Sex And The Lottery Gyeorgos Ceres Hatonn,1992      **More Sex Is Safer Sex** Steven E. Landsburg,2008-04 The columnist for Slate magazine's popular Everyday Economics makes provocative suggestions for tackling difficult modern issues from the role of sex avoidance in spreading disease and controlling population through its increase to charging juries for exonerating convicted felons and giving rescued property to firefighters By the author of The Armchair Economist Reprint 30 000 first printing      Sex and the Citizen Conn Carroll, Sex and the Citizen is a powerful and urgent exploration of one of the most overlooked forces shaping the political landscape today the rapid decline of marriage Once the cornerstone of American life marriage has seen a dramatic fall from grace In 1960 four out of five households were led by married couples today that number has plummeted to less than half with more people choosing cohabitation over commitment The American family as we once knew it is unraveling Author Conn Carroll takes you on a thrilling journey spanning thousands of years and six continents uncovering the pivotal role marriage has played in human history From the dawn of civilization to the present day Sex and the Citizen reveals that marriage is more than just a contract it's the bedrock of democracy itself Through gripping historical analysis Carroll shows how the rise and fall of monogamous marriage has shaped societies and how its decline is now threatening our most cherished ideals But this book isn't just about diagnosing a problem it's about finding solutions Sex and the Citizen offers a bold vision for restoring the stability and prosperity that marriage once provided By learning from history we can rebuild a society where love and commitment are the keys to human flourishing Sex and the Citizen is a must read for anyone who cares about the future of civilization      **Dollars and Sex** Marina Adshade,2013-03-19 Like Freakonomics Dollars and Sex takes economics and converts it into a sexy science by applying the principles of supply and demand and other market forces to matters of love courtship sex and marriage As she does in her hugely popular blog author Marina Adshade explores the marketplace for sex and love using research economic analysis and humor to reveal just how central the interplay of libido gender love power and economic forces is to the most important choices we make in our lives Call it Sexonomics      **Jet**,1953-08-06 The weekly source of African American political and entertainment news      **The Lady's Magazine Or Entertaining Companion for the Fair Sex**,1772      **Sex, Lies & Politics** Larry Flynt,2005 The notorious pornographer and defender of the First Amendment rights who is fed up with the current state of our government shares his thoughts on a vast array of issues including sex the War on Terror the Bush administration religion feminism entrepreneurship and privacy Reprint 25 000 first printing      *The Lady's Magazine; Or, Entertaining Companion for the Fair Sex, Appropriated Solely to Their Use and Amusement ...*,1772      **Having Sex, Wanting Intimacy** Jill P. Weber,2013-02-01 Finding lasting love and intimacy can be difficult for many women Some end up agreeing to sexual relationships hoping that they may lead to longer more fulfilling relationships only to be let down when they don't Here Jill Weber explains why women feel forced into a male model of dating that barter sex for the unrealistic hope that it will lead to

emotional intimacy What it leads to for the woman most often is disappointment despair and impaired self esteem Sextimacy as Weber terms it traps women in relationships that are one sided and lack emotional intimacy When this happens women routinely blame themselves instead of realizing they should blame their romantic strategy This book in a step by step progression shows a better way to break the cycle and cultivating better relationships It teaches women how to recognize when they are in a Sextimacy event as opposed to the beginning of a mutually fulfilling relationship that won't leave them racked with morning after regrets And it gives clear direction about what women can do to find warm romantic partnerships that serve their needs Using real stories from women of various ages and stages of life Weber shows how patterns of behavior may develop that produce a vulnerability to being used Starting in childhood and proceeding through the crucial teen years she illustrates the factors that may go into this limited approach to cultivating romantic relationships and provides clear tips on how to stop Including a series of self assessments the book offers women insight into the patterns that rob them of the opportunities to grow and to fulfill their emotional needs Anyone struggling to break the cycle of having sex without the attendant intimacy they crave will find in these pages a warm and ready approach to finding love and fulfillment

*State Lotteries* Kasey Henricks, David G. Embrick, 2016-08-12 Fifty years ago familiar images of the lottery would have been strange as no state lottery existed then Few researchers have uncovered the obscure role lotteries play in the changing composition of American taxation Even less is known about what role race plays in this process More than simply taxing those on the social margins the emergence of state lotteries in contemporary American history represents something much more fundamental about state fiscal policy This book not only uncovers the underlying racial factors that contextualize lottery proliferation in the U S but also reveals the racial consequences that lotteries have in terms of redistributing tax liability
