1 Kings 1 to 11, Proverbs, and Ecclesiastes John F. MacArthur, 2016-03-29. Solomon is known as the wisest man who ever lived. His writings in the Old Testament range from practical pithy proverbs to beautiful romantic poetry and all are filled with his knowledge and insights. Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly. Sadly the king who warned against so many sins did not follow his own advice and he wound up leading Israel into idolatry. Nevertheless his life and writings provide valuable lessons for us today in the twenty first century. In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Solomon's ascent to the throne and continuing through his tragic end. Studies include close up examinations of the vital importance of wisdom with portraits of the wise woman, the foolish sluggard and others in the book of Proverbs and careful considerations of doctrinal themes such as True Wisdom from God and A Time for Everything.

Our Sufficiency in Christ John MacArthur, 1998-07-10. Christ's divine power has granted to us everything pertaining to life and godliness. 2 Peter 1:3. Pure Christianity needs no embellishment whatsoever. We find complete sufficiency in Christ and His provision for our needs. But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world. So they look for something more, an emotionally exciting and self edifying experience not found in God's Word. This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences causing many modern believers to

mix biblical truths with seemingly helpful man made methods such as mysticism and psychology As a result they wallow in a watered down pseudo Christianity that has been drained of its vitality effectiveness and security In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error It will make you newly aware of how completely God provides and give you a renewed understanding of what it means to be complete in Christ A Plea for Unity John MacArthur, 1990 Christians share a bond unlike any other an eternal bond Dr MacArthur shows how the principles of unity can be applied to every attitude and area of church life With a call to humility he reminds us that our objectives must be selfless looking out for the needs of others as we develop Christlike characteristics within ourselves
