**Black Enterprise** ,1978-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance *The Legends of the Jews and Judaism* Louis Ginzberg,Israel Abrahams, The term Rabbinic was applied to the Jewish Literature of post Biblical times by those who conceived the Judaism of the later epoch to be something different from the Judaism of the Bible something actually opposed to it Such observers held that the Jewish nation ceased to exist with the moment when its political independence was destroyed For them the Judaism of the later epoch has been a Judaism of the Synagogue the spokesmen of which have been the scholars the Rabbis And what this phase of Judaism brought forth has been considered by them to be the product of the schools rather than the product of practical pulsating life Poetic phantasmagoria frequently the vaporings of morbid visionaries is the material out of which these scholars construct the theologic system of the Rabbis and fairy tales the spontaneous creations of the people which take the form of sacred legend in Jewish literature are denominated the Scriptural exegesis of the Rabbis and condemned incontinently as nugae rabbinorum As the name of a man clings to him so men cling to names For the primitive savage the name is part of the essence of a person or thing and even in the more advanced stages of culture judgments are not always formed in agreement with facts as they are but rather according to the names by which they are called The current estimate of Rabbinic Literature is a case in point With the label Rabbinic later ages inherited from former ages a certain distorted view of the literature so designated To this day and even among scholars that approach its investigation with unprejudiced minds the opinion prevails that it is purely a learned product And yet the truth is that the most prominent feature of Rabbinic Literature is its popular character The school and the home are not mutually opposed to each other in the conception of the Jews They study in their homes and they live in their schools Likewise there is no distinct class of scholars among them a class that withdraws itself from participation in the affairs of practical life Even in the domain of the Halakah the Rabbis were not so much occupied with theoretic principles of law as with the concrete phenomena of daily existence These they sought to grasp and shape And what is true of the Halakah is true with greater emphasis of the Haggadah which is popular in the double sense of appealing to the people and being produced in the main by the people To speak of the Haggadah of the Tannaim and Amoraim is as far from fact as to speak of the legends of Shakespeare and Scott The ancient authors and their modern brethren of the guild alike elaborate legendary material which they found at hand It has been held by some that the

Haggadah contains no popular legends that it is wholly a factitious academic product A cursory glance at the pseudepigraphic literature of the Jews which is older than the Haggadah literature by several centuries shows how untenable this view is That the one literature should have drawn from the other is precluded by historical facts At a very early time the Synagogue disavowed the pseudepigraphic literature which was the favorite reading matter of the sectaries and the Christians Nevertheless the inner relation between them is of the closest kind The only essential difference is that the Midrashic form prevails in the Haggadah and the parenetic or apocalyptic form in the pseudepigrapha The common element must therefore depart from the Midrash on the one hand and from parenesis on the other

**The Biographical Dictionary of Women in Science: L-Z** Marilyn Bailey Ogilvie, Joy Dorothy Harvey, 2000 Volume 2 of 2 *Salt of the Earth* Travis Gibson, 2006-08-24 In this sequel to the novel Southern Gospel the residents of Truman County are forced to deal with the fallout from a sensational murder The fact that the victim is one of the most prominent citizens of the county is shocking enough but when an arrest is made for the crime its an even bigger surprise As is to be expected speculation abounds concerning motive and method A wide variety of the county population ranging from teenagers to senior citizens becomes involved in the investigation and subsequent trial which is not a typical one even by Truman County standards Against this background Old Man Teke Thomas and Vern L Upshaw two well known Truman County men are forced to deal with problems of their own problems that in their own way will have great effects on the general welfare of Truman County And as was shown in Southern Gospel Old Man Teke and Vern L have their own unique approaches to the solutions of those problems

Three Minutes in Poland Glenn Kurtz, 2014-11-18 The author s discovery of a brief 16mm film shot by his grandfather during a 1938 visit to his soon to be extinguished birthplace in Poland unfolds like a detective story Now the basis for the documentary Three Minutes A Lengthening Named one of the best books of 2014 by NPR The New Yorker and The Boston Globe When Glenn Kurtz stumbles upon an old family film in his parents closet in Florida he has no inkling of its historical significance or of the impact it will have on his life The film shot long ago by his grandfather on a sightseeing trip to Europe includes shaky footage of Paris and the Swiss Alps with someone inevitably waving at the camera Astonishingly David Kurtz also captured on color 16mm film the only known moving images of the thriving predominantly Jewish town of Nasielsk Poland shortly before the community s destruction Blissfully unaware of the catastrophe that lay just ahead he just happened to visit his birthplace in 1938 a year before the Nazi occupation Of the town s three thousand Jewish inhabitants fewer than one hundred would survive Glenn Kurtz quickly recognizes the brief footage as a crucial link in a lost history The longer I spent with my grandfather s film he writes the richer and more fragmentary its images became Every image every face was a mystery that might be solved Soon he is swept up in a remarkable journey to learn everything he can about these people After restoring the film which had shrunk and propelled across the United States to Canada England Poland and Israel and into archives basements cemeteries and even an irrigation ditch at an abandoned Luftwaffe airfield as he looks for shards of

Nasielsk's Jewish history One day Kurtz hears from a young woman who had watched the video on the Holocaust Museum's website As the camera panned across the faces of children she recognized her grandfather as a thirteen year old boy Moszek Tuchendler of Nasielsk was now eighty six year old Maurice Chandler of Florida and when Kurtz meets him the lost history of Nasielsk comes into view Chandler's laser sharp recollections create a bridge between two worlds and he helps Kurtz eventually locate six more survivors including a ninety six year old woman who also appears in the film standing next to the man she would later marry Painstakingly assembled from interviews photographs documents and artifacts Three Minutes in Poland tells the rich harrowing and surprisingly intertwined stories of these seven survivors and their Polish hometown I began to catch fleeting glimpses of the living town Kurtz writes a cruelly narrow sample of its relationships contradictions scandals Originally a travel souvenir David Kurtz's home movie became the most important record of a vibrant town on the brink of extinction From this brief film Glenn Kurtz creates a poignant yet unsentimental exploration of memory loss and improbable survival a monument to a lost world

*Divine Presence* Mark G. Boyer, 2017-04-06 The glory of the LORD a phrase used over one hundred times in the Bible describes God's greatness and transcendence This complex theological concept exhibits several natural elements which describe a theophany a personification of God in the forces of nature Thus a theophany the appearance of God in a visible form is the physical manifestation of the divine presence most frequently associated with a storm Of all the biblical accounts that illustrate the glory of the LORD the narrative of Moses encounter with God on Mount Sinai Horeb contains nineteen of the twenty one elements that reveal the glory of the LORD mountains sacred numbers God's voice people's person's response cloud water thunder lightning trumpet blast smoke fire earthquake terms of the event covenant sign transformation of witnesses altar feast meal wind light and darkness jewels precious stones and dreams Each element is examined closely using biblical texts that best illustrate it
