Seven Sacred Rites Of Menarche The Spiritual Journey Of The Adolescent Girl:

The Seven Sacred Rites of Menarche Kristi Meisenbach Boylan, 2001 Kristi Meisenbach Boylan follows up her highly acclaimed *The Seven Sacred Rites of Menopause* with a beautifully written insightful book about menarche the first menstrual cycle and its effect on a young girl's spiritual journey from maidenhood to motherhood While more and more parents are explaining in clear open terms what happens physically to their daughters as they move through puberty they often leave out the emotional implications More importantly they often fail to address the spiritual impact of the transition Meisenbach Boylan believes that parents need to make room for positive rituals in the lives of their daughters These rites can act as a spiritual map for our daughters to follow as they make their way through the perilous landscape of adolescence Young girls need these rites in order to truly understand that menarche is the central event that occurs as they make the pilgrimage from the safe cocoon of their parent's world into a world of their own And more importantly they need these rites in order to understand that it's okay to weep and to feel lost and alone at certain points along the way The author not only outlines these rites but includes celebrations for parents and their daughters to share during this amazing time of growth Although it often seems like an overnight event the changes that transform a girl from maidenhood to motherhood do not happen instantaneously *The Seven Sacred Rites of Menarche* shows parents how to join their daughters on this wondrous journey

Mother Daughter Wisdom Christiane Northrup, M.D., 2006-03-28 From the best selling author of *Women's Bodies* *Women's Wisdom* and *The Wisdom of Menopause* With such groundbreaking bestsellers as *Women's Bodies* *Women's Wisdom* and *The Wisdom of Menopause* Dr Christiane Northrup is one of today's most trusted and visionary medical experts Now she presents her most profound and revolutionary approach to women's health The mother daughter relationship sets the stage for our state of health and well being for our entire lives Because our mothers are our first and most powerful female role models our most deeply ingrained beliefs about ourselves as women come from them And our behavior in relationships with food with our children with our mates and with ourselves is a reflection of those beliefs Once we understand our mother daughter bonds we can rebuild our own health whatever our age and create a lasting positive legacy for the next generation *Mother Daughter Wisdom* introduces an entirely new map of female development exploring the five facets of feminine power which range from the basics of physical self care to the discovery of passion and purpose in life This blueprint allows any woman whether or not she has children to repair the gaps in her own upbringing and create a better adult relationship with her mother If she has her own daughter it will help her be the mother she has always wanted to be Written with warmth enthusiasm and rare intelligence *Mother Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women *The Spirit of a Woman* Terry Laszlo-Gopadze, 2010-06-15 Combining storytelling and courageous honesty *The Spirit of a Woman* Stories to Empower and Inspire is an indispensable resource for every woman providing inspiring stories of female creativity and compassion for those who want to lead lives full of meaning

and purpose Consisting of approximately two dozen nonfiction essays by authors such as Lauren Artress Christina Baldwin Bobbi Gibb Mama Donna Henes Jyoti Dr Gladys McGarey Suni Paz Hagit Raanan Janet Grace Riehl and Sheri Ritchlin the book is a celebration of courageous women living spiritual lives in the face of challenging circumstances Each story is unique and demonstrates the art of storytelling at its best The women who wrote the stories come from many nations ages and personal histories They have encountered the difficulties that are part of a fully lived life and instead of fleeing the unknown they have honored the mystery and faced fear with faith They see closed doors as openings to new choices and possibilities They are spiritual optimists and activists fighting for causes that resonate deep within their souls Some have used the backgrounds of their cultures and traditions to lead richer more meaningful lives Some have moved from one faith to another or even to many other faiths Others have left tradition behind to encounter spirituality in new and wonderful ways And every single one of them sees life as a sacred trust
