Hughes,2012-04-10 Everyone suffers at some time or other it s simply a part of life But however bad things seem we are never completely helpless For the deeply affirming truth is that we can choose how to respond to adverse circumstances Trystan Owain Hughes suggests that learning how to suffer and how to wait patiently may be the secret of finding joy in our lives Diagnosed with a degenerative spinal condition he was surprised to discover that instead of increasing his unhappiness it spurred him on to seek out sources of hope and meaning The book opens by encouraging us to take a step back from our anxieties and worries and rest in the love of God We then explore five areas where that love may be found in the midst of pain in nature memory art laughter and other people By becoming conscious of the echoes of the transcendent in these areas we will gain new strength And paradoxically through facing our suffering learn to truly live **Daily Prayer for All**
