The Roy Stories Barry Gifford, 2013-10-01 Barry Gifford has been writing gritty American tales for the past forty years His novels stories poetry and films have helped shape the American neo noir genre The New York Times Book Review says that he can sum up in a few words the cruelty horror and crushing banality that shape an entire life Andrei Codrescu calls Gifford a great comic realist while Pedro Almodóvar likens him to the surrealist filmmaker Luis Buñuel and Jonathan Lethem describes his style as William Faulkner by way of B movie film noir porn

paperbacks and Sun Records rockabilly In *The Roy Stories* Gifford brings his signature style to a collection of tales following the character of Roy who has made appearances in a number of Gifford's previous story collections Roy lives a mystical kind of life skinning crocodiles in Southern Florida at age nine in the 1940s and playing in the back alleys of Chicago in the 1950s This deep feeling boy observes every detail in his surroundings with a sense of dark humor and an openness that will clutch readers tightly by the heart and lead them on a historical journey

The New Class Society Earl Wysong, Robert Perrucci, David Wright, 2013-07-11 The New Class Society introduces students to the sociology of class structure and inequalities as it asks whether or not the American dream has faded The fourth edition of this powerful book demonstrates how and why class inequalities in the United States have been widened hardened and become more entrenched than ever The fourth edition has been extensively revised and reorganized throughout including a new introduction that offers an overview of key themes and shorter chapters that cover a wider range of topics New material for the fourth edition includes a discussion of The Great Recession and its ongoing impact the demise of the middle class rising costs of college and increasing student debt the role of electronic media in shaping people's perceptions of class and more

Poems Seven Alan Dugan, 2011-01-04 *Poems Seven* New and Complete Poetry the winner of the National Book Award presents the life work of a giant of American letters tracks a forty year career of honest tough artistry and shows a man at nearly 80 years of age and still at the height of his poetic power Dugan's new poems continue his career long concerns with renewed vigor the poet's insistence that art is a grounded practice threatened by pretension the wry wit the jibes at the academic and sententious and the arresting observations on the quotidian battles of life All the while he peppers his poems with humorous images of the grim and daunting topics of existential emptiness

The Making of Modern Children's Literature in Britain Lucy Pearson, 2016-03-03 Lucy Pearson's lively and engaging book examines British children's literature during the period widely regarded as a second golden age Drawing extensively on archival material Pearson investigates the practical and ideological factors that shaped ideas of good children's literature in Britain with particular attention to children's book publishing Pearson begins with a critical overview of the discourse surrounding children's literature during the 1960s and 1970s summarizing the main critical debates in the context of the broader social conversation that took place around children and childhood The contributions of publishing houses large and small to changing ideas about children's literature become apparent as Pearson explores the careers of two enormously influential children's editors Kaye Webb of Puffin Books and Aidan Chambers of Topliner Macmillan Brilliant as an innovator of highly successful marketing strategies Webb played a key role in defining what were in her words the best in children's books while Chambers work as an editor and critic illustrates the pioneering nature of children's publishing during this period Pearson shows that social investment was a central factor in the formation of this golden age and identifies its legacies in the modern publishing industry both positive and negative
