## Seven Words For Three Hours:

**The Seven Words Spoken on the Cross** St Robert Bellarmine, 2024-04-16 Behold me now for the fourth year preparing for my death Having withdrawn from the business of the world to a place of repose I give myself up to the meditation of the Sacred Scriptures and to writing the thoughts that occur to me in my meditations so that if I am no longer able to be of use by word of mouth or the composition of voluminous works I may at least be of some use to my brethren by these pious little books Whilst then I was reflecting as to what would be the most eligible subject both to prepare me to die well and to assist others to live well the Death of our Lord occurred to me together with the last sermon which the Redeemer of the world preached from the Cross as from an elevated pulpit to the human race *Round about Bar-le-Duc* Susanne R.

Day, 2022-06-02 In *Round about Bar le Duc* Susanne R Day presents a vibrant tapestry of life in a French town weaving together historical richness with the nuanced experiences of its inhabitants Employing a lyrical prose style that echoes the pastoral beauty and complexity of the landscape Day meticulously crafts a narrative that is both reflective and immersive Set against the backdrop of Bar le Duc the storytelling engages with themes of memory identity and the passage of time exploring how the past continually shapes the present while embracing the quirks and intricacies of everyday life Susanne R Day an accomplished author celebrated for her keen insights into the human experience draws upon her extensive travels and cultural explorations to illuminate the threads that bind communities together Her profound understanding of French history and culture coupled with a personal connection to the region enriches the text allowing readers to glimpse the soul of Bar le Duc through its rich interactions and historical contexts This backdrop provides depth to her characters making their journeys resonate on multiple levels I highly recommend *Round about Bar le Duc* for readers seeking an evocative exploration of place and identity infused with historical awareness Day s exquisite prose invites contemplation and connection making this work a significant contribution to contemporary literature that will resonate with both lovers of literary fiction and history alike *The Psalms of David in Metre* Free Church of Scotland.
