Proncell F. Johnson Jr., 2018-02-22 *The Christians God Does Not Exist Yes He She Does* By Proncell F Johnson Jr Carl Sagan popular astronomer cosmologist astrophysicist and astrobiologist wrote *We are Star Stuff* which has taken its destiny into its own hands The scientific community basically agrees that everything is made of atoms Proncell F Johnson Jr says that they are all wrong Johnson shows that the material universe along with us mortals is one big illusion for all things are actually incorporeal spiritual the manifestation of the spiritual being we Christians have come to call God He says that the realization of and utilization of this fact will enable one to duplicate for himself the so called miracles of Christ Jesus in degrees thus proving the existence of this God and the non existence of matter Johnson's proof is based upon a law of physics that make it all but impossible to refute as the below reviews confirm *The Infinite Nature of Man* Rolf A. F. Witzsche, 2003 *If I Knew Then What I Know Now* John Paciorek, 2018-04-19 The joy of first time big league baseball experience is the fulfillment of countless childhood dreams imagining glorified moments of grandeur My first taste of major league fan adulation made me

feel good and I wanted more even for just another moment The enthusiasm with which the sportscaster mentioned my name along with details of my first game exploits slowed only after his summation conferred upon me the unofficial major league batting title The 1963 baseball season ended that day and he as well as the entire Colt 45 Organization was looking forward to a brilliant future for this phenomenal rookie and the Organization itself The 1964 spring training began in February and I was anxious to make the team and be in the starting lineup on opening day April 13 in Cincinnati Monday's game would begin at 1 00 PM The lineups were announced and the cards presented to the umpires prior to the first pitch It was without a sudden unexpected sense of disappointment that one prominent name was unobtrusively replaced in the visiting team's lineup It would have been an unconscionable act of omission had the world of dreams maintained its credibility in the unimaginative world of reality It seems that a personally satisfying account not only of what could have been but of what can be is a new prospect only to be explored presently in the mind's incredible realm of imagination I now sense that I always had an inherent right to experience my life story in the way that I wanted it to be I realize that I could have lived with an uncommon understanding that I do create my own reality The future is the only perpetuation of time but now is the constantly new exemption from time's past It seems unfortunate that it should have taken more than fifty years to accrue life's valuable lessons and then find little time remaining to take advantage of the wisdom that would have been found to give most beneficial service to the days of youth If I knew then what I know now what could have been Suddenly a thought occurred to me How and why is all this knowledge and the understanding and application of it coming into my human experience I seem so far advanced of the times in this year of 1964 *The Lifestyle of God's True Believers* Garratt Edsall,2010-09 This work is laid out as guide first to help the individual believer understand God's order for their soul life next how to apply His Word to their psyche soul then how to exercise their believing to throw the power of God through His gift of holy spirit into manifestation If an individual falters in their believing this writing may aid them to diagnose where the deficiency resides and then make reparations so as to achieve success The strengthening of the Body of Christ through the strengthening of each member is the ultimate goal [The Apocalypse](#) Charles H. Talbert,1994-01-01 In this concise and clearly written commentary Charles H Talbert brings to mainline Christians a fresh reading of the book of Revelation demonstrating that it is not only accessible but relevant for the modern day Christian According to Talbert the primary causes of the marginalized status of the book of Revelation by mainline Christians are threefold the apparent inaccessibility of its meaning the seeming impossibility of its pastoral application and its demonstrated susceptibility to abuse Talbert ably demonstrates that the book of Revelation was written to help the early Christians avoid assimilation into the larger pagan culture Talbert also gives full attention to the literature of the Greco Roman early Christian and early Jewish worlds as he examines the more mystical components of the narrative **The Emergence of Christian Science in American Religious Life** Stephen Gottschalk,2024-07-26 Christian Science is one of only two indigenous American religions the other

being Mormonism Yet it has not always been examined seriously within the context of the history of religious ideas and the development of American religious life Stephen Gottschalk fills this void with an examination of Christian Science s root concepts the informing vision and the distinctive mission as formulated by its founder Mary Baker Eddy Concentrating on the quarter century preceding Eddy s death a period of phenomenal growth for Christian Science Gottschalk challenges the conventional academic view of the movement as a fringe sect He finds instead a serious and distinctive though radical religious teaching that began to flower just as orthodox Protestantism began to fade He gives a clear and detailed account of the rancorous controversies between Christian Science and the various mind cure and occult movements with which it is often associated and contends that Christian Science appealed to disenchanted Protestants because of its pragmatic quality a quality that relates it to the mainstream of American culture This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 Der Herold der Christlichen Wissenschaft ,1921
