Seventeenth Century Poetry The Schools Of Donne And Johnson:

The Retrospective Review (1820-1828) and the Revival of Seventeenth Century Poetry Jane Campbell,2006-01-01 This essay had its beginning in an investigation of changing attitudes to seventeenth century Pre Restoration poetry during the English Romantic period In the course of that research Jane Campbell discovered that a relatively little known periodical the Retrospective Review which was published in London from 1820 to 1828 appeared to have played an interesting part in the rehabilitation of the poets of the earlier period This book then is an attempt to outline the history of this review to place it against its literary background and to assess its role in the critical re evaluation of the poets of the earlier seventeenth century an age to which the Retrospective s contributors and their contemporaries looked with fascination as well as with an affectionate feeling of kinship *Early Modern Authorship and the Editorial Tradition* Aleida Auld,2023-12-12 This volume adds a new dimension to authorship studies by linking the editorial tradition to the transformative reception of early modern authors and their works across time Aleida Auld argues that the editorial tradition provides privileged access to the reception of early modern literature informing our understanding of certain reconfigurations and sometimes helping to produce them between their time and our own At stake are reconfigurations of oeuvre and authorship the relationship between the author and work the relationship between authors and the author s own role in establishing an editorial tradition Ultimately this study recognizes that the editorial tradition is a stabilizing force while asserting that it may also be a source of strange and provocative reconceptions of early modern authors and their works in the present day Scholars and students of early modern literature will benefit from this approach to editing as a form of reception that encompasses all the editorial decisions that are necessary to put forth a text **The Mystical Element in the Metaphysical Poets of the Seventeenth Century** Itrat Husain,1966 , **Historical Overview of the 17th & 18th Century** Mr. Rohit Manglik,2023-05-23 Reviews historical political and literary trends of the period **Elizabethan and Seventeenth-Century Lyrics** Matthew W.
