Seul Avec Dieu L'aventure Mystique:

Seul avec Dieu Jean-Pierre Jossua, 1996 Issue de la spiritualité grecque tardive la mystique occidentale traverse le christianisme partir du V^e siècle en adoptant des formes diverses Elle va connaître les soubresauts propres toute aventure spirituelle passionnée des floraisons extraordinaires des clipses noires des temps d'apaisement A ces périodes appartiennent les grands actes d'un Moyen Âge d'inspiration intellectuelle la suite du pseudo-dénys souffrant et affectif avec Bernard de Clairvaux de nouveau plus spirituel au XIV^e siècle sous l'impulsion dominicaine Le XVI^e siècle portera la mystique sa quintessence travers les hautes figures de Sainte Thérèse d'Avila et de Saint Jean de la Croix Jean-Pierre Jossua suit la trace le parcours de l'expérience unitive interrogeant l'histoire avec exigence et lucidité poussant jusqu'en ses derniers retranchements la question suprême seul avec Dieu

"Le ciel est en toi" Michel Cornuz, 2001 Veut donner les clefs pour entrer dans ce vaste univers de la mystique chrétienne afin de permettre au lecteur de se situer par rapport ce type de spiritualité L'originalité de la démarche est de présenter la voie mystique par des commentaires de textes par lesquels les mystiques tentent de rendre compte de leur expérience Cette démarche permet de préserver la distance avec ces textes

Roads of Excess, Palaces of Wisdom Jeffrey J. Kripal, 2001-12 William Blake once wrote that The road of excess leads to the palace of wisdom Inspired by these poetic terms Jeffrey J Kripal reveals how the works of scholars of mysticism are often rooted in their own mystical experiences roads of excess which can both lead to important insights into these scholars works and point us to our own palaces of wisdom In his new book Kripal addresses the twentieth century study of mysticism as a kind of mystical tradition in its own right with its own unique histories discourses sociological dynamics and rhetorics of secrecy Fluidly combining autobiography and biography with scholarly exploration Kripal takes us on a tour of comparative mystical thought by examining the lives and works of five major historians of mysticism Evelyn Underhill Louis Massignon R C Zaehner Agha Khan and Elliot Wolfson as well as relating his own mystical experiences The result Kripal finds is seven palaces of wisdom the religious power of excess the necessity of distance in the study of mysticism the relationship between the mystical and art the dilemmas of male subjectivity and modern heterosexuality a call for ethical criticism the paradox of the insider outsider problem in the study of religion and the magical power of texts and their interpretation An original and penetrating analysis of modern scholarship and scholars of mysticism Roads of Excess Palaces of Wisdom is also a persuasive demonstration of the way this scholarly activity is itself a mystical phenomenon

De l'écriture mystique au féminin Geneviève James, 2005 Ce collectif propose une approche multidisciplinaire de la mysticité des femmes Le mot mysticité est entendu ici dans son sens littéral de pratique mystique d'union intuitive et intense Les auteurs tentent d'explicitier par une critique plurielle de leurs écrits la créativité mystique et littéraire de femmes mystiques chrétiennes de dévotionnelles en quête de mysticisme chrétien ou bouddhiste et de femmes accusées de sorcellerie ou d'écarts *The Centrality of Religion in Social Life* Eileen Barker, 2021-11-18 James A Beckford's work is internationally acclaimed not only in the

sociology of religion but also in other fields of the social sciences Beckford has long been arguing that the barriers that have grown up between the different sub disciplines should be broken down with those specialising in religion becoming more cognisant of new theoretical developments and sociologists in general becoming more aware of the significance of developments in the religious scene This book is a collection of essays written in Beckford's honour drawing on a number of religious themes that have been central to Beckford's interests whilst also offering a significant contribution to our understanding of the wider society A central theme is modernity and its relation to the post modern and how religion affects and is affected by the dynamics of contemporary society with the primary focus of many of the chapters being a concern with how society copes with the minority religions that have become visible with the globalising tendencies of contemporary society The contributors who come from America Asia and various parts of Europe are all internationally renowned scholars Beckford's most important publications are listed in an Appendix and the volume opens with a short account of his contribution to sociology by Eileen Barker the editor and James T Richardson

La mystique, une religion épurée ? Jacques Arnould, Alain Houziaux, Michel Meslin, Jean-Louis Schlegel, 2008 Le mot mystique voque souvent l'ange le paranormal voire la mystification Mais la mystique c'est aussi l'expérience spirituelle de saint Jean de la Croix et de sainte Thérèse d'Avila Quelle est-elle donc Pour Alain Houziaux le sentiment mystique se situe dans l'effacement de chacun croyants ou athées devant le mystère de phénomènes simples et quotidiens Michel Meslin considère que l'expérience mystique est la prise de conscience d'une réalité qui demeure insaisissable aux facultés humaines La sélection de textes littéraires proposés par Jean-Louis Schlegel permet d'entrer dans une compréhension du monde mystique Enfin l'expérience de Teilhard de Chardin rapportée par Jacques Arnould rappelle que la mystique est une prise en compte de la vie considérée comme un chemin de devenir et non comme un danger dont il faudrait se détourner

Therese of Lisieux Thomas R. Nevin, 2006-10-12 Therese of Lisieux 1873-1897 also known as St Therese of the Child Jesus and the Holy Face is popularly named the Little Flower A Carmelite nun doctor of the church and patron of a score of causes she was famously acclaimed by Pope Pius X as the greatest saint of modern times Therese is not only one of the most beloved saints of the Catholic Church but perhaps the most revered woman of the modern age Pope John Paul II described her as a living icon of God Her autobiography *Story of a Soul* has been translated into sixty languages Having long transcended national and linguistic boundaries she has crossed even religious ones As daughter of Allah she is venerated widely in Islamic cultures Therese has been the subject of innumerable biographies and treatises ranging from hagiographies to attacks on her intelligence and mental health Thomas R Nevin has gained access to many untapped archival materials and previously unpublished photographs As a consequence he is able to offer a much fuller and more accurate portrait of the saint's life and thought than his predecessors He explores the dynamics of her family life and the early development of her spirituality He draws extensively on the correspondence of her mother and documents her influence on Therese's autobiography and spirituality He charts the development of Therese's career as a writer He gives close

attention to her poetry and plays usually dismissed as undistinguished and argues that they have great value as texts by which she addressed and informed her Carmelite community He delves into the French medical literature of the time in an effort to understand how the tuberculosis of which she died at the age of 24 was treated and lamentably mistreated Finally he offers a new understanding of Th r se as a theologian for whom love rather than doctrines and creeds was the paramount value Adding substantially to our knowledge and appreciation of this immensely popular and attractive figure this book should appeal to many general readers as well as to scholars and students of modern Catholic history *Leonard Cohen*

Christophe Lebold,2024-09-05 Leonard Cohen has aimed high to be all Jewish heroes at once Like Jacob he struggled with angels Like David he sang psalms and seduced women But he never ceased doing what he did best going from city to city and reviving our hearts Leonard Cohen The Man Who Saw the Angels Fall follows the singer s cosmopolitan life from Montreal and New York to the Greek island of Hydra and examines his perpetual dialogues with himself God and avalanches We see how six decades of radiant pessimism and a few thousand nights in hotel rooms transformed a young Jewish poet who longed to be a saint into an existentialist troubadour in love with women and a gravelly voiced crooner who taught a thousand ways of dissolving into love After more than two decades of research and travels Christophe Lebold who befriended the poet and spent time with him in Los Angeles delivers a stimulating analysis of Cohen s life and art Gracefully blending biography and essay he interrogates the mission Cohen set out for himself to show us that darkness is just the flip side of light *Looking at Mindfulness*

Christophe Andre,2015-03-03 A book to help you achieve mindfulness and practice meditation while looking at the world s greatest works of art Psychiatrist and leading meditation practitioner Christophe Andr guides you through the art of mindfulness beginning with art itself Looking at Mindfulness collects classic and esoteric paintings from Rembrandt to Hopper to Magritte and offers a lucid commentary on the inner workings of each Andr describes the dynamic on the canvas and turns to the viewer s own reactions exploring the connection between what we see and what we feel Moving beyond the art on the page Andr teaches us what it means to consider our surroundings our daily interactions and obligations and their effect on our inner well being and mental clarity The paintings are a visual and tangible first step to understanding mindfulness and the benefits of living in the moment In practicing mindfulness within ourselves and out in the world each of us can make immediate meaningful and permanent changes in our well being and the well being of others Beautifully written wonderfully accessible for any novice or expert Looking at Mindfulness delivers practical steps and a comprehensive understanding of the practice and meaning of mindfulness and meditation An authentic and effortless voice Andr brings clarity to what it means to live mindfully and how we can make a more conscious effort to do so *De l'écriture mystique au féminin*

The Mystery and the World Maria Clara Bingemer, 2016-05-10 During the past century an enormous effervescence of events changed the sociopolitical configuration of the world The interpretation of these facts helped further deepen the crisis in which modern thought already found itself and it generated the uncertain and unstable environment in which we live today the so called postmodernity late modernity or hypermodernity In this context one of the most profound impacts is most certainly the one on religion During the twentieth century religion proved not to be banished from the human horizon as the masters of suspicion intended Known as the godless century the twentieth century saw also a resuscitation of the search for the sense of life and spirituality With the crisis of modern reason humankind turned toward consumerism and provisional and light practices The last century represents not only the height of the postmodernization process but also the rescue of the transcendent and absolute even if it is an absolute without face and identity It is in this scenario that religious experiences apparently exiled by modern rationality begin to occur and multiply again Mystical experiences will be then the basis for highlighting recurrent characteristics with universal import But they will show a different configuration than before One will be able to find them not in so called sacred spaces but in very secular ones not so much within institutions but at the borders or even outside them not configured by a specific tradition but in an interface that makes more than one tradition meet and dialogue

Dieu est dans l'instant Jean-Pierre Jossua, 2009-09-01 J'ai publié en 2006 chez Arfuyen un petit volume crit entre 2003 et 2005 et intitulé Carnets du veilleur qui a reçu un bon accueil Il s'agissait de notations brèves liées une motion une réflexion spirituelle ou théologique un événement Le caractère dominant était celui d'une attente qu'est ce qui peut advenir Comment Dieu vient-il nous et d'une attention à l'avenir en train de se produire Dans les années suivantes j'ai continué d'écrire de petits textes la fois semblables aux précédents et différents un peu plus longs un peu plus réflexifs un peu plus attentifs l'instant présent Je les avais d'abord intitulés Proses sur le seuil car l'attention ou la veille et le seuil ou la frontière sont les figures majeures de tout rapport à l'inconnu ce qui est mystérieux Dieu s'il se manifeste dans notre existence Le titre actuel dit mieux ce dont il s'agit finalement cet absolu dans l'instant que cherchent les poètes mais pour moi il a un nom **En route !**

En route ! Florence Trystram, 1996 En route Un drôle de sujet qui touche aussi bien la géographie et la politique qu'aux progrès des techniques et des transports et que Florence Trystram a choisi d'aborder galement sous l'angle d'un certain art de vivre ou du moins de se déplacer en France depuis la création des voies romaines en Gaule conquise Il s'agit donc de l'irrésistible besoin qui nous anime de parcourir la variété des paysages qui forment notre pays des défis que la vitesse croissante autorise des mille embûches contre lesquelles des générations de voyageurs vont s'acharner pour conquérir la sécurité routière des tapes et des relais qui jalonnent les itinéraires des efforts des ingénieurs pour concevoir la route idéale et le véhicule parfait jusqu'à nos modernes autoroutes

La mystique démythifiée Fabrice Blée, 2011-03-22 00:00:00-04:00 Nombreux sont ceux et celles que ce silence attire et qui souvent par la force des choses se tournent vers d'autres spiritualités pour l'incarner dans

leur quotidien Cet ouvrage propose des réflexions sur l'importance de ressaisir les richesses de la tradition mystique du christianisme Cet ouvrage renferme les meilleures interventions du colloque La mystique d'aujourd'hui qui s'est tenu à l'université Saint Paul d'Ottawa en juin 2009

L'expérience spirituelle dans la tradition chrétienne Pierre Miquel, 1999 Peut-on avoir l'expérience de Dieu Faut-il croire ceux qui l'ont eue Comment discerner une expérience authentique d'une expérience imaginée Pour répondre à ces questions Dom Pierre Miquel propose une enquête chez les auteurs spirituels puis chez les philosophes et les savants Après quelques siècles de rationalisme la mystique est la mode encore faut-il du discernement pour ne pas perdre la raison L'encyclique récente de Jean-Paul II Foi et raison permettra peut-être des philosophes de trouver la foi et des théologiens de retrouver la raison Sans prétendre être exhaustive cette étude permet de réhabiliter l'expérience spirituelle devenue suspecte à l'époque de la Réforme puis au temps du modernisme Si la théologie n'assume pas l'expérience mystique la mystique devient sauvage comme on le constate dans le pullulement des sectes Les excès ne doivent pas faire oublier qu'une théologie sans expérience est aussi dangereuse qu'une expérience sans théologie

L'inconnu en chemin Olivier Rousseau, 2017-06-27 La foi dans le Christ ouvre une expérience personnelle de Dieu ouverte sur l'universel Mais comment en rendre compte auprès d'hommes et de femmes en quête de sens aujourd'hui Ce parcours propose en cinq tapes de comprendre tout à la fois le fondement de l'expérience croyante en Jésus-Christ et son approfondissement dans le temps de l'Eglise le Règne de Dieu le martyre la Parole l'obéissance la mission Chacun de ces aspects de la spiritualité chrétienne sert de porte d'entrée pour la situer au sein d'une époque donnée L'évolution de la spiritualité au gré des gestes et des cultures traduit le caractère dynamique de cette alliance de Dieu avec les hommes et clameur notre propre recherche spirituelle

Augustin est-il mystique ? Mireille Cassin, 2018-03-16 Ce travail s'attache à vérifier la pertinence de la question posée par A. Mandouze en 1954 et demeure en suspens Augustin était-il lui-même un mystique Il ne s'agit donc pas de traiter de la mystique Augustinienne mais d'Augustin mystique Il est impossible alors de dissocier la vie d'Augustin et ses œuvres qui offrent de multiples témoignages explicites ou plus voilés de l'expérience concrète d'une relation ontologique son Dieu entrée dans la vie trinitaire Les Confessions et le De Trinitate sont naturellement de la première importance mais l'Augustin mystique peut aussi se révéler au détour de textes aussi divers que ses commentaires scripturaires ses lettres ses sermons et autres œuvres dites mineures qui débordent tout corpus *pos priori*
