**Forging the Past** Daniel Marrone, 2016-08-11 At once familiar and hard to place the work of acclaimed Canadian cartoonist Seth evokes a world that no longer exists and perhaps never existed except in the panels of long forgotten comics Seth's distinctive drawing style strikingly recalls a bygone era of cartooning an apt vehicle for melancholy gently ironic narratives that depict the grip of the past on the present Even when he appears to look to the past however Seth born Gregory Gallant is constantly pushing the medium of comics forward with sophisticated work that often incorporates metafiction parody and formal experimentation Forging the Past offers a comprehensive account of this work and the complex interventions it makes into the past Moving beyond common notions of nostalgia Daniel Marrone explores the various ways in which Seth's comics induce readers to participate in forging histories and memories Marrone discusses collecting Canadian identity New Yorker cartoons authenticity artifice and ambiguity all within the context of comics unique structure and texture Seth's comics are suffused with longing for the past but on close examination this longing is revealed to be deeply ambivalent ironic and self aware Marrone undertakes the most thorough sustained investigation of Seth's work to date while advancing a broader argument about how comics operate as a

literary medium Included as an appendix is a substantial interview conducted by the author in which Seth candidly discusses his work his peers and his influences

The Legacy of John Tuomas Rasimus,2010 This volume investigates the early second century reception of the Fourth Gospel This is an era when its fortunes are surrounded by silence and mystery It was assumed until quite recently that Gnostic and other

so called heterodox groups were the first ones to appreciate this gospel and hence the mainstream Christians avoided using it until Irenaeus rescued it for the church Lately this view has been challenged by several scholars for several reasons The contributions in this volume written by leading specialists in their respective fields offer an approachable fresh comprehensive and up to date view of the second century reception of John s Gospel in a situation where new understandings about various forms of early Christianity and its multiformity have started to emerge Uarda Georg Ebers,1887 The Panarion of Epiphanius of Salamis Epiphanius of Salamis,2020-10-26 Bk 1 Sects 1 46 bk 2 3 Sects 47 80 De fide *The Panarion of Ephiphanius of Salamis* Saint Epiphanius (Bishop of Constantia in Cyprus),1987-01-01 **Audia** Christopher Schaal,2010-09-20 Standing before a barren wasteland of a planet the mighty and powerful Rezorin looked down upon the view of nothingness I shall bring life to this dissolute world and make life in my image I will teach them my ways and they will worship me but I will treat them as my equal And with his great power Rezorin raised his hands and with a flash of light the planet began to shift and move Clouds gathered and rain fell from the skies filling the land with lakes and oceans Plants and trees began growing from soil sprouting foliage and bringing oxygen for life Rezorin then took his mighty power to destroy one of the surrounding moons the debris created a ring around the planet leaving only one moon untouched This ring shall bring everlasting beauty to signify my love for all who live here The power from Rezorin slowly drained him to complete the new world With this new world finished I shall call it Vianna after my love that will always live within my soul And with a burst of light and energy Rezorin shed the last bit of energy he had remaining to fully finish Vianna
