[The Teenage Body Book](#) Kathy McCoy, Charles Wibbelsman, 1999 An updated manual for teenagers and their parents offers clear and comprehensive information about all aspects of mental and physical health for adolescents discussing diets sex drugs peer pressure and much more. Original. **Sex and the Marriage Covenant** John F. Kippley, 2005 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant. From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act. Thus the title Sex and the Marriage Covenant is an appropriate description of the book's contents. Marriage comes into being by a couple unreservedly entering God's covenant of marriage. Contraceptive intercourse contradicts the very essence of the marriage covenant. From these considerations Kippley developed the covenant theology of sexuality described in this book.
