Encarnación,2016-09-23 This interdisciplinary anthology takes as its starting point the belief that as the material grounds of lived experience material culture provides an avenue of historical access to women s lives extending beyond the reaches of textual evidence Studies here range from utilitarian tools used in Late Roman abortion to sacred magical or ritual objects associated with sex procreation and marriage in the Renaissance Together the essays demonstrate the complex relationship between language and object and explore the ways in which objects become forms of communication in their own right transmitting both rather specific messages and more generalized social and cultural values **The Poetry of Sex** Sophie Hannah,2014-01-30 The Poetry of Sex a raucous highly enjoyable anthology by acclaimed poet Sophie Hannah We ve been at it all summer from the Canadian border to the edge of Mexico It s hard to imagine a more fruitful subject for poets than sex in all its glorious manifestations from desire and hope through disappointment and confusion to conclusion and consequence And little has changed over the centuries as Sophie Hannah s anthology vividly demonstrates from Catullus pleading with Lesbos to Walt Whitman singing the body electric Moods and attitudes may vary but the drive persists as does the desire to write about it Sophie Hannah s selection ranges from ancient Rome to modern New York from gay to straight but her principle has been to go low on the sugar and high on the excitement It is essential reading for poetry lovers and romantics everywhere Sophie Hannah has published five collections of poetry Her fifth Pessimism for Beginners was shortlisted for the T S Eliot Award in 2007 Her Selected Poems is published by Penguin revised edition 2013 She is also the writer of bestselling
