VII 2 Louis Painchaud *Hearings* United States. Congress. Senate. Committee on Appropriations,1953 **Rethinking "Gnosticism"** Michael Allen Williams,1999-04-12 Most anyone interested in such topics as creation mythology Jungian theory or the idea of secret teachings in ancient Judaism and Christianity has found gnosticism compelling Yet the term gnosticism which often connotes a single rebellious movement against the prevailing religions of late antiquity gives the false impression of a monolithic religious phenomenon Here Michael Williams challenges the validity of the widely invoked category of ancient gnosticism and the ways it has been described Presenting such famous writings and movements as the Apocryphon of John and Valentinian Christianity Williams uncovers the similarities and differences among some major traditions widely categorized as gnostic He provides an eloquent systematic argument for a more accurate way to discuss these interpretive approaches The modern construct gnosticism is not justified by any ancient self definition and many of the most commonly cited religious features that supposedly define gnosticism phenomenologically turn out to be questionable Exploring the sample sets of gnostic teachings Williams refutes generalizations concerning asceticism and libertinism attitudes toward the body and the created world and alleged features of protest parasitism and elitism He sketches a fresh model for understanding ancient innovations on more mainstream Judaism and Christianity a model that is informed by modern research on dynamics in new religious movements and is freed from the false stereotypes from which the category gnosticism has been constructed *In Search of Truth. Augustine, Manichaeism and Other Gnosticism* J. van (Johannes) Oort,Jacob Albert van den Berg,2011 This volume in honour of Prof Dr Johannes van Oort offers a rich variety of in depth studies on Augustine Manichaeism and other Gnostic currents thus reflecting the rich variety of the honorand's research interests **Gnosticism, Judaism, and Egyptian Christianity** Birger A. Pearson, In this important contribution to the scholarly study of Egyptian Gnosticism Pearson situates Gnosticism in its historical context and describes its manifold relationships to Judaism early Christianity and ancient Platonism Birger Pearson gives special attention to the controversial issue of the impact of Gnosticism on early Egyptian Christianity up to the Muslim conquest of the seventh century Pearson is one of the most thorough and perceptive scholars in Gnostics studies today The topics he deals with here are current and important and no doubt will remain so for some time This volume is a must for everyone in the field Douglas M Parrott University of California Riverside Uniformly excellent contributions on the subject Students and teachers will benefit from Pearson's insightful and creative observations Marvin Meyer Chapman College **The Biography of the Devil** Harry Eilenstein,2022-08-16 Few religious mythological figures evoke such fierce emotions as the devil for this reason alone it is worth taking a closer look at him He is anything but a uniform figure he is the god of the wilderness the archetype of the dead at their re procreation the explanation of injustice in a world that a just God is supposed to have created the prosecutor and executioner at the afterlife court the god of the heathens the rebel the sex demon the shadow of an entire civilization and even more He is the lord of the dead his hell used to be the burial chamber of the tumuli the fire of cremation has become the

fire of hell and the devil's grandmother used to be the afterlife goddess a long time ago The devil is what the majority fears and he is the shadow the repressed what is missing and thus also what is secretly most longed for In Christianity the devil is the punished perpetrator in hell and Christ is the redeemed victim in heaven but who is the one who is whole Who does not embody the power molded perpetrator role like the devil nor the powerlessness molded victim role like Christ Who is the one who embodies the independent sovereign self contained and creative power
