Ethnicity and Cultural Authority Daniel G. Williams, 2005-12-08 Longlisted for the Wales Book of the Year 2007 Writing in 1903 W E B Du Bois suggested that the goal for the African American was to be a co worker in the kingdom of culture He was evoking culture as a solution to the divisions within society thereby adopting in a very different context an idea that had been influentially expressed by Matthew Arnold in the 1860s Du Bois questioned the assumed universality of this concept by asking who ultimately is allowed into the kingdom of culture How does one come to speak from a position of cultural authority This book adopts a transatlantic approach to explore these questions It centres on four Victorian men of letters Matthew Arnold William Dean Howells W B Yeats and W E B Du Bois who drew on notions of ethnicity as a basis from which to assert their cultural authority In comparative close readings of

Susan F. Martin,2021-03-25 Immigration makes America what it is and is formative for what it will become America was settled by three different models of immigration all of which persist to the present The Virginia Colony largely equated immigration with the arrival of laborers who had few rights Massachusetts welcomed those who shared the religious views of the founders but excluded those whose beliefs challenged prevailing orthodoxy Pennsylvania valued pluralism becoming the most diverse colony in religion language and culture A fourth anti immigration model also emerged during the colonial period and was often fueled by populist leaders who stoked fears about newcomers Arguing that the Pennsylvania model has best served the country this book makes key recommendations for future immigration reform Given the highly controversial nature of immigration in the United States this second edition updated to analyze policy changes in the Obama and Trump administrations provides valuable insights for academics and policymakers *A History of American Literature: Later national literature: pt. 3*,1921 **The Idea of Europe and the Origins of the American Revolution** D.
