*A COMPARATIVE STUDY OF ALTAIC MYTHOLOGIES IN CHINA* G. Namjil, Wang Ruli, 2023-08-28 Lending support to the search for the roots of the Altaic language family and pushing forward the field of Altaic mythologies and related topics this comprehensive study of the early beliefs of China's Altaic peoples is the first thorough systematic academic treatment in this as yet underdeveloped research field While discussing nine types of Altaic mythologies *A Comparative Study of Altaic Mythologies in China* uses primary sources in several languages to explore Altaic myths origins development over centuries lineage relationships and external influences For this purpose it compares the mythologies of various ethnic groups within the Altaic language family Altaic mythologies with those of other cross language and cross cultural ethnic groups having direct indirect or even no cultural exchanges with them in history as well as Altaic mythologies with folklore religion and other interdisciplinary domains of Altaic Studies by applying the theories and methods of comparative literature studies comparative folklore studies and comparative mythology to a vast collection of mythological materials As wide ranging as it is deeply researched this serious exploration of Altaic Studies breaks the boundaries of the previously closed research model expands theoretical horizons broadens the research scope introduces a new mechanism for understanding myths and co cultures of the Altaic language family and offers insight toward the reconstruction of Proto Altaic Mythology

*Philosophical Perspective on Cinema* Pedro Blas González, 2022-05-17 The main premise of *Philosophical Perspective on Cinema* is simple Can a visual medium such as cinema put in greater perspective diverse aspects of human experience Films are usually sorted by genres but by applying metaphysical existential categories to cinema the author enables readers to reflect on the nature and essence of existence by making life appear less transparent to itself Undoubtedly the connection between sensual reality and philosophical reflection is often glossed over when the emphasis is placed on theoretical abstractions and not life itself While this work is a reflection on the philosophy of existence the author embraces a practical approach to the metaphysical existential foundation of human existence

**Tales of the Punjab Told by the People** Flora Annie Webster Steel, 1894 *Tales of the Punjab, Told by the People* Steel, 1894

**Coming Back to a Theater Near You** Brian Hannan, 2016-06-05 In the Silent Era film reissues were a battle between rival studios every Mary Pickford new release in 1914 was met with a Pickford re release For 50 years after the Silent Era reissues were a battle between the studios who considered old movies found money and cinema owners who often saw audiences reject former box office hits In the mid 1960s the return of *The Bridge on the River Kwai* 1957 the second biggest reissue of all time altered industry perceptions and James Bond double features pushed the revival market to new heights In the digital age reissues have continued to confound the critics This is the untold hundred year story of how old movies saved new Hollywood Covering the booms and busts of a recycling business that became its own industry the author describes how the likes of Charlie Chaplin Humphrey Bogart and Alfred Hitchcock won over new generations of audiences and explores the lasting appeal of films like Napoleon

1927 *Gone with the Wind* 1939 *The Rocky Horror Show* 1975 and *Blade Runner* 1982      **Broadway Actors in Films, 1894-2015** Roy Liebman, 2017-02-07 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry includes highlights of the performer's career a list of stage appearances and a filmography      **Piracy and Maritime Crime: Historical and Modern Case Studies** Bruce A. Ellerman, Andrew Forbes, David Rosenberg, 2011      *The Girl and the Seven Thieves* Olivia Snowe, 2014-07-01 Eira and her stepmother don't get along but she never expected to be left in a New York City alley When seven thieves find her she'll have to try to trust them      **The Good, the Bad, and Me** Eli Wallach, 2005 The author recounts his early years in Brooklyn struggles to become an actor work with such stars as Marlon Brando and Marilyn Monroe and role as one of the earliest members of the famed Actors Studio      Abraham Lincoln and White America Brian R. Dirck, 2015-06-19 As Savior of the Union and the Great Emancipator Abraham Lincoln has been lauded for his courage wisdom and moral fiber Yet Frederick Douglass's assertion that Lincoln was the white man's president has been used by some detractors as proof of his fundamentally racist character Viewed objectively Lincoln was a white man's president by virtue of his own whiteness and that of the culture that produced him Until now however historians have rarely explored just what this means for our understanding of the man and his actions Writing at the vanguard of whiteness studies Brian Dirck considers Lincoln as a typical American white man of his time who bore the multiple assumptions prejudices and limitations of his own racial identity He shows us a Lincoln less willing or able to transcend those limitations than his more heroic persona might suggest but also contends that Lincoln's understanding and approach to racial bigotry was more enlightened than those of most of his white contemporaries Blazing a new trail in Lincoln studies Dirck reveals that Lincoln was well aware of and sympathetic to white fears especially that of descending into white trash a notion that gnawed at a man eager to distance himself from his own coarse origins But he also shows that after Lincoln crossed the Rubicon of black emancipation he continued to grow beyond such cultural constraints as seen in his seven recorded encounters with nonwhites Dirck probes more deeply into what white meant in Lincoln's time and what it meant to Lincoln himself and from this perspective he proposes a new understanding of how Lincoln viewed whiteness as a distinct racial category that influenced his policies As Dirck ably demonstrates Lincoln rose far enough above the confines of his culture to accomplish deeds still worthy of our admiration and he calls for a more critically informed admiration of Lincoln that allows us to celebrate his considerable accomplishments while simultaneously recognizing his limitations When Douglass observed that Lincoln was the white man's president he may not have intended it as a serious analytical category But as Dirck shows

perhaps we should do so the better to understand not just the Lincoln presidency but the man himself      **Sacred Plunder** David M. Perry,2015-06-18 In *Sacred Plunder* David Perry argues that plundered relics and narratives about them played a central role in shaping the memorial legacy of the Fourth Crusade and the development of Venice's civic identity in the thirteenth century After the Fourth Crusade ended in 1204 the disputes over the memory and meaning of the conquest began Many crusaders faced accusations of impiety sacrilege violence and theft In their own defense they produced hagiographical narratives about the movement of relics a medieval genre called *translatio* that restated their own versions of events and shaped the memory of the crusade The recipients of relics commissioned these unique texts in order to exempt both the objects and the people involved with their theft from broader scrutiny or criticism Perry further demonstrates how these narratives became a focal point for cultural transformation and an argument for the creation of the new Venetian empire as the city moved from an era of mercantile expansion to one of imperial conquest in the thirteenth century      *The Arabian Nights II*,1996 From the critically acclaimed translator of *The Arabian Nights* comes a volume of the four most popular later stories Sindbad the Sailor Ali Baba and the Forty Thieves Ala al Din Aladdin and the Magic Lamp and Qamar al Zaman Readers will discover in each a world of high flamboyance and startling beauty humor and magic and lessons of loyalty and love's endurance      *Arthur Koestler's Fiction and the Genre of the Novel* Zénó VERNYIK,2021-09-17 Featuring a selection of brand new essays by a group of accomplished scholars *Arthur Koestler's Fiction and the Genre of the Novel* covers all of Koestler's novels published in his lifetime the first book to attempt this in English since Mark Levene's *Arthur Koestler* published thirty seven years ago The team of contributors with research backgrounds in history political science religious studies law linguistics and journalism besides literature offers a truly multidisciplinary take on how Koestler's novels utilize and at times transcend the genre of the novel and argues for their enduring relevance and appeal in the twenty first century inviting the reader to revisit and reassess them With the topics of Koestler's novels including terrorism massive migration espionage rape trauma war trauma the crisis of faith propaganda fake news and the role and responsibility of intellectuals in major international crises as the volume aims to show these texts are just as topical today as they were at the time of their publication      **The Encyclopedia of Film Composers** Thomas S. Hirschak,2015-04-16 For more than a century original music has been composed for the cinema From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films By the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during Hollywood's Golden Age including Alfred Newman Max Steiner Dimitri Tiomkin and Bernard Herrmann Over the decades other creators of screen music offered additional memorable scores and some composers such as Henry Mancini Randy Newman and John Williams have become household names *The Encyclopedia of Film Composers* features entries on more than 250 movie composers from around the world It not only provides facts about these artists but

also explains what makes each composer notable and discusses his or her music in detail Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years In addition to composers from the United States and Great Britain artists from dozens of other countries are also represented A rich resource of movie music history The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores **The**

**Edward G. Robinson Encyclopedia** Robert Beck, 2015-09-16 Edward G Robinson a 1930s cinema icon had an acting career that spanned more than 60 years After a brush with silent films he rose to true celebrity status in sound feature films and went on to take part in radio and television performances then back to Broadway and on the road in live theatre This work documents Robinson's every known public performance or appearance listing co-workers source material background and critical commentary The entries include feature films documentaries short subjects cartoons television and radio productions live theatre presentations narrations pageants and recordings Also included are entries relating to his life and career ranging from his wives to his art collection *Character Sketches of Romance, Fiction and the Drama* Ebenezer Cobham

Brewer, 2004-03 Originally published in 1892 the object of this Handbook is to supply readers and speakers with a lucid but very brief account of such names as are used in allusions and references whether by poets or prose writers to furnish those who consult it with the plot of popular dramas the story of epic poems and the outline of well known tales The number of dramatic plots sketched out is many hundreds Another striking and interesting feature of the book is the revelation of the source from which dramatists and romancers have derived their stories and the strange repetitions of historic incidents It has been borne in mind throughout that it is not enough to state a fact It must be stated attractively and the character described must be drawn characteristically if the reader is to appreciate it and feel an interest in what he reads This work an American reprint of *The Reader's Handbook* by E Cobham Brewer while retaining all of the original material that can interest and aid the English speaking student gives also characters and sketches found in American novels poetry and drama

**Tales of the Punjab** Flora Annie Webster Steel, 1922 *The Complete Index to Literary Sources in Film* Alan Goble, 2011-09-08 No detailed description available for *The Complete Index to Literary Sources in Film* *The CinemaScope Years* Aubrey Solomon, 2025-04-20 Virtually every current widescreen movie television broadcast or streamed image benefits from the techniques that have evolved since the widespread adoption of the first practical use of anamorphic photography CinemaScope Wildly successful CinemaScope with its huge screen and vividly panoramic images lured audiences away from their television sets and ended a sharp decline in moviegoing attendance And yet generations who grew up from the 1960s through the 1990s experienced these films in a completely disfigured format sized to fit black and white television screens of the era The chapters in this book provide a first time re-evaluation of the cinematic qualities of all 538 major studio produced

financed films shot in CinemaScope Also included are excerpts of interviews with cameramen and directors who describe in detail the development and problems presented by widescreen production Each title entry includes a brief synopsis including major cast members an analysis highlighting the artistic values present or absent and comments from critics and trade papers pertinent to the use of the wide screen process      **Notes and Queries** ,1892
