Setting In The American Short Story Of Local Color 1865-1900 Vol 3:

Setting in the American Short Story of Local Color, 1865-1900 Robert D. Rhode, 2019-06-01 To celebrate the 270th anniversary of the De Gruyter publishing house the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive Titles will be made available to anyone anywhere at any time that might be interested The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high quality primary sources that De Gruyter has published over the centuries [Southern Local Color](#)

Barbara C. Ewell, Pamela Glenn Menke, Andrea Humphrey, 2002 Conflict exoticism sensuality eccentricity and the sheer differences of the American South pervade this lively anthology the first in fifty years to focus exclusively on the nineteenth century tradition of southern local color Its thirty one stories spanning the 1870s through the early 1900s represent some of the best southern fiction to appear during the great flowering of American local color writing The fifteen authors included here are those most admired by their contemporaries Modern readers may recognize Kate Chopin author of *The Awakening* Charles Chesnutt the courageous and gifted African American writer or Joel Chandler Harris whose *Uncle Remus* and *Br'er Rabbit* tales have remained continually in print However some authors like suffragist Sarah Barnwell Elliott are virtually unknown today while others like African Americans Paul Laurence Dunbar and Alice Dunbar Nelson are known primarily as poets or diarists The editors extensive introduction locates the stories in the context of contemporary and current history and culture and each selection of tales begins with detailed information on the author Also included are bibliographies and extensive notes Showcasing the many styles topics and settings of southern local color the anthology reconnects us to an unjustly neglected literary tradition As the editors make clear such tales of the South were essential to post Civil War America's struggle to address yet contain cultural and geographic variety racial mixtures and the just clamor of women and African Americans for equality From George Washington Cable's *New Orleans* to Thomas Nelson Page's *Tidewater Virginia* to the Appalachians imagined by Sherwood Bonner these stories engage nation shaping themes war segregation immigration depression and suffrage at the personal and community levels In *Southern Local Color* we have a unique forum for pondering a timeless American question how to reconcile our diversities with a unified national identity **Performing the**

Progressive Era Max Shulman, J. Chris Westgate, 2019-05-15 The American Progressive Era which spanned from the 1880s to the 1920s is generally regarded as a dynamic period of political reform and social activism In *Performing the Progressive Era* editors Max Shulman and Chris Westgate bring together top scholars in nineteenth and twentieth century theatre studies to examine the burst of diverse performance venues and styles of the time revealing how they shaped national narratives surrounding immigration and urban life Contributors analyze performances in urban centers New York Chicago Cleveland in comedy shows melodramas Broadway shows operas and others They pay special attention to performances by and for those outside mainstream society immigrants the working class and bohemians to name a few Showcasing both lesser known and

famous productions the essayists argue that the explosion of performance helped bring the Progressive Era into being and defined its legacy in terms of gender ethnicity immigration and even medical ethics **The Literature of the American People** Arthur Hobson Quinn,1951 *A Reader's Guide to the Short Stories of Mark Twain* James Darrell Wilson,1987 The sixty five stories chosen for analysis span the length of Twain s career as professional writer show the diverse range of his genius and reflect the themes and methods characteristic of his longer more familiar works **American Short Fiction Criticism and Scholarship, 1959-1977** Joseph Weixlmann,1982 **Books in Print** ,2003-09 **International Books in Print** ,1991 **Paperbound Books in Print** ,1992 Books in Print Supplement ,1979 **Newsletter of the European Association for American Studies** European Association for American Studies,1974 **Short Story Criticism** Thomas Votteler,1991 Presents literary criticism on the works of short story writers of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers pamphlets and scholarly papers **The British Library General Catalogue of Printed Books to 1975** British Library,1985 *Uniform Trade List Annual* ,1977 *Subject Guide to Books in Print* ,2001 *The Library of Congress Author Catalog* Library of Congress,1953 Book Review Index ,1985 Every 3rd issue is a quarterly cumulation Choice ,1976 **General Catalogue of Printed Books** British Museum. Department of Printed Books,1979 *Nederlandsch letterkundig nieuwsblad* ,1975

The book delves into Setting In The American Short Story Of Local Color 18651900 Vol 3.
