Sex And Other Sacred Games Love Desire Power And Possession:

Sex and Other Sacred Games Kim Chernin, Renate Stendhal, 1990 A novelistic treatment of the relationship between the two authors Sex and the Goddess Karin E Weiss Ph.D., PhD, 2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers *Encyclopedia of Feminist Literary Theory* Elizabeth Kowaleski-Wallace, 2009-03-23 From the cutting edge to the basics The latest advances as well as the essentials of feminist literary theory are at your fingertips as soon as you open this brand new reference work It features in quick and convenient form precise definitions of important terms and concise summaries of the salient ideas of critics working in the field who have made significant contributions to feminist literary studies and points out how a feminist perspective has affected the development of emerging ideas and intellectual practices Every effort has been made to include as many feminist thinkers as possible Expanded coverage of key subjects Overview entries cover topics ranging from creativity beauty and eroticism topography violence and war with a thorough exploration of the major theoretical points of feminist literary approaches and concerns In addition entries organized around literary periods and fields such as medieval studies Shakespeare and Romanticism survey subjects in the framework of feminist literary theory and feminist concerns Shows how feminist ideas have shaped literary theory The Encyclopedia gathers in one place all the key words topics proper names and critical terminology of feminist literary theory

Emphasis throughout is on usage in the United States and Great Britain since the 1970s Each entry is accompanied by a bibliography that is a point of departure for further research A key advantage of this Encyclopedia is that it amasses bibliographic references for so many important and often cited works within a single volume Instructors especially will find this information invaluable in the preparation of course material Special Features Offers precise contemporary definitions of all important critical terms Summarizes the salient ideas of key literary critics Overviews cover major theoretical issues Entries on periods and fields survey feminist contributions Emphasizes terminology that has evolved since the 1970s Indexes proper names subjects key words and related topics
