The Memory of Blood Christopher Fowler, 2013-09-03 Christopher Fowler's acclaimed Peculiar Crimes Unit novels crackle with sly wit lively suspense and twists as chilling as London's fog Now the indomitable duo of Arthur Bryant and John May along with the rest of their quirky team return to solve a confounding case with dark ties to the British theater and a killer who may mean curtains for all involved For the crew of the New Strand Theatre the play The Two Murderers seems less performance than prophecy when a cast party ends in the shocking death of the theater owner's son The crime scene is most unusual even for Bryant and May In a locked bedroom without any trace of fingerprints or blood the only sign of disturbance is a gruesome life size puppet of Mr Punch laying on the floor Everyone at the party is a suspect including the corrupt producer the rakish male lead the dour set designer and the assistant stage manager who is the wild daughter of a prominent government official It's this last fact that threatens the Peculiar Crimes Unit's investigation as the government's Home Office wary of the team's eccentric methods seeks to throw them off the case But the nimble minds of Bryant and May are not so easily deterred Delving into the history of the London theater and the disturbing origins of Punch and Judy the detectives race to find the maniacal killer before he reaches his even deadlier final act Whip smart and endlessly entertaining The Memory of Blood is an ingeniously intricate mystery from the deliciously inventive Christopher Fowler

Praise for The Memory of Blood The Memory of Blood breathes new life into the locked room mystery Spiced with a little screwball comedy dialogue and a touch of the occult The Washington Post Great fun The Seattle Times *Bryant & May: Oranges and Lemons* Christopher Fowler, 2021-01-12 The most delightfully wickedly entertaining duo in crime fiction The Plain Dealer When a prominent politician is crushed by a fruit van making a delivery the singular team of Arthur Bryant and John May overcome insurmountable odds to reunite the PCU and solve the case in this brainy new mystery from acclaimed author Christopher Fowler On a spring morning in London's Strand the Speaker of the House of Commons is nearly killed by a van unloading oranges and lemons for the annual St Clement Danes celebration It's an absurd near death experience but the government is more interested in investigating the Speaker's state of mind just prior to his accident The task is given to the Peculiar Crimes Unit the only problem being that the unit no longer exists Its chief Raymond Land is tending his daffodils on the Isle of Wight and senior detectives Arthur Bryant and John May are out of commission May has just undergone

surgery for a bullet wound and Bryant has been missing for a month What's more their old office in King's Cross is being turned into a vegetarian tapas bar Against impossible odds the team is reassembled and once again what should be a simple case becomes a lunatic farrago involving arson suicide magicians academics and a race to catch a killer with a master plan involving London churches Joining their team this time is Sidney a young woman with no previous experience plenty of attitude and a surprising secret **Bryant & May** Christopher Fowler, 2016 In another impossible case for the Peculiar Crimes Unit a woman is found drowned in the Thames after being tied to a pillar at low water and only her footprints lead to the spot where she was killed Ten Second Staircase Christopher Fowler, 2008-09-30 It's a crime tailor made for the Peculiar Crimes Unit a controversial artist is murdered and displayed as part of her own outrageous installation No suspects no motive no evidence but this time they do have an eyewitness A twelve year old claims the killer was a cape clad highwayman atop a black stallion Whoever the killer really is he seems intent on killing off enough minor celebrities to become one himself As Highwayman Fever grips London Bryant and May along with the newest member of the Unit May's agoraphobic granddaughter April find themselves sorting out a case involving artistic rivalries sleazy sex affairs the Knights Templars feuding street gangs and a decades old crime spree that split up their partnership once before and threatens to end it again with murder **The Intelligible Metropolis** Nora Pleßke, 2014-08-15 Writings on the metropolis generally foreground illimitability stressing thereby that the urban ultimately remains both illegible and unintelligible Instead the purpose of this interdisciplinary study is to demonstrate that mentality as a tool offers orientation in the urban realm Nora Pleßke develops a model of urban mentality to be employed for cities worldwide Against the background of the Spatial Turn she identifies dominant urban specific structures of London mentality in contemporary London novels such as Monica Ali's Brick Lane J G Ballard's Millennium People Nick Hornby's A Long Way Down and Ian McEwan's Saturday **Bryant & May and the Bleeding Heart** Christopher Fowler, 2014-12-02 NAMED ONE OF THE TEN BEST MYSTERIES OF THE YEAR BY THE SEATTLE TIMES London's wildest detectives Arthur Bryant and John May are on the case in this fiendishly clever mystery And when a cemetery becomes the scene of a crime neither secrets nor bodies stay buried Romain Curtis sneaks into St George's Gardens one evening with his date planning to show her the stars A centuries old burial ground the small quiet park is the perfect place to be alone Yet the night takes a chilling turn when the two teenagers spy a strange figure rising from among the tombstones a corpse emerging from the grave Suffice it to say that wherever there's a dead man walking Bryant and May and the Peculiar Crimes Unit are never far behind As the PCU investigates the sighting a second urgent matter requires their unusual brand of problem solving Seven ravens have gone missing from their historic home in the Tower of London and legend has it that when the ravens disappear England will fall Bryant has been tasked with recovering the lost birds but when Romain is suddenly found dead the two seemingly separate mysteries start to intertwine and point to a plot more sinister than anyone could ever imagine Soon Bryant and May find themselves immersed in London's darkest lore

from Victorian era body snatchers to arcane black magic to the grisly myth behind Bleeding Heart Yard a courtyard long associated with murder And as the body count spikes and more coffins are unearthed they will have to dig deep to catch a killer and finally lay these cases to rest Darkly funny and fast paced Bryant May and the Bleeding Heart is a brilliantly twisting puzzle conjured from the inventive mind of Christopher Fowler Praise for Bryant May and the Bleeding Heart Let s talk about guilty pleasures A historic burial ground like St George s Garden scene of the unfortunate incident of resurrection is right up Arthur Bryant s dark alley And mine Marilyn Stasio The New York Times Book Review Delectably droll criminally underappreciated guaranteed to amuse Bryant May are endearing throwbacks to a time when this genre was brainy and pure They are the last of a breed and they know it Their very credibility puts quaint old Bryant May in a class of their own Janet Maslin The New York Times Fans of the series will enjoy the continuing travails of these two long suffering octogenerian friends and their fellow officers Newcomers will appreciate the twists and turns of the case as well as the many details from the odd corners of one of the world s great cities Library Journal Endearingly eccentric intriguing Publishers Weekly Hilarious a charming and intriguing mystery mixed with marvelous characters Christopher Fowler s snarky writing elevates what could be dull or routine and makes it a true joy to read RT Book Reviews Make Bryant May and the Bleeding Heart the next book you read These stories are witty challenging engrossing informative and incredibly well written Picture a television series that is a rough mash up of Law Order The X Files and Monty Python s Flying Circus I sensed Sir Arthur Conan Doyle Ed McBain and Agatha Christie nodding in approval Fowler s latest book contains some of his best writing Bookreporter
