Seven Came Through Eddie Rickenbacker, 1954 **Seven Came Through** Edward Vernon Rickenbacker, 1943

Lost at Sea John Wukovits, 2023-05-16 The forgotten story of American war hero Eddie Rickenbacker's crash landing in the Pacific during World War II and his incredible twenty three day crusade to keep his crew alive In the darkest days of World War II an unlikely civilian was sent to deliver a letter from Washington to General MacArthur in New Guinea Eddie Rickenbacker was a genuine icon a pioneer of aviation the greatest fighter pilot of the First World War recipient of the Medal of Honor who'd retired to become a renowned race car driver Now in his fifties one of the most admired men in America Rickenbacker was again serving his nation riding high above the Pacific as a passenger aboard a B 17 But soon the plane was forced to crash land on the ocean surface leaving its eight occupants adrift in tiny rubber life rafts hundreds of miles from the nearest speck of land Lacking fresh water and with precious little food the men faced days of unrelenting sun followed by nights shivering in the cold fighting pangs of hunger exhaustion and thirst all the while circled by sharks Each prayed to see a friendly vessel on the horizon and dreaded the arrival of a Japanese warship Meanwhile as the US Navy scoured the South Pacific American radio and newspapers back home parsed every detail of Rickenbacker's disappearance and an adoring public awaited news of his fate Using survivors accounts and contemporary records award winning author John Wukovits brings to life a gripping story of survival leadership and faith in a time of crisis **Indianapolis Motor Speedway- the Eddie Rickenbacker Era** Denny Miller, 2020-12-20 This Eddie Rickenbacker Era book is first and foremost an in depth look of his ownership of the Indianapolis Motor Speedway from 1927 1945 and not intended to be another biography of Rickenbacker's life A list of books of Eddie's military life or his ordeal about being lost 23 days in the South Pacific which I highly recommend reading follows Throughout the book I listed key dates and headlines in United States history in politics sports and entertainment that is intended to serve as a point of reference timeline throughout the Eddie Rickenbacker Era Don't cringe on certain typos I purposely capitalize the R in Race in various places as my way of showing reverence to the Indianapolis 500 Other grammar and punctuation irregularities are my humorous middle finger to those former composition 101 pros who used so much red ink correcting my themes The Many Lives of Eddie Rickenbacker Andrew Speno, 2020-10-06 The life story of a daredevil who became a war hero will fascinate adventurous young readers with its tales of survival At age thirteen following the death of his father young Eddie dropped out of school and joined the workforce Through a combination of smarts hard work and perseverance Rickenbacker would grow up to become an automobile mechanic a race car driver a fighter pilot an entrepreneur a war hero a business executive and a staunch advocate for hard work and personal responsibility Along the way he lived on the line between recklessness and courage He survived dozens of accidents coming close to death more than once During the earliest years of American automobile racing Rickenbacker was

the most daring and withal the most cautious driver on the circuit How could he have been both daring and cautious This book invites young readers to decide for themselves as they follow Rickenbacker on his many hair raising adventures

Eddie Rickenbacker W. David Lewis,2005-12-08 David Lewis has written the definitive biography of America s ace of aces **The Aviators** Winston Groom,2015-09-15 The Aviators is the true story of Eddie Rickenbacker Jimmy Doolittle and Charles Lindbergh three extraordinary Americans who between World War I and World War II pushed the limits of flights and redefined heroism through their genius daring and uncommon courage Winston Groom s rich narrative tells their intertwined stories from broken homes to Medals of Honor all three would receive them barnstorming to the greatest raid of World War II front page triumph to anguished tragedy and near death to ultimate survival as all took to the sky time and again to become exemplars of the spirit of the greatest generation Back cover **The War in the Pacific** Duane Ryan,US Army Military History Institute,1978 **Silent Invaders** Gary A. Best,2017-05-17 The guys would come into the glider like a bunch of piss ants skittering around real cocky like But they settled down in the glider Some got airsick and they began thinking about what was ahead One time we were fired on just as we were landing and exiting the glider and one of the boys was hit His friends dragged him to cover beneath a tree He looked up at me and said Take my rifle I m dying I reached down and took his weapon and he slumped back and died That was pretty tough Combat gliders were called by some as Death Crates Purple Heart Boxes Flying Coffins and Tow Targets They were not pretty and had no graceful lines Viewed from the front they had a pug nose and a sloping Neanderthal forehead Their wings looked like the heavily starched ears of a jackrabbit placed at right angles on a canvas covered frame Twice the length of the body these wings were eighty four feet in length 70 per cent as long as the Wright Brothers first powered flight at Kitty Hawk They could not become airborne let alone fly unless assisted by an engine powered tow plane And for those riding in the back it was like flying through the gates of hell The men who were trained and assigned to guide gliders into battle were said to be the only pilots who had no motors armament parachutes and no second chances Like the aircraft they commanded they were called inglorious names such as The Bastards Nobody Wanted Glider Gladiators in Wooden Chariots Hybrid Jackasses and Glory Boys Beautifully written profoundly illustrated and researched Silent Invaders Combat Gliders of the Second World War is a work that is dedicated to those brave men under impossible odds from the British and American servicemen on D Day the doomed Operation Market Garden in Holland and Hitler s radical commando raid to rescue Mussolini Illustrations 80 black and white photographs
