Settlement Houses Under Siege The Struggle To Sustain Community Organizations In New York City:

Settlement Houses Under Siege Michael Fabricant, Robert Fisher, 2002 This book focuses on the externally driven difficulties of service workers and agencies in shaping services such as the consequences of recent conservative social policies on agency life and the way in which the present political environment influences services through privatization

The Handbook of Community Practice Marie Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Written by some of the most influential scholars in the field this Handbook covers community development organizing planning and social change as well as key issues fields of practice and global approaches

The Encyclopedia of New York State Peter Eisenstadt, 2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

Community Organization and Development Steve Clarke, 2017-03-23 This book traces the development of community development organization as it evolved separately in Britain and the United States and how the social and political situations in each country determined the various shapes and directions it took In presenting a comprehensive history of the subject Community Organization and Development draws on local and international factors that have helped to shape its application and fortunes across varied settings Recent economic and social pressures the changing demographics of developed economies and the rise of social and cultural diversity all contribute to the need for a comprehensive model that can be deployed to effect the necessary social changes required for sustained change with stability The history of this intervention technique throws up many examples from which insight can be gained for the present time and Wales is used as an example of how national policy and local development could be combined for maximum effect Community development should become reliable and quantifiable and the comprehensive model developed here demonstrates how and when it should be deployed

Community Practice David A. Hardcastle, 2011-02-18 For almost two decades Community Practice has been a definitive

text for social workers community practitioners and students eager to help individuals contribute to and use community resources or work to change oppressive community structures In this third edition a wealth of new charts and cases spotlight the linkages between theoretical orientations and practical skills with an enhanced emphasis on the inherently political nature of social work and community practice Boxes examples and exercises illustrate the range of skills and strategies available to savvy community practitioners in the 21st century including networking marketing and staging political advocacy and leveraging information and communication technologies Other features include New material on community practice ethics critical practice skills community assessment and assets inventory and mapping social problem analysis and applying community practice skills to casework practice Consideration of post 9 11 community challenges Discussion on the changing ethnic composition of America and what this means for practitioners An exploration of a vastly changed political landscape following the election of President Obama the Great Recession the rise of the Tea Party and the increasing political and corporate use of pseudo grassroots endeavors A completely revamped instructor s manual available online at www.oup.com/us/communitypractice This fully revised classic text provides a comprehensive and integrated overview of the community theory and skills fundamental to all areas of social work practice Broad in scope and intensive in analysis it is suitable for undergraduate as well as graduate study Community Practice offers students and practitioners the tools necessary to promote the welfare of individuals and communities by tapping into the ecological foundations of community and social work practice

Mobilizing New York Tamar W. Carroll, 2015-04-20 Examining three interconnected case studies Tamar Carroll powerfully demonstrates the ability of grassroots community activism to bridge racial and cultural differences and effect social change Drawing on a rich array of oral histories archival records newspapers films and photographs from post World War II New York City Carroll shows how poor people transformed the antipoverty organization Mobilization for Youth and shaped the subsequent War on Poverty Highlighting the little known National Congress of Neighborhood Women she reveals the significant participation of working class white ethnic women and women of color in New York City s feminist activism Finally Carroll traces the partnership between the AIDS Coalition to Unleash Power ACT UP and Women s Health Action Mobilization WHAM showing how gay men and feminists collaborated to create a supportive community for those affected by the AIDS epidemic to improve health care and to oppose homophobia and misogyny during the culture wars of the 1980s and 1990s Carroll contends that social policies that encourage the political mobilization of marginalized groups and foster coalitions across identity differences are the most effective means of solving social problems and realizing democracy

Macro Practice in Social Work for the 21st Century Steve Burghardt, 2013-10-18 Macro Practice in Social Work for the 21st Century Second Edition offers a modern approach to building effective career skills in macro practice Author Steve Burghardt inspires students by tracing the careers of macro practitioners from grass roots organizers to agency executives By focusing on how practitioners can make meaningful strategic choices regardless of their formal roles and responsibilities

this Second Edition takes a refreshing new approach on the key issues of how to respond to diversity and oppression the use of the internet for organization the limits of virtual trust understanding where micro and macro meet in practice and co leadership development

Neighbourhood Houses Miu Chung Yan, Sean R. Lauer, 2021-03-01 *Neighbourhood Houses* draws on a five year study to document and contextualize the neighbourhood house movement in Vancouver Social disconnection has led many observers to declare that urban communities are weakening and fragmenting Nonetheless the local community is where most aspects of everyday life occur where people establish their homes and pursue their ambitions It offers a secure haven in an unpredictable globalized world Neighbourhood houses are community hubs providing services such as public recreation child care health care and adult literacy classes bringing urban newcomers and neighbours together Contributors to this book outline the history of the Vancouver network its relationship with local government and other organizations in the region the programs and activities offered and the experiences of participants While globalization and migration create fragmented and disconnected societies in modern urban cities this timely study demonstrates that place based community organizations can provide an antidote

The House on Henry Street Ellen M. Snyder-Grenier, 2025-04 *The House on Henry Street* is a critical exploration of the enduring life of a Lower East Side settlement

Rebalancing Public Partnership John Brothers, 2016-03-03 In the US as in many other Western economies federal and state government is working to become more involved with the nonprofit sector a sector in which many of the organizations are singularly ill prepared and strategically unaligned to fulfill the new role that is being asked of them Based on his original research John Brothers brings together leading thought leaders from the United States and around the world by exploring the prevailing attitudes and perceptions of the nonprofit sector towards government and vice versa and provides advice and direction to help both sides of the equation towards effective collaborative working The main themes cover the nature and implications of regulatory reform on the sector and how non government organizations should reengineer their practices There are also chapters on some of the hot button areas of government contracting and political advocacy The text includes best practice examples case studies as well as tools and templates from across the sectors Both sides of this emerging partnership need fast track education on each other s capabilities constraints and working practice Dr Brothers contributors provide some very valuable perspectives and insights that should inform and direct this process

The People Shall Rule Robert Fisher, 2009-10-16 With the election of a community organizer as president of the United States the time is right to evaluate the current state of community organizing and the effectiveness of ACORN Association of Community Organizations for Reform Now Since 2002 ACORN has been dramatically expanding and raising its national profile it has also been weathering controversy over its voter registration campaigns and an internal financial scandal The twelve chapters in this volume present the perspectives of insiders like founder Wade Rathke and leading outside practitioners and academics The result is a thorough detailing of ACORN s founding and its changing strategies including vivid accounts and analyses of its campaigns on the living wage

voter turnout predatory lending redlining school reform and community redevelopment as well as a critical perspective on ACORN's place in the community organizing landscape *The Handbook of Human Services Management* Rino J. Patti, 2009 Focusing on an effectiveness driven approach to management in the human services Rino J Patti's *The Handbook of Human Services Management* Second Edition explores the latest information on practice innovations theoretical perspectives and empirical research to provide an essential perspective on what managers do to create and sustain organizations that deliver high quality effective services to consumers Offering the most comprehensive coverage of human services management available today this second edition includes 24 chapters authored by distinguished practitioners and scholars in human services management 10 that are entirely new and 14 that have been extensively revised The Handbook is accompanied by an Instructor's Manual

Settlement Sociology in the Progressive Years Joyce E. Williams, Vicky M. MacLean, 2015-06-24 *Settlement Sociology in the Progressive Years* claims for sociology a lost history and paradigm only recently acknowledged for shaping the American sociological tradition Williams and MacLean trace the key works of early scholar activists through the leading settlement houses in Chicago New York and Boston The roots of sociology as a public enterprise for social reform are restored to the canon through early research teaching and social advocacy The settlement paradigm of neighborly relations combining the visions of social gospellers and first wave feminists will resonate for a renewed public sociology today Key to this paradigm was the movement to settle in neighborhoods and become active in the struggle for social change in a period of rapid industrialization immigration and urbanization *Union Contributions to Labor Welfare Policy and Practice* Paul A. Kurzman, R. Paul Maiden, 2013-12-16 This book focuses on the contributions of organized labor in the development and evolution of workplace human services in America and eight countries around the world Beginning with an overview of labor sponsored social service programs it showcases the achievements by major trade unions in the arena of human services from inception to present The textbook concludes with a summary chapter which conceptualizes and summarizes current achievements and forecasts the future role of the labor movement in the delivery of workplace human services in the United States and abroad It will be of use to those involved in the labor movement as well as practitioners in the fields of social work human services and labor and industrial relations This book was published as a special issue of the *Journal of Workplace Behavioral Health*

Presumed Criminal Carl Suddler, 2019-07-02 A startling examination of the deliberate criminalization of black youths from the 1930s to today A stark disparity exists between black and white youth experiences in the justice system today Black youths are perceived to be older and less innocent than their white peers When it comes to incarceration race trumps class and even as black youths articulate their own experiences with carceral authorities many Americans remain surprised by the inequalities they continue to endure In this revealing book Carl Suddler brings to light a much longer history of the policies and strategies that tethered the lives of black youths to the justice system indefinitely The criminalization of black youth is inseparable from its racialized origins In the mid twentieth

century the United States justice system began to focus on punishment rather than rehabilitation By the time the federal government began to address the issue of juvenile delinquency the juvenile justice system shifted its priorities from saving delinquent youth to purely controlling crime and black teens bore the brunt of the transition In New York City increased state surveillance of predominantly black communities compounded arrest rates during the post World War II period providing justification for tough on crime policies Questionable police practices like stop and frisk combined with media sensationalism cemented the belief that black youth were the primary cause for concern Even before the War on Crime the stakes were clear race would continue to be the crucial determinant in American notions of crime and delinquency and black youths condemned with a stigma of criminality would continue to confront the overwhelming power of the state *Encyclopedia of Social Work* ,1965 **Organizing for Community Controlled Development** Patricia W. Murphy,James V. Cunningham,2003-01-23

It is a worthy book with probably the best collection of resources anywhere for those trying to combine organizing and development SHELTERFORCE MAGAZINE Organizing for Community Controlled Development is about renewing and revitalizing local living places through shared grassroots work focused on stimulating racial unity civic vigor and economic fairness It proposes a detailed model for understanding the communities we call home and for guiding residents and their allies to strengthen local assets reduce distress and make and control needed social political and economic plans for change This book s coast to coast and beyond set of down to earth case studies aims at helping readers understand what are effective and what are ineffective methods for tackling renewal Key Features Cases and their assessments These offer ways that small communities across the globe today can honor diversity and civic responsibility and build programs that promote and facilitate year around participation while maintaining fruitful links to the governments businesses foundations and other institutions that can provide essential resources for change How to chapters These chapters contain detailed tested techniques for recruiting planning fundraising communicating leadership growth and other skills and processes that are part of the book s model which combines community organizing and community economic development Suggestions on how and why authentic renewal groups can lay claim to resources adequate to carry out quality programs and projects with lasting impact Throughout the authors propose how organizing planning and implementation activities can be carried out with widespread inclusion of residents and other parties of interest thereby insuring authenticity ownership and support Technical chapters on making a long range plan for a renewal organization Making a plan for a small community and all its interests is covered from building social strength securing adequate resources building a community s financial assets and creating affordable housing to transforming a local shopping area and boosting workforce development Intended Audience The book was written for students who aspire to work as community organizers and all those who practice organizing and community development whether as volunteers or professionals *Urban Spaces* James Jennings,Julia Sheron Jordan-Zachery,2010-01-01 Urban Spaces is an interdisciplinary reader focusing on community based versus

corporate based political and ideological struggles over the utilization of urban land and spaces **The SAGE Handbook of Youth Work Practice** Pam Alldred,Fin Cullen,Kathy Edwards,Dana Fusco,2018-07-02 The SAGE Handbook of Youth Work Practice showcases the value of professional work with young people as it is practiced in diverse forms in locations around the world The editors have brought together an international team of contributors who reflect the wide range of approaches that identify as youth work and the even wider range of approaches that identify variously as community work or community development work with young people youth programmes and work with young people within care development and informal education frameworks The Handbook is structured to explore histories current practice and future directions Part One Youth Work and Approaches to Professional Work with Young People Part Two Professional Work With Young People Projects and Practices to Inspire Part Three Values and Ethics in Work with Young People Part Four Current Challenges and Hopes for the Future Organizational and Structural Dilemmas in Nonprofit Human Service Organizations Hillel Schmid,2013-01-11 Improve your organization s performance for the well being of your clients Organizational and Structural Dilemmas in Nonprofit Human Service Organizations explores the common pitfalls that plague nonprofit human service organizations and cause them to fail in their missions In this book leading scholars analyze and evaluate the inherent difficulties that impede effectiveness in these organizations With this wide ranging body of knowledge research findings and information you will be able to identify key areas in your organization that may become troublesome at a later date and prevent them from deteriorating This valuable tool also includes advice and suggestions for repairing detrimental situations that have already occurred or are taking place The book supplies solutions for repairing or preventing any permanent damage to your organization s structure value or reputation Organizational and Structural Dilemmas in Nonprofit Human Service Organizations will help you set successful long term strategies for your organization despite changes in laws programs and public sentiment With this book you will learn more about the changing identity of federated community service organizations the role of congregations as social service providers volunteer and paid staff relations the implications of welfare to work programs the cycles of public sentiment as expressed through the media the issue of nonprofit executive misbehavior the preferences of social work graduates for employment in various sectors of the welfare economy such as for profit as opposed to nonprofit the differences between for profit and nonprofit organizations
