Seven Steps to Amazing Love Prince Mensah, 2008-10 Sex sells. Sense doesn't. This is what Christians face in this world. But we cannot use that as an excuse to justify reckless choices in our lives. This is the main reason why Prince Mensah wrote *Seven Steps to Amazing Love*. The book is an honest, no-holds-barred conversation about how Christians can achieve a fulfilling relationship with another person. Prince uses the Bible and contemporary research to support his seven recommendations. As Christians, it is imperative to know how to survive minefields on the path to a godly and fulfilling relationship. The reader is offered a chance to self-analyze with the truth of God's word. There is no mincing of words in *Seven Steps to Amazing Love*. It is a book that suggests several ways to avoid or survive the prevailing sense of futility in today's culture when it comes to true love. Prince Mensah came to know Jesus Christ as his Lord and Personal Savior in 1992. The conversion occurred at Calvary Baptist Church in Accra, Ghana. Since then, Prince has conducted workshops and seminars about issues affecting Christian youth. He has spoken on subjects ranging from selfishness to sexuality. Issues of chastity and fidelity in a Christian's life are focal points in Prince's presentations. This is because today's microwave society disables people to think through problems. The hasty decision-making results in unpleasant circumstances in many areas, especially in relationships. Prince Mensah has held the position of secretary for the Hope Baptist Church Youth group in Accra, Ghana. He studied Christian Psychology in college and holds a Consultants Certificate in Mediation. He is also a Fellow of the African American HIV University in Los Angeles, California. He is married to Charisse Sullivan Mensah, a career musician. The couple lives in Columbia, MD.

God can just as easily use a resource like Nelson's Preacher's Sourcebook to give you fresh and new ideas for your sermons, small group meetings, and seasonal gatherings. With suggestions for creative outlines, scripture text, preaching techniques, and historical notes, use this sourcebook as a jumping off point when talking to

McSwain,2013-05-30 Leading is a calling from God but that doesn t mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L McSwain s forty years of experience can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three

Smith,2000 For those searching for a way to demystify the often puzzling book of Revelation or for those seeking a splendid pathway into the Apocalypse this commentary is an extraordinary aid to grasping the central visions and to being grasped by them Albrecht Durer s woodcuts are incorporated together with an introduction that describes both the Seer of Patmos and the artist of Nuremberg and gives a very brief overview of various ways of reading these texts fundamentalist mainline liberation It is followed by a commentary on the book of Revelation accompanied by and keyed to the woodcuts *Perspectives in Pentecostal Eschatologies* Peter Althouse,Robby Waddell,2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right Development of Chinese Church Leaders Otto Lui,2013-06-14 Confucianism and its influence on culture in East Asia has profoundly impacted Chinese churches and the development of their leaders As a cultural force it continues to affect the perceptions and practices of Chinese pastors and how they lead This work seeks to build an indigenous approach to developing church leaders by understanding the theoretical and the situational foundations of relational leadership from both cultural and biblical perspectives The research is further enriched through case studies and interviews observing the practices of leadership in contemporary Chinese churches **Leadership Essentials** Greg Ogden,Daniel Meyer,2009-08-20 Maybe you ve shied away from leadership because you don t know what it will involve or you feel too unsure of your own abilities But your leadership is needed Designed to work well on your own with a partner or with a group this twelve session workbook is the essential preparation tool for those who would be led and shaped by Christ to lead others with strength and wisdom

Understanding Christian Leadership Ian Parkinson,2020 Understanding Christian Leadership offers an examination of a distinctly Christian understanding of leadership offering a critical appraisal of insights from secular theories of leadership exploring biblical and other theological insights into the nature and practice of leadership Whilst arguing for a form of leadership which is widely dispersed and collaborative the book seeks to explain the distinctive role of leaders within such a leadership economy It also seeks to establish a proper relationship between sacred and secular leadership thinking tackling some of the common philosophical and theological reservations to do with leadership discourse whilst offering a critical framework for discerning the suitability for the Church of different sources of leadership thinking Designed as core
