Sew Youngsew Fun Sew It Up:

Sew Fun Deborah Fisher, 2013-11-30 *Sew Fun 20 Projects for the Whole Family* is a thoughtful approach to crafting with and for children. Discover a variety of ways to get children involved in fun sewing projects whatever their age or ability. Several projects are for adults to make and for children to enjoy. Others incorporate a child's drawings as inspiration for an adult-made project or allow older children to try out easy sewing themselves. Simple quilt patterns also allow children to work together choosing or decorating fabric while an adult handles the actual sewing. Deborah Fisher has developed a range of projects that will appeal to adults and children alike. Fun costumes, beautiful dolls, story time blankets and communal quilts are just some of the projects included here. Enjoy combining bright colors and contemporary fabrics while spending time with the family. Get tips for working with children and learn how to involve them in ways that are enjoyable and stress-free.

Turn flat fabric into handbags of any shape when you learn the basics of construction, transferring a pattern and finishing details. A must-have primer for the beginning sewist. Not only does this book have 13 cute and unique bags, but Hilarie also gives insight on how to think like a designer and some really cute embellishments. If you have sewn before but have never made a bag, this will be great, and if you have made multiple bags and are looking to improve your skills, this is also great. Brooklyn Sewcial: Full of different styles of bags that are fun and easy to make for yourself or as gifts. All of the patterns and designs are easy to customize. Needle Ink and Thread: One of my favorite parts of the book, however, was the section where Hilarie writes about learning how to think like a designer. She gives several exercises that help spur one's creativity. **The Sewing Room** **Sewing School @ 2** Andria
