video games but lit up at his soccer matches Despite repeated attempts to quit she always crawled back to her beloved menthol lights Smoking had become a metaphorical chain around her neck shackling her to an early death Haunted by a nightmarish vision of her future her son at her deathbed begging her not to leave him Hansen devised a drastic quit method She bought a 72 foot length of chain that was unwieldy as a corpse and locked herself to a radiator in her dining room What followed seven days of cold turkey misery comic absurdity and revelation as Hansen stepped from behind her wall of smoke to face her addiction to nicotine and some painful truths Clanking around her house like Marley's ghost white knuckling cravings and struggling to understand tobacco's unyielding grip on her Hansen confronted her life in smoke

fractured relationships lifelong battles with alcohol and depression and a profound sense of emptiness On day 1 the chain was her addiction to nicotine each link a story about cigarettes and self loathing By day 7 it had revealed its ringing rattling truth that every smoker has a story and it always centers on clinging to a comfort that can kill you In the end Hansen s story was painfully simple She smoked to survive her life And then to save it she quit Fierce and funny honest and utterly absorbing A Life in Smoke is Julia Hansen s evocative and inspiring account of the extreme measures she took to quit smoking decidedly not recommended by the medical profession
