Sex And The Pulpit:

Sex and the Pulpit Abraham L. Feinberg, 1981 Chapter 10 Homosexuality Salute to a gay friend
Religion James Ballantyne Hannay, 1922 Earthen Vessels: Why Our Bodies Matter to Our Faith, *Sensitive Preaching to the Sexually Hurting* Sam Serio, 2019-03-21 Today's church has sadly failed to minister to men and women deeply affected by porn abortion rape casual sex a sexless marriage same sex attraction or childhood sexual abuse Church leaders know these broken people sit in their pews What they don't know is what to say to them Those who would speak out directly from the pulpit worry that they will be unwise or insensitive whatever their intent to the contrary They may even fear being fired and losing their ministry altogether The truth is that seminary curriculums rarely prepare preachers to talk about sex in their sermons Despite the pervasiveness of sexual wounds in the church preachers tend to either ignore them and say nothing or abhor them without nuance and condemn Sam Serio posits a powerful and necessary middle ground preaching that offers forgiveness transformation and restoration Sensitive Preaching to the Sexually Hurting is a ready to use resource written from a preaching perspective Serio examines the causes and consequences of the seven most difficult sexual issues of today Moreover he provides appropriate wording to use in crafting sermons along with corresponding Scripture texts He examines how preachers can prepare their churches their hearts and their sermons for the topic and how these can all work together to build a healthier future for their congregations and the wider church body **Preachers Gone Wild!** BRENT La PRINCE EDWARDS, 2011-10-19 PREACHERS GONE WILD Where Do Preachers Go When They Hurt An Encyclopedia of Help for Anyone in the Heat of the Spotlight By Rev Brent La Prince Edwards Too often we hear reports of preachers getting caught up in stuff and things that make ministry and the pulpit look suspect and questionable Yet there's a flip side of the story While many point fingers of blame and shame against preachers around the world many clergy are in deep personal pain with no place to vent while still having to carry on the duties of ministry Join Reverend Edwards as he exposes deep issues clergy face rarely discussed This book will inform comfort heal and revolutionize your life While in many Christian circles there are conferences and ministries on varied subjects where are the conferences for the wounded leader So have preachers really gone wild or is there something much deeper going on Also excellent reading for non clergy vocations and anyone in the heat of the spotlight or public eye Rev Edwards addresses the following issues Preachers and Health Preachers and Sexuality Preachers and Money Preachers Marriage and Relationships Why Some Preacher's Kids Are Indifferent to Ministry Understanding the Controlling Minister How Should Congregations Respond to Wounded Leaders Preachers and the Mega Church Syndrome And Much Much More Why You Should Not Have Sex Before Marriage Sam Goode, 2006 One of the biggest challenges facing Christian teenagers today is the biblical requirement to preserve one's virginity before marriage Goode gives some common sense reasons why Christian teens should protect their virginity at all cost **Sex in the Sanctuary** Lutishia Lovely, 2009-07 As first lady of Kingdom Citizen's Christian Center Vivian Montgomery has it all a

beautiful home lovely children and a pastor husband who makes her shout Hallelujah And not just in church There s no doubt Pastor Montgomery has a healthy appreciation for the Lord and for the pleasures of the flesh namely his wife s flesh If only Vivian s best friend Tai was so blessed

Sex and Citizenship in Antebellum America Nancy Isenberg,2000-11-09 With this book Nancy Isenberg illuminates the origins of the women s rights movement Rather than herald the singular achievements of the 1848 Seneca Falls convention she examines the confluence of events and ideas before and after 1848 that in her view marked the real birth of feminism Drawing on a wide range of sources she demonstrates that women s rights activists of the antebellum era crafted a coherent feminist critique of church state and family In addition Isenberg shows they developed a rich theoretical tradition that influenced not only subsequent strains of feminist thought but also ideas about the nature of citizenship and rights more generally By focusing on rights discourse and political theory Isenberg moves beyond a narrow focus on suffrage Democracy was in the process of being redefined in antebellum America by controversies over such volatile topics as fugitive slave laws temperance Sabbath laws capital punishment prostitution the Mexican War married women s property rights and labor reform all of which raised significant legal and constitutional questions These pressing concerns debated in women s rights conventions and the popular press were inseparable from the gendered meaning of nineteenth
